

City of Clintonville

Common Council Meeting
At the Community Center
30 S Main St., Clintonville, WI 54929
6:00 PM – Tuesday, July 14, 2026

Please turn off/silence cell phones and any other electronics that could be distracting during our meeting.

Agenda

1. Call to Order; Roll Call; Pledge of Allegiance
2. Approval of Agenda
3. Citizens Forum – This is a chance for citizens to make comments. No action or lengthy discussions can take place as a result of comments made at this time.
4. Consent Agenda
 - a. Minutes - June 9, 2026 & July 8, 2026
 - b. Licenses
 1. Operator's License(s)
 2. Temporary Class B Beer License - VFW Post 664, July 18, 2026, Mathews Bay/Wayside Park, Agent - Brandon Pszanka
 3. Change of Agent-Kwik Trip #884, 12 W Madison St, Agent-DanaDallmann
5. Mayor's Comments
6. Reports from City Administrator
 - a. Discussion/Possible Action Regarding Municipal Code Chapter 19 - Subdivision & Platting
 - b. Discussion/Possible Action Regarding CAAS Waiver of Conflicts of Interest
 - c. Discussion/Possible Action Regarding Site Plan Review Process
7. Finance and Personnel Committee – Chair Rose
 - a. Financial Reports/Bills
 - b. Approve Administrator Contract
8. Public Works Committee – Chair Bonikowske
 - a. Discussion/Possible Action Regarding Dam Embankment Repair Submittal Engineering Services Proposal

Posted: Clintonville City Hall - Clintonville Public Library - Community Center

Please note, upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information or to request this service, contact City Hall at 715-823-7600

- b. Discussion/Possible Action Regarding Aqua Park Lifetime Membership
 - c. Discussion/Possible Action Graco Paint Sprayer Sale
 - d. Discussion/Possible Action Regarding Riverwalk Fencing Project
 - e. Discussion/Possible Action Regarding Emergency Generator Agreement
- 9. Utility Committee – Chair Behnken
 - a. Discussion on City of Clintonville Utilities Ordinance, Creation of Utilities Commission
- 10. Appointments
 - a. District 3 Council Member
 - b. Utility Committee
- 11. Supplemental Items
 - a. Reports
 - b. Minutes
- 12. Adjournment
- 13. Convene into Closed Session
 - a. The Council may convene into closed session pursuant to WI State Stat 19.85(1)(e) Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session/Consideration of Recommendations of Innovation Grant and Modification/Termination of Contract-Ambulance Services
- 14. Reconvene into Open Session -
 - a. Discussion/Possible Action Regarding Clintonville Area Ambulance Service Contract and Related Actions

Jeannie Schley, Mayor

The City will strive to continue to provide access to view the meeting in a virtual format using Facebook. The meeting may or may not be live but for those meetings that are posted live, the comments section will not be monitored.

Reconvened into open session.

Strey-Hirt/Schirpke m/s/c to adjourn at 5:40 pm.

Respectfully submitted,

Peggy Johnson
Clerk-Treasurer

**Operator's License Presented to Finance for Recommendation to Council for
Approval by Clintonville Common Council on July 14th, 2026**

- Blazek, Debra
- Henning, MaryFrances

The above applicants have been approved by the Police Department.

Memo

To: Common Council

From:

Meeting Date: July 14, 2026

Subject: Discussion/Possible Action Regarding Municipal Code Chapter 19 -
Subdivision & Platting

Memo:

Attachments:

1. Staff Report to Common Council Regarding Chapter 19 - 070126 DR
2. Staff Report to Common Council Regarding Chapter 19

Staff Report to Common Council

To: Clintonville Common Council

From: Diane Rowe, Interim Administrator

Date: July 14, 2026

Agenda item: CSM Approval Process

Background

The City is currently in the process of reviewing and updating portions of its Municipal Code, including Chapter 19 – Subdivision and Platting. As part of that effort, staff reviewed both the current ordinance and the proposed draft revisions to better understand the City's required review procedures for land divisions and Certified Survey Maps (CSMs).

This review was prompted by several recent Certified Survey Map (CSM) applications. During the review of those applications, staff found that there is some uncertainty regarding the City's established review and approval process for Certified Survey Maps.

Findings

To clarify the issue, staff reviewed Chapter 19 and found that the ordinance requires all Certified Survey Maps to be reviewed by the Plan Commission, which then forwards a recommendation to the Common Council. The Common Council serves as the approving authority for all Certified Survey Maps and must take formal action before a map may be recorded. The ordinance does not currently provide administrative approval authority for Certified Survey Maps, nor does it provide a process by which a Certified Survey Map may bypass Plan Commission review and proceed directly to the Common Council.

Staff also reviewed the draft Chapter 19 revisions currently under consideration and found that the Certified Survey Map approval process is unchanged.

Council Discussion and Direction

Staff is bringing this matter forward to obtain direction from the Common Council regarding whether the City wishes to maintain the existing Certified Survey Map review process in the updated ordinance or whether it would like staff to explore revisions that could streamline the review of routine or simple Certified Survey Maps.

Staff Report to Common Council

To: Clintonville Common Council

From: Diane Rowe, Interim Administrator

Date: July 14

Subject: Chapter 19 – Subdivision and Platting

Background

The City is currently in the process of reviewing and updating portions of its Municipal Code, including Chapter 19 – Subdivision and Platting. As part of that effort, staff reviewed both the current ordinance and the proposed draft revisions to better understand the City's required review procedures for land divisions and Certified Survey Maps (CSMs).

This review was prompted by several recent Certified Survey Map (CSM) applications. During the review of those applications, staff found that there is some uncertainty regarding the City's established review and approval process for Certified Survey Maps.

Findings

The draft update primarily modernized statutory citations, administrative code references, and agency names. It retains the ordinance's existing approval procedures, design standards, and improvement requirements.

1. Reference to obsolete state department

Section 19.06(11): *"The final plat shall be recorded with the County Register of Deeds only after the certificates of the Director of the Planning Function in the **Wisconsin Department of Development**...."*

2. 2025 Wisconsin Act 68 compliance:

- a. **Requiring improvements:** Act 68 prohibits municipalities from requiring installation or acceptance of public improvements as a condition of plat submission, review, approval, or recording, and instead authorizes the use of development agreements and financial security. Sections 19.04(5)(g) and 19.04(6)(d) should be reviewed and revised for consistency with the new statutory requirements, while Section 19.07(5) relating to Certified Survey Maps should be evaluated to determine whether similar changes are warranted even though Act 68 expressly addresses subdivision plats rather than certified survey maps.
- b. **Pre-submission conceptual review:** Act 68 created a new statutory concept requiring municipalities to provide an opportunity for a nonbinding pre-submission conceptual review before plat submission. The ordinance's preapplication section predates that language and should be revised to mirror the new statute.

3. Certified Survey Maps:

- a. Burdensome standards: 19.07(1) requires minor land divisions to comply with the same standards as subdivisions. There is no ability to streamline for CSMs that create buildable lots on existing streets, lot line adjustments, simple boundary corrections, minor land divisions that do not require new public infrastructure.
- b. Burdensome/slow approval process: same process for approvals as a subdivision. The City may want to consider allowing administrative approval for low-impact CSMs.

4. Antiquated references to surveyors and developers as “he”

- 19.02(6): “...regarding such unsuitability if **he** so desires.”
- 19.03(39): “... by the owner thereof or **his** agent...”
- 19.04(1): “...otherwise assist the subdivider in planning **his** development.”
- 19.04(6)(a): “...the subdivider shall indicate which one in **his** application.”
- 19.05(6): “...that **he** has fully complied with the provisions of this chapter.”
- 19.06(10): “...surveyor shall certify on the face of the map that **he** has fully...”

Staff Recommendation: Staff recommends that revisions be prepared to address the obsolete reference to the Wisconsin Department of Development and to ensure compliance with 2025 Wisconsin Act 68, including updates to provisions relating to public improvement requirements and pre-submission conceptual review.

Policy Discussion: Staff is also requesting Council direction regarding whether the existing Certified Survey Map review process should be maintained or whether additional amendments should be explored to streamline the review of routine or low-impact Certified Survey Maps.

Re: Waiver of Conflicts of Interest

Dear Attorney Steckbauer,

This letter is in regard to the Clintonville Area Ambulance Service (the “Ambulance Service”) considering engaging von Briesen & Roper, s.c. to assist them with regard to the City of Clintonville (“Clintonville”) voting to withdraw their membership in the Ambulance Service. As you know, our firm also represents Clintonville on other employment matters and unrelated to the work regarding the Ambulance Service. In addition, our Firm does represent the Clintonville Area Ambulance Service itself. The scope of work includes providing general legal advisement and assistance with negotiations regarding the organization, administration, funding, and provisions of ambulance service operations for the Clintonville Area Ambulance Service (“Scope of Work”).

While the scope of work is different for the services typically provided to Clintonville, this situation presents a conflict of interest or potential conflict of interest given von Briesen & Roper, s.c.’s current and/or past representation of Clintonville in other matters. Nevertheless, we believe that we could represent each of the entities if the City of Clintonville was to consent to such representation and waive the existing and/or potential conflicts. We believe that our representation will not compromise our relationship with Clintonville and that we will be able to continue to provide competent and diligent representation to all clients on those unrelated matters.

Pursuant to the Wisconsin Rules of Professional Responsibility, a law firm is required to obtain informed client consent where the representation of a client would be adverse to another current client, even if the representations are on unrelated matters. The primary reason for obtaining this client consent is that no client should have to be concerned that its lawyers may have divided loyalties or that its confidential information might be used against it. In asking for this consent, we assure you that von Briesen & Roper, s.c. will not use client information obtained in representation of one client against another and that our representation of Clintonville will not be affected in any other respect.

In addition, we do not believe there is any material risk that our representation of the Ambulance Service with respect to the Scope of Work will adversely affect our representation of Clintonville in unrelated matters. Based on the above, we believe it is appropriate to request a limited waiver of the conflicts of interest in this matter.

By executing this conflict waiver letter, the City of Clintonville agrees that we may represent Clintonville Area Ambulance Service with respect to the Scope of Work. If Clintonville agrees to waive the conflicts referenced above, please have an appropriate representative of the City sign the acknowledgement below and print their name and title, and then please return the signed waiver to me as soon as possible.

Thank you for considering this request.

Very truly yours,

von BRIESEN & ROPER, s.c.

A handwritten signature in black ink, appearing to read "Patrick J. Leigl", written over a horizontal line.

Patrick J. Leigl

PJL:erk

ACKNOWLEDGEMENT AND CONSENT

The City of Clintonville hereby waives any and all conflicts of interest which may now exist, or which may arise in the future, concerning von Briesen's representation of the Clintonville Area Ambulance Service in relation to the City of Clintonville withdrawing their membership and in providing general legal advisement and assistance with negotiations regarding the organization, administration, funding, and provisions of ambulance service operations for the Clintonville Area Ambulance Service. The City of Clintonville consents to von Briesen's representation of the Clintonville Ambulance Service in such matter. This means that no matter what adversity exists or may develop between the City of Clintonville and the Clintonville Area Ambulance Service relating to such matter, the City of Clintonville will not seek, nor will it be able to, disqualify von Briesen from continued representation of the Clintonville Area Ambulance Service in other matters.

Dated this ____ day of _____, 2026.

Meeting Date: July 14, 2026

Subject: Discussion/Possible Action Regarding Site Plan Review Process

Memo:

Attachments:

1. Staff Report to Common Council Regarding Site Plan Review Process

Staff Report to Common Council

To: Clintonville Common Council

From: Diane Rowe, Interim Administrator

Date: July 14

Agenda item: Site Plan Review Process

Relevant code

17.11 SITE RESTRICTIONS

(12) Site Plan Approval. In all districts, except the IP-Industrial Park District (see 17.24 (5), approval of a site plan will be required prior to start of construction of the following: new buildings, except new 1 and 2 family residential dwellings covered under Wisconsin Administrative Code-Uniform Dwelling Code, off street parking areas, and excavation and filling operations which are subject to permit requirements. The intent is that this would not include accessory buildings under 150 square feet. Site plans shall show property lines, street lines, existing and proposed structures, existing and proposed utilities, existing and proposed elevations, and proposed drainage patterns. Parking lot plans shall also show proposed drainage structures, parking stall dimensions and layout, curb-cuts and apron widths, traffic circulation, and grading and landscaping. In the event that existing lot lines cannot be located in accordance with the existing monuments and recorded plat, a plat of survey may also be required. Two copies of the site plan shall be prepared and submitted to the Zoning Administrator for review and approval. One copy of the plan will be returned to the owner after the necessary signatures of the Zoning Administrator and Director of Public Works or designee(s) are obtained.

Background

During review of the recent Creative Converting and Schutt Industries projects, staff sought to identify the City's site plan review process and approval requirements. In the course of those reviews, it became apparent that there was not a shared understanding among City staff regarding how site plan reviews are processed, documented, and approved. Staff found that individual departments had met with applicants and provided comments and requested changes directly to developers; however, those comments were not consistently shared with other reviewing departments. As a result, staff were not always aware of what comments, conditions, or approvals had been communicated by other departments.

In discussions with one of the project developers, staff asked about their understanding of the City's site plan review process. The developer indicated that approvals have historically been communicated verbally and that, to their knowledge, there is no formal written site plan review process. One project developer provided a "City of Clintonville Application for Site Plan Review" that was not familiar to city staff.

These observations prompted a broader review of the City's site plan review procedures, application materials, and ordinance requirements.

Findings

- The application for site plan review provided by the developer exceeds the requirements of the zoning code, some items appear to be from a different municipality (i.e. references to 82.682(f) of the zoning code – Clintonville zoning is Chapter 17), the form uses mandatory language (shall) for standards not supported by code, the application implies specialized technical review that may not occur.
- The current practice does not fully align with the review and approval process described in Section 17.11(12).

Issue

- The apparent absence of documentation presents risk and liability for the City and applicants.
- The inclusion of requirements and standards in the application that are not established in municipal code creates uncertainty regarding which application requirements are enforceable.

Why Staff is Bringing This Forward

This issue is administrative rather than policy and would not normally be brought before the Common Council. However, because the review identified inconsistencies in a required development approval process, staff believes it should be addressed promptly. As Interim Administrator, I also wanted to make the Council aware that changes to the site plan review process may be necessary and will affect how development projects are reviewed moving forward.

Staff is prepared to proceed with developing a documented review process unless directed otherwise.

**EMPLOYMENT AGREEMENT
BETWEEN CRAIG MOSER AND THE CITY OF CLINTONVILLE**

THIS AGREEMENT, made and entered into this 9th day of July 2026, by and between the City of Clintonville, Waupaca, County, Wisconsin, a municipal corporation (the “City”), and Craig Moser (the “Employee” or “City Administrator”), to serve and perform the duties of City Administrator in accordance with the following terms and conditions:

1. **Term.** This Agreement shall be effective upon the commencement of employment, which is Monday, July 20, 2026. This Agreement offer of employment is contingent upon the satisfactory results of a criminal background check. Employee is appointed to an indefinite term subject to termination as set forth in Section 8, below.
2. **Duties of City Administrator.** City Administrator is employed as the City of Clintonville pursuant to City ordinances and shall render their services at the principal business offices of the City. City Administrator has full responsibility and authority as defined by City Ordinance 1.08 Office of the City Administrator and in the job description, both as amended by the Common Council from time to time.

Employee is expected to be physically present and work during the normal office hours of the City. It shall be recognized that the Employee must devote a great deal of time outside normal office hours toward the business of the City and to that end, the Employee will be allowed to take reasonable flexible time off during normal business hours, not on an hour for hour or accrued basis, and with the understanding that use of eligible accrued paid leave is necessary for longer absences. Should there arise significant deviations from the normal office hours, the Council retains the right to determine the reasonableness of such deviations. Employee understands that this is a salaried-exempt position without compensatory time or other additional compensation.

3. **Salary.** During the first calendar year of employment, Employee shall receive a prorated annual salary of \$130,000 from the commencement of employment. After six months of employment and a satisfactory performance review by the Mayor and Common Council, the City Administrator’s salary will be increased to \$135,000 annually. Salary will be paid in equal installments at the same time other City employees are paid. Annually, the City Administrator's salary will be increased upon satisfactory performance review by Employee as determined by the Common Council as set forth in Section 4.
4. **Performance Review.** Employee shall receive an annual performance review conducted by the Common Council with input from the Employee. The first performance review will take place after six months of employment. The review will consist of reviewing and establishing annual goals. The goals and performance objectives shall generally be obtainable within reasonable time limitations specified therein, as well as within the annual operating and capital budgets and appropriations provided by the City, and within the scope of authority of the position. The Common Council shall provide Administrator with a written summary statement of the annual performance evaluation and provide an adequate opportunity for Administrator to discuss their evaluation with the Common Council. The annual evaluation of Employee shall be used to determine merit adjustments in salary as described in Section 3.

5. **Fringe Benefits.** During the Term, City Administrator shall be entitled to such health insurance, vacation, sick leave, holidays and other benefits as are available to City Administrator under the Employer's prevailing policies for non-represented administrative salaried-exempt, full-time employees; provided, however that City Administrator understands that any benefits may be enhanced, changed, eliminated or reduced from time to time during the Term as determined in Employer's sole and absolute discretion. The following provisions shall be applicable to City Administrator in lieu of the Employer's policies in effect at the time of this Agreement:
- a. The City Administrator, for vacation benefit accrual calculation purposes only, shall be credited as having fifteen full years of service, and the vacation benefit shall be determined by the City Personnel Manual based on continuous service. The City Administrator's vacation benefit shall consist of an aggregate of 168 hours (21 days) of vacation prorated in 2026 and in full in 2027, credited on the City Administrator's date of hire and then on City Administrator's first anniversary date. The City Administrator shall communicate vacation schedules in advance and implement a plan to ensure adequate coverage and continuity of City operations during any absence. No compensated vacation time shall be taken by the City Administrator within the first 45 days of employment.
 - b. City Administrator will accrue sick leave in accordance with Personnel Manual.
6. **Professional Development and Memberships.** Professional development is encouraged and funding for the City Administrator to attend professional and educational conferences and training programs related to his professional responsibilities shall be determined during the annual budget process as approved by Council. The City shall budget and pay annual membership fees for the International City/County Management Association (ICMA), Wisconsin City/County Management Association (WCMA), and League of Wisconsin Municipalities (League). The City shall pay for registration and attendance at professional and continuing education conferences as funded in the City's annual operating budget, including attendance at conferences held by WCMA, ICMA, and the League.
7. **Technology.** The City shall provide Employee with a cell phone and laptop for business use only.
8. **Termination.** This Agreement and City Administrator's employment may be terminated as follows:
- a. **Resignation or Retirement.** In the event the Employee resigns or retires from his employment with the City, he shall give the Common Council at least forty-five (45) days of written notice of such resignation, unless otherwise approved by the Common Council. Upon resignation or retirement, Employee will be eligible to receive accrued vacation time and sick time in accordance with the personnel manual.
 - b. **Termination for Cause.** The Council may terminate this Agreement and City

Administrator's employment and appointment for cause. Cause shall mean inefficiency, neglect of duty, malfeasance, misfeasance, willful misconduct, incompetence, violation of rules of conduct or policies of the City, and any other conduct or failure to act that the Common Council deems contrary to the best interests of the City. The City Administrator may be terminated immediately upon written notice. Prior to termination for cause, the Council will afford to Administrator this mutually agreed upon due process identified herein affording the Administrator the opportunity to meet with the Council on a date set by the City after issuing written notice to the Administrator, for the Administrator to present evidence and testimony for the Council to consider and to respond to evidence presented against the Administrator, and for the Council to then render a decision. If the City Administrator is terminated for cause, then such notice shall be provided in writing and the City Administrator shall not be entitled to severance compensation or any other post-employment compensation or benefits unless specifically required by law. The Council action to terminate for cause requires an affirmative two-thirds (2/3rd) vote of all the members of the Council.

- c. **Termination without Cause.** The Council may terminate this Agreement and the Administrator's employment and appointment without cause. In such event, the City Administrator shall receive written notice of termination from the Common Council. Termination without cause shall require the affirmative vote of two-thirds (2/3rd) of all members of the Council. In the event of termination without cause, the Employee shall be entitled to severance compensation equal to four (4) months of paid compensation if termination occurs within the first two (2) years of employment, and six (6) months thereafter.

During any time that payments are due as severance compensation severance compensation, it shall be paid at the City Administrator's current salary payable at the time of normal City pay periods and shall be deemed a consulting fee as an independent contractor. This consulting fee and services associated therewith shall cease upon the Employee becoming re-employed or at the end of the aforementioned four- or six-month period of notice and/or severance compensation whichever occurs first.

- d. **Termination Upon Death.** This Agreement will terminate upon the death of the City Administrator. All obligations of the City under this Agreement shall immediately end on the date of death. Any amounts earned and owed to City Administrator shall be given to his estate.
9. **Miscellaneous.** The parties hereby irrevocably acknowledge that each of them has read and fully understands the terms and conditions of this Agreement and have freely and voluntarily entered into the same. Prior to signing this Agreement, City Administrator had the opportunity to consult with an attorney of City Administrator's choice. The language used in this Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall apply against either party. No modification, amendment or waiver of any provision of this Agreement shall be effective unless approved in writing by both parties. The failure of either party at any time to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of any such

provisions. This employment agreement is in addition to the conditions of employment defined in the City of Clintonville Ordinance Section 1.08 Office of the City Administrator, and nothing in this agreement shall contravene that ordinance. All questions concerning the construction, validity and interpretation of this Agreement shall be governed by the laws of the State of Wisconsin. Any and all legal proceedings concerning this Agreement shall be commenced, remained and decided by Waupaca County Circuit Court in Waupaca County, Wisconsin, without a jury. If any provision, sentence, paragraph or subparagraph of this Agreement is adjudged by any court of law to be void or unenforceable in whole or in part, such adjudication shall not be deemed to affect the validity of the remainder of this Agreement, including any other provision, sentence, paragraph or subparagraph. Any notices to be sent under this Agreement shall be sent to the Clerk-Treasurer, Mayor and Council President, if to the City, by certified mail and to the City Administrator at City Administrator's address on file with the City by certified mail, hand delivery, or by email.

Approved by the City of Clintonville Common Council on this _____ day of _____ 2026.

Jeannie Schley, Mayor

Peggy Johnson, Clerk-Treasurer

Clintonville, WI 54929

**Re: Dam Embankment Repair Submittal
Engineering Services Proposal**

Dear Mr. Mc Auly:

Please consider this transmittal a formal proposal for Kunkel Engineering Group to provide Engineering Services for the upper embankment repair, on the south side of the dam, on Pigeon Lake. The scope of work for this project shall include the preparation of a project narrative, embankment repair detail or cross section, and specifications for submittal to Wisconsin Department of Natural Resources (WDNR). It is my understanding that the WDNR is requiring this submittal of information, prior to the City staff making the necessary repairs.

Therefore, Kunkel Engineering Group herein proposes to undertake Engineering Services for the Dam Embankment Repair Submittal for a *maximum not to exceed fee of \$1,980.00* as detailed on Attachment "A", Scope of Services, which accompanies this proposal. The proposal is intended to be comprehensive and incorporate all elements necessary to satisfy the requirements that the WDNR had provided to the City.

Justin, we sincerely appreciate the opportunity to submit this proposal and to assist the City of Clintonville with this important project. Thank you for your consideration. Should you or members of the Common Council have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

KUNKEL ENGINEERING GROUP

ACCEPTED:

Name and Title

Date

City of Clintonville
Dam Embankment Repair Submittal
Engineering Services

**Attachment “A”
Scope of Services**

Submittal Preparation

A. Prepare Project Narrative

1. Outline Existing Conditions/Issues
2. Outline Required Repairs
3. Outline Schedule to Complete Repairs

B. Prepare Detail/Cross Section for Repair

1. Prepare Plan Sheet Showing the Following:
 - a. Excavation & Compaction of Subgrade of Embankment
 - b. Backfilling of Any Sinkholes
 - c. Installation of Fabric
 - d. Installation of Rip-Rap
 - e. Any Required Restoration

C. Specification Preparation

1. Backfill Material
2. Geo-textile Fabric
3. Rip-Rap Material to Be Installed
4. Restoration of Adjacent Areas

D. Submittal to WDNR on Behalf of City

COST OF SERVICE - \$1,980.00

Notes:

1. Construction inspection services are not included as part of this proposal.
2. Services described herein are intended to be comprehensive. Should the City of Clintonville require more or fewer services than described, costs and adjustments will be negotiated.
3. The costs for soil borings, foundation inspection, materials testing, and analysis will be invoiced directly to the owner as a separate contract with a selected firm.
4. Costs associated with Kunkel Engineering Group services for boundary surveys or environmental remediation is not included within the context of this proposal.

Office of the Public Works Director

Memorandum

99 E. Morning Glory Dr.
Clintonville, WI 54929
(715) 823-2005
jmcauly@clintonvillewi.gov

June 26th, 2026

During the April flooding the Department of Public Works experienced some washouts occurring at our dam embankment. After meeting with a couple WIDNR representatives for our region and later confirming with our Water Reg/Zoning Engineer, the conclusion was to have an engineer draft a plan and report and submit it to the WIDNR.

The WIDNR Water Reg/Zoning Engineer for our region said upon investigating the area in question, if there doesn't appear to be a larger issue, the City could move forward with repairing (grading as needed with any fill brought in, rock with bedding stone or fabric as needed). The engineer is to submit the results of the investigation and plan moving forward via email.

This brings us to the agenda item for discussion/possible approval. We are looking to review and approve the proposal for Dam Embankment Repair Submittal Engineering Services. The City is currently working with Kunkel Engineering for (3) larger projects in Clintonville this year and with our familiarity with the firm and their presence in our City in 2026, I recommend that we hire them to prepare the Dam Embankment Repair Submittal Engineering Service Proposal.

This project is important for the future of the Dam Embankment ensuring that we can help prevent any future issues with the Dam Embankment failing.

Possible Recommendation:

I recommend to Finance and Insurance excepting the Dam Embankment Repair Submittal Engineering Services proposal from Kunkel Engineering, not to exceed \$1,980 and coming from Capital TBD funds.

Respectfully,

A handwritten signature in black ink, appearing to be 'J. McAuly'.

Justin Mc Auly, Director of Public Works

Memo

To: Public Works Committee

From: Justin Mc Auly, Director of Public Works

Date: 06/23/2026

Re: Discussion/Possible Action Regarding Aqua Park Lifetime Membership

I would recommend that we move forward with presenting Cheryl Kasuboski with a lifetime membership to the Aqua Park for her generous donations over the years to the facility. This membership would allow Cheryl to enter the Aqua Park for Free whenever the facility is open to the public.

Cheryl has donated the money for a majority of the inflatables that you see at the Aqua Park along with sponsoring two Sundays in 2025 for patrons to swim for free.

This kind gesture would show our appreciation for the donations she has given the City to make the facility a better place.

Possible Recommendation:

I recommend to Finance/Insurance presenting Cheryl Kasuboski with a lifetime membership to the Clintonville Aqua Park.

If you have any questions, please contact me at (715) 823-2005 or e-mail at jmcauly@clintonvillewi.gov.

Respectfully,

Justin Mc Auly
Director of Public Works
City of Clintonville

Memo

To: Finance/Common Council
From: Justin Mc Auly, Director of Public Works
Date: 7.8..2026
Re: Discussion/Possible Action Regarding Riverwalk Fencing Project

During the April Flooding this year we lost about 80'+ of galvanized chain link fencing that was secured to the concrete retaining wall from the pedestrian bridge to the black decorative fencing north of the Community Center along the Pigeon River.

The department secured two proposals to replace the fencing with a black coated chain link fence which will match the black decorative fence a bit better than straight up galvanize chain link.

Frontline Fence, LLC., Shawano, WI = \$4,859.55

American Fence Company, Plover, WI = \$3,830.00

Possible recommendation:

I recommend to the Common Council to hire American Fence Company to install fencing at the Riverwalk not to exceed \$3,830.00 coming from 2026 operational funds.

If you have any questions, please contact me at (715) 823-2005 or e-mail at jmcauly@clintonvillewi.gov.

Respectfully,

Justin Mc Auly
Director of Public Works

Payment Terms: \$2,429.77 Due To Schedule Project; \$2,429.77 Due Upon Project Completion.

THANK YOU FOR YOUR BUSINESS

PLEASE NOTE: It is the sole responsibility of the Land Owner to obtain necessary zoning, fence, and building permits. There may be local zoning or deed restrictions pertaining to height and type of fence and/or gates. Check out property line setback requirements. Find survey pins if the fence is to be located near property lines or have the lot surveyed. Frontline Fence LLC is not liable for costs associated with a fence that was erected on property not legally owned by the customer; including removal, replacement, and legal fees.

Public, Municipal, and Private Underground Utilities MUST be marked prior to fence installation. Be advised, Digger's Hotline (811) will not mark private utilities such as septic systems, sprinkler lines, drain tile, and private gas lines, etc.. Frontline Fence LLC is not responsible for damage to unmarked utilities or underground property.

This estimate is valid for 15 days after the date above.

Detail Plan

1 - 1

2 - 1

3 - 1

Frontline Fence LLC

Terms & Conditions

- Frontline Fence LLC agrees to guarantee the above fence installation to be free from defects in materials and workmanship for a period of 1 calendar year beginning at the date of final completion. Manufacturer warranties will be specified based on the materials selected for this project.
- To be included in our installation schedule, the customer must return a signed copy of this contract/checklist along with any required deposit.
- Frontline Fence LLC may advise the customer regarding local zoning regulations; however, the customer is solely responsible for obtaining required permits and ensuring compliance with local codes, setbacks, easements, HOA requirements, and property line regulations.
- Frontline Fence LLC will assist the customer in determining fence placement if requested, but assumes no responsibility for property line accuracy. If property markers cannot be located, it is recommended the customer obtain a professional survey prior to installation. Customer will be given the opportunity to verify location of fence installation before installation begins. After construction has begun, customer may incur additional costs for labor and/or material for fence relocation or changes made to the placement of the fence.
- Frontline Fence LLC will contact Digger's Hotline for public utility locating. The customer is responsible for identifying and marking all private utilities and underground systems including, but not limited to, sprinkler systems, invisible dog fences, septic systems, private electrical lines, propane lines, pool systems, and landscape lighting. Frontline will not be held responsible for damages to unmarked utilities or systems.
- The quoted price does not include unforeseen conditions such as bedrock, excessive roots, buried debris, concrete, private utility conflicts, or other obstacles requiring excessive hand digging, coring, or specialized equipment. Additional labor and material charges may apply if such conditions are encountered.
- Final billing may be adjusted based on actual footage installed, material usage, site conditions, customer-requested changes, or additional work performed outside the original proposal. The full amount of this contract along with any additional charges will become payable upon completion of all work.
- Payment in full is due upon completion unless otherwise agreed to in writing. Any unpaid balances may be subject to finance charges and collection costs. Warranty coverage may be void if payment is not received in full.
- If customer pays via credit card they agree to not dispute the transaction with their bank or credit card company; as long as the transactions correspond to the terms indicated in their order. A 3% service fee will be added to any credit card transaction.
- A finance charge of 1.5% per month (or a minimum of \$1.00), which is an annual percentage rate of 18%, shall be applied to accounts that are not paid within 5 business days after completion of any work invoiced.
- The customer agrees to pay all interest and any costs incurred in the collection of this debt.
- All materials remain the property of Frontline Fence LLC until payment has been made in full.
- Frontline Fence LLC is not responsible for damage caused by vandalism, negligence, shifting soil, frost, washouts, weather events, acts of God, or the natural aging characteristics of wood materials.

Cancellation Policy

The customer has three (3) business days after signing this agreement to cancel the project and receive a full refund of any deposit paid, unless special-order materials have already been purchased. Deposits may be forfeited for cancellations occurring after the cancellation period.

Customer Signature: _____ Date: _____

Frontline Fence LLC Customer Checklist

Please check/x/initial the following items to acknowledge understanding before installation can begin:

- ___ Check with your local municipality regarding permits, fence height restrictions, setbacks, and code requirements. If a building permit is required, it is the customer's responsibility to obtain.
- ___ Ensure the fence line is clear of obstacles including trees, brush, trailers, equipment, and debris. 3' of clearance is required on each side of fence to be installed.
- ___ Frontline Fence LLC will call Digger's Hotline to mark all Public Utilities where the fence is to be installed; It is the customer's responsibility to mark all private/personal lines not already marked by Digger's Hotline.
- ___ Mark all sprinkler systems, invisible dog fences, private electrical lines, propane lines, septic systems, and other underground utilities.
- ___ Identify all property markers prior to installation. Changes to the agreed fence layout may affect pricing.
- ___ Notify Frontline Fence LLC of any future landscaping, pool installation, concrete work, or grading that may affect scheduling or installation. If grass is to be planted; customer understands that this should be done after the fence is installed. Frontline Fence LLC will not be responsible for damage to fresh grass or sod.
- ___ Understand that sod, seed, irrigation, and landscaping may be disturbed during installation.
- ___ Acknowledge that special-order materials may be non-refundable.
- ___ I agree with the color and style of material listed on proposal/estimate.
- ___ Understand that final payment is due upon completion of the project.
- ___ Understand that rescheduling or project delays caused by customer readiness issues may result in additional charges.
- ___ Acknowledge the three (3) day cancellation period described in this agreement.

I have read and fully understand Frontline Fence LLC's proposal, contract terms, and checklist responsibilities.

Proposal Accepted by: _____

Prices are valid through: 7/31/26

Customer Purchase Order#: _____
(for business use)

- 1) Customer hereby assumes full responsibility for the location of the line upon which said fence materials are to be installed.
- 2) Private lines not marked by Diggers Hotline such as electric, LP gas, sprinklers, underground cables or pipes are the customers responsibility to locate.
- 3) Customer agrees to remove existing old fences and shrubs and dispose of spoils unless otherwise specified.
- 4) Customer is responsible for building permits if necessary.
- 5) More or less material other than the amount contracted for will be debited or credited at current rates.
- 6) American Fence Company reserves the right to make additional charges to the customer in the event of unusual ground conditions (such as rock formation) that impede the installation. Additional charges shall be based on actual additional labor required to complete installation under the circumstances.
- 7) All accounts are payable in full within ten (10) days of the date of the invoice. 1.5% per month (18% per year) late fee will be assessed on past due accounts.
- 8) Customer agrees to pay all costs of collection incurred by American Fence Company before and after judgment, including reasonable attorney fees. All parties agree that if collection action becomes necessary, all collections will be filed in Winnebago County, Wisconsin.
- 9) As required by the Wisconsin construction lien law, builder hereby notifies owner that persons or companies furnishing labor or materials for the construction on owner's land may have lien rights on owner's land and building if not paid. Those entitled to lien rights, in addition to the above signed builder, are those who contract directly with the owner or those who give the owner notice within 60 days after they first furnish labor or materials for the construction. Accordingly, owner probably will receive notices from those who furnish labor or materials for the construction, and should give a copy of each notice received to the mortgage lender, if any. Builder agrees to cooperate with the owner and the owner's lender, if any, to see that all potential lien claimants are duly paid.
- 10) Quotes are valid for 30 days unless otherwise specified.
- 11) Owner consents to American Fence Company personnel taking photos of work in-progress and finished work for marketing purposes.
- 12) Credit card payments exceeding \$2,500.00 will be subjected to a 2% convenience fee per sale. Credit card fees are non-refundable.

Memo

To: Honorable Mayor/Common Council
From: Justin Mc Auly, Director of Public Works
Date: 7/8/2026
Re: D/PA Regarding Emergency Generator Agreement

The City has budgeted for planned maintenance for a majority of our emergency generators. Next year starts the new 5-year cycle for planned maintenance. We received two proposals for the service.

Both companies have serviced our emergency generators in the past. There is Cummins Sales and Service and Total Energy Systems.

Please refer to the spreadsheet on the following page. I would recommend that we sign the planned maintenance agreement with Total Energy Systems for a total of \$23,420.00 over the course of 5-years, coming out of operational funds. The emergency generators are for Public Works and Utilities.

If you have any questions, please contact me at (715) 823-2005 or e-mail at jmcauly@clintonvillewi.gov.

Respectfully,

Justin Mc Auly
Director of Public Works
City of Clintonville

Planned Maintenance Agreement

Estimate Number: 0218-A-26

Estimate Date: Mar 25, 2026

Total Energy Systems, LLC is pleased to submit the following generator maintenance program. We understand that our customers have different maintenance needs. With that in mind we have developed a few basic maintenance plans which can be altered to fit your requirements.

- **Annual Service:** We will visit the site one time per year. During the visit we will replace all applicable oil and fuel filters and complete a three page maintenance checklist which includes visual inspections, functional testing, and securing connections on the generator and transfer switch.
- **Semi Annual Service:** We will visit the site two times per year. Each time we will complete the maintenance checklist described in the Annual Service. On one of the visits we will replace the engine oil and filters along with replacing the fuel filters when applicable.
- **Fluid Sampling Adder:** Fuel, oil and coolant fluid sample analysis is a best practice within the generator service industry and will likely detect any potential internal system issues that are unable to be caught on a visual inspection. Sample analysis reports are sent directly to the customer from our lab.
- **Custom Service:** Total Energy Systems has the ability to work with all of our customers to fit there needs. We can visit sites annually, semi-annually, quarterly, monthly etc. With the ability to adapt we can meet your service requirements.
- **Load Bank Testing:** Load banking is the only true way to exercise the entire generator. Standard exercising, or starting the unit and running the engine with no load transfer, exercises only the engine. JCAHO and NFPA 110 mandates load bank testing (specific conditions apply). The load bank testing excludes travel charges and will be completed during a scheduled Planned Maintenance visit.

PLANNED MAINTENANCE AGREEMENT

This planned maintenance agreement is entered into by **TOTAL ENERGY SYSTEMS** of Green Bay / Milwaukee, Wisconsin and the Generator Set owner named below for the purpose of maintaining the standby generator set(s) and associated equipment listed below, and to minimize the necessity of emergency attention, thus assuring efficient upkeep practices by trained technical personnel at a minimum cost.

After each planned maintenance inspection, a checklist will be submitted to the owner, advising that the work has been performed and indicating what additional parts and labor are required, if any. For this purpose, any parts and/or labor required not specifically included on the attached checklist, will be charged to the generator set owner at regular rates then in effect.

It is understood that this agreement does not include any parts, labor, or travel expenses to repair damage caused by abuse, neglect, accident, theft, acts of a third person, forces of nature, or altering the equipment. This agreement does not include any major engine failure or generator overhaul. This will be negotiated under a separate purchase order. **TOTAL ENERGY SYSTEMS** shall not be responsible for failure to render the service for causes beyond its control, including strikes and labor disputes. This agreement is not assignable without the consent of **TOTAL ENERGY SYSTEMS** and will remain in force until cancelled by either party through written notice to the other.

TOTAL ENERGY SYSTEMS shall have no responsibility to the owner for special consequential damages, including loss of time, injury to person or property or any other consequential damage or incidental or economic loss. All other warranties, expressed and implied, including merchantability and fitness for a particular purpose, are hereby waived, disclaimed and excluded.

Please indicate the service(s) you would like Total Energy Systems, LLC to perform:

- | | |
|--|---|
| ☐ Annual Maintenance | ☐ Two Hour Load Bank Test |
| ☐ Semi Annual Maintenance | ☐ Four Hour Load Bank Test |
| ☐ Quarterly Maintenance | ☐ NFPA 110 2/2/4 Hour Load Bank Test |
| ☐ Generator Monitoring | ☐ Temporary Power during Maintenance |
| ☐ Fuel Polishing | ☐ ATS Maintenance |
| ☐ Thermal Imaging | ☐ Battery Replacement W/ PM Every 3 rd Year |

Please indicate the month you would like the Maintenance work completed: _____

Please indicate the length of the agreement you would like: _____ Year(s) or ☐ T&M (Market Price)

IT IS MUTUALLY UNDERSTOOD THAT THIS PROPOSAL SETS FORTH OUR ENTIRE AGREEMENT

Customer pre-authorizes Total Energy Systems to perform additional service work on each visit (if required) as long as said work does not exceed \$ _____. (use 0.00 if not authorizing) Authorized initials: _____. If additional work will exceed the maximum as stated, an estimate for additional work will be generated and should be forwarded to: (Name, Address, Email)

Planned Equipment Maintenance Proposal to City of Clintonville

To the attention of: City of Clintonville

Cummins provides best in class products and related services worldwide with the highest quality in the industry. We service more than Cummins engines and generators, and we're pleased to offer you the following planned equipment maintenance proposal.

Cummins Available Planned Maintenance Services:

Cummins offers the following services - based on your selected packages these may or may not be included:

System Inspections: Batteries, controls, fuel systems, cooling systems, intake and exhaust systems, controls and accessories, aftertreatment basic run testing included in all Inspection Services.

Oil & Coolant Analysis: Sampling, included in all Inspection + Services, provides an overall snapshot of the equipment condition.

Planned Maintenance: Clean filters and oil changes included in Full Service keeps your product ready to run.

Load Bank Testing: Prevents wet stacking in diesel engines. In all units load bank testing applies controlled load to the equipment to test for proper operation providing peace of mind.

Transfer Switch & Switchgear: Cummins takes care of your whole system.

Cummins Branded Parts: Maintenance always includes Cummins Genuine Parts where applicable.

Warranty: Best-in-Industry warranty is always included, with a variety of extended warranty options available on Cummins equipment.

Digital Monitoring: Cummins offers remote monitoring solutions for your products to ensure availability and minimize unexpected costs.

Additional Available Services: Winterization, oil extension programs, training and more can all be customized to your needs.

For additional information regarding Cummins available products and services, please contact your Sales Representative.

Pricing for Services:

This 5 year proposal has been customized for your equipment and operations as described here:

Notes:

Anything not specifically addressed above is not included.

Customer Responsibilities:

The Customer is responsible for operating the maintained equipment and shall perform all checks as described in the Operation and Maintenance Manual.

Proposal Considerations:

1. All work is planned from Monday to Friday on normal Business working hours – 8:00am to 5:00pm. Additional and off-hours work and billable amounts not listed in the above scope of work shall be based on current calendar year rates.
2. All pricing above is stated excluding any and all taxes.
3. This quotation is open for acceptance for 60 days after which both price and service delivery period will be subject to confirmation prior to acceptance of proposal.
4. This quotation assumes a 3.00% rate increase will be applied each year.
5. This proposal is offered in U.S. Dollar.
6. Payment terms for this quote are Pay as you go.
7. Payments made by credit card will be subject to a 3% surcharge except where prohibited by law.

This maintenance proposal is expressly conditioned upon acceptance of the <https://www.cummins.com/regional-terms-and-conditions/powercare> of Cummins' Maintenance Agreement.

I appreciate your interest in working with Cummins and I thank you for your business. If you need any further assistance or clarification, please do not hesitate to contact me.

To accept this quotation as provided, please return a signed copy of this form or contact me for an electronically signable version.

Sincerely,

Michael Obermann
Senior PEM Sales Executive - PG
mg270@cummins.com
www.cummins.com

Please return signed agreement to: mg270@cummins.com

Seller hereby agrees to sell to Buyer, and Buyer hereby agrees to buy from Seller. The foregoing product/ services upon the terms and condition set forth in the "Planned Equipment Maintenance Agreement Terms and Conditions" attached here to which are hereby incorporated here in reference.

Planned Equipment Maintenance

INSPECTION

INTERVALS AVAILABLE: WEEKLY, MONTHLY, QUARTERLY, SEMI-ANNUALLY OR ANNUALLY

BATTERIES AND BATTERY CHARGER

- Visually inspect battery terminal connections
- Verify electrolyte level, vent caps of all cells in the starting battery system
- Visually inspect wiring, connections and insulation
- Record battery charging functions
- Record battery information
- Record battery condition test

FUEL SYSTEM

- Visually inspect ignition system (Natural Gas and Propane Only)
- Record primary tank fuel level
- Inspect engine fuel system for leaks
- Visually inspect all engine fuel hoses, clamps, pipes, components and fittings
- Visually inspect rupture/ containment basin
- Inspect day tank and controls (if applicable)
- Optional - fuel sample for laboratory analysis*

COOLING SYSTEM

- Record coolant level
- Visually inspect for coolant leaks
- Visually inspect drive belts condition
- Verify for proper coolant heater operation
- Record jacket water temperature
- Visually inspect fan, water pump, drives and pulleys
- Visually inspect all coolant hoses, clamps and connections
- Visually inspect radiator condition
- Visually inspect louver for damage
- Visually inspect fan hub and drive pulley for mechanical damage
- Record freeze point of antifreeze protection
- Record DCA level prior to changing coolant filter
- Optional - Coolant sample for laboratory analysis*

LUBRICATION SYSTEM

- Visually inspect engine oil leaks
- Visually inspect engine oil lines and connections
- Record oil level
- Optional - Oil sample for laboratory analysis*

GENSET CONTROLS AND ACCESSORIES

- Visually inspect all engine mounted wiring, senders and devices
- Visually inspect all control mounted components and wiring
- Verify all connecting plugs are tightened and in a good condition
- Visually inspect all accessory components and wiring
- Visually inspect and test lighting indicators

INTAKE AND EXHAUST SYSTEMS

- Visually inspect air filter and housing
- Visually inspect all engine piping and connections
- Record air cleaner restriction
- Visually inspect engine exhaust system for leaks
- Visually inspect rain cap
- Optional – Air filter replacement*
- Optional - Clean crankcase breather or replace filters*

GENERAL CONDITIONS

- Visually inspect governor linkage and oil level
- Visually inspect guards
- Visually inspect enclosure
- Visually inspect engine and generator mounts
- Verify emergency stop operation

TRANSFER SWITCH

- Visually inspect controls and time delay settings
- Verify function of exercise clock and record settings from controller
- Verify remote start control operation
- Record utility / source one voltage

AFTERTREATMENT (Upon request)

- Verify DEF level
- Record DPF restriction
- Visually inspect aftertreatment and controls

SWITCHGEAR (Upon Request)

- Inspection and Full Service quote available upon request.

FULL SERVICE

INCLUDES INSPECTION

OPERATIONAL & FUNCTIONAL REVIEW OF GENERATOR CRITICAL COMPONENTS

- Inspect engine cooling fan & fan drives for excessive wear or shaft wobble
- Check all pulleys, belt tensioners, slack adjusters & idler pulleys for travel, wear & overall condition
- Inspect / lubricate drive bearings, gear or belt drives, and other shaft connecting hardware

LUBRICATION OIL & FILTRATION SERVICE

- Change engine oil
- Change oil, fuel and water filters
- Post lube services operations of genset (unloaded) at rated temperature

* Additional Charge

Any additional repairs, parts, or service which are required will be brought to the attention of the owner. Repairs will only be made after proper authorization from the owner is given to Cummins. Any additional repairs, maintenance or service performed by Cummins or a Planned Equipment Maintenance Agreement holder will be at current Cummins labor rates.

Arc flash boundary and available incident energy shall be identified and marked on equipment being serviced or maintained.

PLANNED MAINTENANCE AGREEMENT TERMS AND CONDITIONS

These planned maintenance agreement terms and conditions ("Terms and Conditions"), together with the quote on the front side ("Quote") and the scope of services, are hereinafter collectively referred to as this "Agreement" and shall constitute the entire agreement between the customer identified in the Quote ("Customer") and Cummins Inc. ("Cummins") and supersede any previous agreement or understanding (oral or written) between the parties with respect to the subject matter of this Agreement. Customer shall be deemed to have made an unqualified acceptance of these Terms and Conditions and it shall become a binding agreement between the parties on the earliest of the following to occur: (i) Cummins' receipt of Customer's purchase order or purchase order number; (ii) Customer's signing or acknowledgment of this Agreement; (iii) Cummins' release of Products to production pursuant to Customer's oral or written instruction or direction; (iv) Customer's payment of any amounts due to Cummins; or (v) any other event constituting acceptance under applicable law. No prior inconsistent course of dealing, course of performance, or usage of trade, if any, constitutes a waiver of or serves to explain or interpret this Agreement. Electronic transactions between Customer and Cummins will be solely governed by this Agreement, and any terms and conditions on Customer's website, vendor portal, or other internet site will be null and void and of no legal effect on Cummins. In the event Customer delivers, references, incorporates by reference, or produces any purchase order or document, vendor portal terms, specifications, agreement (whether upstream or otherwise), or any other terms and conditions related thereto, then such specifications, terms, document, or other agreement: (i) shall be null and void and of no legal effect on Cummins, and (ii) this Agreement shall remain the governing terms of the transaction.

1. **SCOPE OF SERVICES; PERFORMANCE OF SERVICES.** Cummins shall perform the maintenance ("Services") on the equipment identified in the Quote ("Equipment") in accordance with the schedule specified in the Quote. The Services include those services defined in the "Service Event" section of the Quote. No additional services or materials are included in this Agreement unless agreed upon by the parties in writing. Unless otherwise indicated in the Quote, Cummins will provide the labor and tools necessary to perform the Services and shall keep Customer's property free from accumulation of waste materials caused by Cummins' operations. Either party may terminate this Agreement with or without cause by providing thirty (30) days' written notice to the other. Unless otherwise agreed by Cummins in writing, this Quote is valid for a maximum period of thirty (30) days from the date appearing on the first page of this Quote ("Quote Validation Period"). At the end of the Quote Validation Period, this Quote will automatically expire unless accepted by Customer prior to the end of the Quote Validation Period. The foregoing notwithstanding, in no event shall this Quote Validation Period be deemed or otherwise considered to be a firm offer period nor to establish an option contract, and Cummins hereby reserves its right to revoke or amend this Quote at any time prior to Customer's acceptance.

2. **CUSTOMER OBLIGATIONS.** Customer shall provide Cummins safe access to Customer's site and arrange for all related services and utilities necessary for Cummins to perform the Services. During the performance of the Services, Customer shall fully and completely secure all or any part of any facility where the Equipment is located to remove and mitigate any and all safety issues and risks, including but not limited to facility occupants, customers, invitees, or any third party and or property damage or work interruption arising out of the Services. Customer shall make all necessary arrangement to address and mitigate the consequences of any electrical service interruption which might occur during the Services. CUSTOMER IS RESPONSIBLE FOR OPERATING AND MAINTAINING THE EQUIPMENT IN ACCORDANCE WITH THE OWNER'S MANUAL FOR THE EQUIPMENT.

3. **PAYMENT TERMS.** Unless otherwise agreed to by the parties in writing and subject to credit approval by Cummins, payments are due thirty (30) days from the date of the invoice. If Customer does not have approved credit with Cummins, as solely determined by Cummins, payments are due in advance or at the time of supply of the Services. If payment is not received when due, in addition to any rights Cummins may have at law, Cummins may charge Customer eighteen percent (18%) interest annually on late payments, or the maximum amount allowed by law. Customer agrees to pay all Cummins' costs and expenses (including all reasonable attorneys' fees) related to Cummins' enforcement and collection of unpaid invoices, or any other enforcement of this Agreement by Cummins. All sales are subject to Customer's ongoing credit approval. While Cummins may initially extend Net 30 payment terms upon Cummins' approval of Customer's credit application, Cummins reserves the right to reassess Customer's creditworthiness at any time prior to shipment.

If, in Cummins' sole discretion, Customer's financial condition weakens or otherwise declines, Customer has past due invoices with Cummins, or Cummins otherwise determines that extending credit terms is no longer commercially reasonable, Cummins may, upon notice to Customer, (i) require full or partial payment in advance, (ii) require an alternative form of security satisfactory to Cummins, including but not limited to a letter of credit or payment bond, or (iii) withhold shipment until such payment or security is provided. Cummins shall not be liable for any delays or damages resulting from the enforcement of this provision. Unless otherwise stated, the Quote excludes all applicable local, state, or federal sales and/or use or similar taxes which Cummins is required by applicable laws to collect from Customer and shall be stated on the invoice. If Customer fails to make any payments, in whole or in part, to Cummins when due and payable, and such failure continues for more than thirty (30) calendar days, or less if required by applicable law, then Cummins may, at its sole discretion and without prejudice to any other rights or remedies, suspend its Services upon providing forty-eight (48) hours' written notice to Customer, in which case, the applicable schedule shall be extended for a period of time equal to the suspension period, plus a reasonable ramp up period, and all costs (including default interest) caused by such suspension shall be assumed by Customer.

4. **DELAYS.** Any performance dates indicated in this Agreement are estimated and not guaranteed. Cummins shall not be liable for any delays in performance however occasioned, including any that result directly or indirectly from acts of Customer or causes beyond Cummins' control, including but not limited to acts of God, accidents, fire, explosions, flood, unusual weather conditions, acts of government authority, civil strife, riots, natural disasters, embargos, wars, strikes or other labor disputes, civil commotion, terrorism, sabotage, late delivery of parts by Cummins' suppliers, fuel or other energy shortages, or an inability to obtain necessary labor, materials, supplies, equipment, or manufacturing facilities. AS A RESULT OF COVID-19 RELATED EFFECTS OR INDUSTRY SUPPLY CHAIN DISRUPTIONS, TEMPORARY DELAYS IN DELIVERY, LABOR OR SERVICES FROM CUMMINS AND ITS SUB-SUPPLIERS OR SUBCONTRACTORS MAY OCCUR. AMONG OTHER FACTORS, CUMMINS' DELIVERY OBLIGATIONS ARE SUBJECT TO CORRECT AND PUNCTUAL SUPPLY FROM OUR SUB-SUPPLIERS OR SUBCONTRACTORS, AND CUMMINS RESERVES THE RIGHT TO MAKE PARTIAL DELIVERIES OR MODIFY ITS LABOR OR SERVICE. WHILE CUMMINS SHALL MAKE EVERY COMMERCIALY REASONABLE EFFORT TO MEET THE DELIVERY, SERVICE OR COMPLETION OBLIGATIONS SET FORTH HEREIN, SUCH DATES ARE SUBJECT TO CHANGE. IN THE EVENT DELIVERY, SHIPPING, INSTALLATION, OR PERFORMANCE IS DELAYED, HOWEVER OCCASIONED, DUE TO EVENTS BEYOND CUMMINS' REASONABLE CONTROL, THEN THE DATE OF DELIVERY, SHIPPING, INSTALLATION, OR PERFORMANCE FOR THE GOODS OR SERVICES SHALL BE EQUITABLY EXTENDED FOR A PERIOD EQUAL TO THE TIME LOST, PLUS REASONABLE RAMP-UP.

5. **WARRANTY.** Cummins shall perform the Services in a reasonable and workmanlike manner. Parts and components supplied under this Agreement are governed by the express written manufacturer's limited warranty. No other warranty for parts or components is provided under this Agreement. All Services shall be free from defects in workmanship for a period of ninety (90) days after completion of Services. In the event of a warrantable defect in workmanship of Services supplied under this Agreement ("Warrantable Defect"), Cummins' obligation shall be solely limited to correcting the Warrantable Defect. Cummins shall correct the Warrantable Defect where (i) such Warrantable Defect becomes apparent to Customer during the warranty period; (ii) Cummins receives written notice of any Warrantable Defect within thirty (30) days following discovery by Customer; and (iii) Cummins has determined that there is a Warrantable Defect. Warrantable Defects remedied under this provision shall be subject to the remaining warranty period of the original warranty of the Services. New parts supplied during the remedy of Warrantable Defects are warranted for the balance of the warranty period still available from the original warranty of such parts. The remedies set forth in this Section 5 shall not be deemed to have failed of their essential purpose so long as Cummins is willing to correct defective Services or refund the purchase price therefor.

6. **LIMITATIONS OF WARRANTIES AND LIABILITY.** THE REMEDIES PROVIDED IN THE LIMITED WARRANTY AND THIS AGREEMENT ARE THE SOLE AND EXCLUSIVE WARRANTIES AND REMEDIES PROVIDED BY CUMMINS TO THE CUSTOMER UNDER THIS AGREEMENT, EXCEPT AS SET OUT IN THE WARRANTY AND THIS AGREEMENT, AND TO THE EXTENT PERMITTED BY LAW, CUMMINS EXPRESSLY DISCLAIMS ALL OTHER REPRESENTATIONS, WARRANTIES, ENDORSEMENTS, AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY STATUTORY OR COMMON LAW IMPLIED REPRESENTATIONS, WARRANTIES AND CONDITIONS OF FITNESS FOR A PURPOSE OR MERCHANTABILITY. NOTWITHSTANDING ANY OTHER TERM OF THIS AGREEMENT, IN NO EVENT SHALL CUMMINS, ITS OFFICERS, DIRECTORS, EMPLOYEES, OR AGENTS BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, LIQUIDATED, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING WITHOUT LIMITATION DOWNTIME, LOSS OF PROFIT OR REVENUE, LOSS OF DATA, LOSS OF OPPORTUNITY, DAMAGE TO GOODWILL, AND DAMAGES CAUSED BY DELAYS), OR IN ANY WAY RELATED TO OR ARISING FROM CUMMINS' SUPPLY OF PARTS OR SERVICES UNDER THIS AGREEMENT. IN NO EVENT SHALL CUMMINS' LIABILITY TO CUSTOMER OR ANY THIRD PARTY CLAIMING DIRECTLY THROUGH CUSTOMER OR ON CUSTOMER'S BEHALF UNDER THIS AGREEMENT EXCEED THE TOTAL COST OF PARTS AND SERVICES SUPPLIED BY CUMMINS UNDER THIS AGREEMENT. BY ACCEPTANCE OF THIS AGREEMENT, CUSTOMER ACKNOWLEDGES CUSTOMER'S SOLE REMEDY AGAINST CUMMINS FOR ANY LOSS SHALL BE THE REMEDY PROVIDED HEREIN.

7. **INDEMNITY.** Customer shall indemnify, defend and hold harmless Cummins from and against any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, brought against or incurred by Cummins related to or arising out of this Agreement or the Services supplied under this Agreement (collectively, the "Claims"), where such Claims were caused or contributed to, in whole or in part, by the acts, omissions, fault or negligence of the Customer. Customer shall present any Claims covered by this indemnity to its insurance carrier unless Cummins directs that the defense will be handled by Cummins' legal counsel at Customer's expense.

8. **TERMINATION FOR DEFAULT.** If the Customer defaults by (i) breaching any term of this Agreement, (ii) becoming insolvent or declared bankrupt, or (iii) making an assignment for the benefit of creditors, Cummins may, upon written notice to Customer, immediately terminate this Agreement. Upon such termination for default, Cummins shall immediately cease any further performance under this Agreement, without further obligation or liability to Customer, and Customer shall pay Cummins for any parts or services supplied under this Agreement, in accordance with the payment terms detailed in Section 3. If a notice of termination for default has been issued and is later determined, for any reason, that the Customer was not in default, the rights and obligations of the parties shall treat the termination as a termination for convenience in accordance with Section 1.

9. **CONFIDENTIALITY.** Each party shall keep confidential any information received from the other that is not generally known to the public and at the time of disclosure, would reasonably be understood by the receiving party to be proprietary or confidential, whether disclosed in oral, written, visual, electronic or other form, and which the receiving party (or agents) learns in connection with this Agreement including, but not limited to: (a) business plans, strategies, sales, projects and analyses; (b) financial information, pricing, and fee structures; (c) business processes, methods and models; (d) employee and supplier information; (e) specifications; and (f) the terms and conditions of this Agreement. Each party shall take necessary steps to ensure compliance with this provision by its employees and agents.

10. **GOVERNING LAW.** This Agreement and all matters arising hereunder shall be governed by, interpreted, and construed in accordance with the laws of the State of Indiana without giving effect to any choice or conflict of law provision. The parties agree that the federal and state courts of the State of Indiana shall have exclusive jurisdiction to settle any dispute or claim arising in connection with this Agreement or any related matter, and hereby waive any right to claim such forum would be inappropriate, including concepts of forum non conveniens.

11. **INSURANCE.** Upon Customer's request, Cummins will provide to Customer a Certificate of Insurance evidencing Cummins' relevant insurance coverage.

12. **ASSIGNMENT.** This Agreement shall be binding on the parties and their successors and assigns. Customer shall not assign this Agreement without the prior written consent of Cummins.

13. **INTELLECTUAL PROPERTY.** Any intellectual property rights created by either party, whether independently or jointly, in the course of the performance of this Agreement or otherwise related to Cummins pre-existing intellectual property or subject matter related thereto, shall be Cummins' property. Customer agrees to assign, and does hereby assign, all right, title, and interest in such intellectual property to Cummins. Any Cummins pre-existing intellectual property shall remain Cummins' property. Nothing in this Agreement shall be deemed to have given Customer a license or any other rights to use any of the intellectual property rights of Cummins.

14. **SPECIALIZED EQUIPMENT & PROCESSES.** During the provision of services, except where prohibited by law, Cummins may utilize specialized processes, methodologies, and hardware including but not limited to QuickFit technology, adapters, quick connection fittings, hoses or other aids to facilitate oil exchange. These are provided as part of the services and at no additional cost to you. By signing this agreement, you acknowledge and consent to the installation and use of such processes, methodologies, and hardware.

15. **MISCELLANEOUS.** Cummins shall be an independent contractor with respect to the Services performed under this Agreement. All notices under this Agreement shall be in writing and be delivered personally, mailed via first class certified or registered mail, or sent by a nationally recognized express courier service to the addresses set forth in the Quote. No amendment of this Agreement shall be valid unless it is written and signed by an authorized representative of the parties hereto. Failure of either party to require performance by the other party of any provision hereof shall in no way affect the right to require such performance at any time thereafter, nor shall the waiver by a party of a breach of any of the provisions hereof constitute a waiver of any succeeding breach. Any provision of this Agreement that is invalid or unenforceable shall not affect the validity or enforceability of the remaining terms hereof. Headings or other subdivisions of this Agreement are inserted for convenience of reference and shall not limit or affect the legal construction of any provision hereof. The Parties' rights, remedies, and obligations under this Agreement which by their nature are intended to continue beyond the termination or cancellation of this Agreement, including but not limited to the Limitation of Liability provision contained herein, shall survive the expiration, termination, or cancellation of this Agreement.

16. **ON-CALL SERVICES.** Upon Customer's request, Cummins shall provide on-call services (repair, emergency work or other) on the Equipment ("On-call Services"). Any On-call Services shall be invoiced to the Customer at the Cummins current hour rate (including traveling) and shall be governed by the terms and conditions of this Agreement.

17. **PRICING.** To the extent allowed by law, actual prices invoiced to Customer may vary from the price quoted at the time of order placement, as the same will be adjusted for prices prevailing on the date Services are performed ("Performance Date") due to economic and market conditions on the Performance Date. Subject to local laws, Cummins reserves the right to adjust pricing on goods and services due to input and labor cost changes and other unforeseen circumstances beyond Cummins' control.

18. **TARIFF AND DUTY SURCHARGES.** In addition to any adjustments otherwise provided for in this Agreement, in the event of any increase in the cost of purchased materials due to the impact of any tariffs, duties, levies, or similar government charges (Tariffs) in effect during the term of this Agreement, the parties agree that such increases shall be passed through directly to the Customer effective immediately upon Cummins' notice to the Customer of such increases. The Customer shall pay Tariff-related increases within thirty (30) days of receipt of invoice.

19. To the extent applicable, this contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability. The employee notice requirements set forth in 29 CFR Part 471, Appendix A to Subpart A, are hereby incorporated by reference into this contract.

Generator

Planned Equipment Maintenance

INSPECTION

INTERVALS AVAILABLE: WEEKLY, MONTHLY, QUARTERLY, SEMI-ANNUALLY OR ANNUALLY

BATTERIES AND BATTERY CHARGER

- Visually inspect battery terminal connections
- Verify electrolyte level, vent caps of all cells in the starting battery system
- Visually inspect wiring, connections and insulation
- Record battery charging functions
- Record battery information
- Record battery condition test

FUEL SYSTEM

- Visually inspect ignition system (Natural Gas and Propane Only)
- Record primary tank fuel level
- Inspect engine fuel system for leaks
- Visually inspect all engine fuel hoses, clamps, pipes, components and fittings
- Visually inspect rupture/ containment basin
- Inspect day tank and controls (if applicable)
- Optional - fuel sample for laboratory analysis*

COOLING SYSTEM

- Record coolant level
- Visually inspect for coolant leaks
- Visually inspect drive belts condition
- Verify for proper coolant heater operation
- Record jacket water temperature
- Visually inspect fan, water pump, drives and pulleys
- Visually inspect all coolant hoses, clamps and connections
- Visually inspect radiator condition
- Visually inspect louver for damage
- Visually inspect fan hub and drive pulley for mechanical damage
- Record freeze point of antifreeze protection
- Record DCA level prior to changing coolant filter
- Optional - Coolant sample for laboratory analysis*

LUBRICATION SYSTEM

- Visually inspect engine oil leaks
- Visually inspect engine oil lines and connections
- Record oil level
- Optional - Oil sample for laboratory analysis*

GENSET CONTROLS AND ACCESSORIES

- Visually inspect all engine mounted wiring, senders and devices
- Visually inspect all control mounted components and wiring
- Verify all connecting plugs are tightened and in a good condition
- Visually inspect all accessory components and wiring
- Visually inspect and test lighting indicators

INTAKE AND EXHAUST SYSTEMS

- Visually inspect air filter and housing
- Visually inspect all engine piping and connections
- Record air cleaner restriction
- Visually inspect engine exhaust system for leaks
- Visually inspect rain cap
- Optional – Air filter replacement*
- Optional - Clean crankcase breather or replace filters*

GENERAL CONDITIONS

- Visually inspect governor linkage and oil level
- Visually inspect guards
- Visually inspect enclosure
- Visually inspect engine and generator mounts
- Verify emergency stop operation

TRANSFER SWITCH

- Visually inspect controls and time delay settings
- Verify function of exercise clock and record settings from controller
- Verify remote start control operation
- Record utility / source one voltage

AFTERTREATMENT (Upon request)

- Verify DEF level
- Record DPF restriction
- Visually inspect aftertreatment and controls

SWITCHGEAR (Upon Request)

- Inspection and Full Service quote available upon request.

FULL SERVICE

INCLUDES INSPECTION

OPERATIONAL & FUNCTIONAL REVIEW OF GENERATOR CRITICAL COMPONENTS

- Inspect engine cooling fan & fan drives for excessive wear or shaft wobble
- Check all pulleys, belt tensioners, slack adjusters & idler pulleys for travel, wear & overall condition
- Inspect / lubricate drive bearings, gear or belt drives, and other shaft connecting hardware

LUBRICATION OIL & FILTRATION SERVICE

- Change engine oil
- Change oil, fuel and water filters
- Post lube services operations of genset (unloaded) at rated temperature

* Additional Charge

Any additional repairs, parts, or service which are required will be brought to the attention of the owner. Repairs will only be made after proper authorization from the owner is given to Cummins. Any additional repairs, maintenance or service performed by Cummins or a Planned Equipment Maintenance Agreement holder will be at current Cummins labor rates.

Arc flash boundary and available incident energy shall be identified and marked on equipment being serviced or maintained.

Sales, service and support

Your partner in performance

If you want top performance and a long life for your Cummins generator, periodic maintenance is essential. Cummins Sales and Service provides a wide variety of products and services to support and maintain power generation systems. Let us help create peace of mind with planned maintenance for your generator.

Sales and Service Overview

OUR PRODUCTS

The Cummins Sales and Service network is equipped with comprehensive generator knowledge, so they are able to service all makes and models of generators. Yes, even those non-Cummins generators. All maintenance follows manufacturer guidelines to meet specified maintenance requirements.

OUR SERVICE

- Factory-trained, certified technicians versed in all generator maintenance requirements.
- Use of only the latest software, diagnostic and troubleshooting tools.
- Identification of minor issues before they become major problems, effectively minimizing downtime.
- Extensive inventory of Genuine Cummins, Onan and Fleetguard parts.
- 24/7 Emergency Service

Cummins Care 24/7

OUR APPROACH

We believe safety begins with us. Job Safety Assessments (JSA) are conducted prior to each job to evaluate potential hazards and ensure availability of all appropriate tools and resources required. All technicians are trained in regulations and safety guidelines and equipped with personal protective equipment.

OUR PLANS

- Unlike most other plans, we offer a few key advantages to help you maintain your generator.
- Fully customizable plans based on individual operational needs and factory service recommendations.
- Multi-year PEM availability to cut costs and save time through reduced transaction costs, dedicated coordinator monitoring agreement and pricing locked in for up to five years.
- Load bank performance testing

Memo

To: Common Council

From:

Meeting Date: July 14, 2026

Subject: Discussion on City of Clintonville Utilities Ordinance, Creation of Utilities Commission

Memo:

Attachments:

1. Utility Commission

CITY OF CLINTONVILLE UTILITY COMMISSION ORDINANCE

The Common Council of the City of Clintonville ordains as follows:

(1) **FINDINGS AND PURPOSE.** The City of Clintonville finds that the ownership and operation of water, wastewater, and electric utilities by the City is in the public interest. To that end, the City entrusts the management of its water, wastewater and electric utilities to an independent and non-partisan body, the Clintonville Utility Commission. This ordinance is intended to codify the powers of the Clintonville Utility Commission.

(2) **SUCCESSOR STATUS.** The Utility Commission established under this ordinance is a successor to the City's existing Utility Committee. It has all the rights, duties, powers and interests described below, whether granted by ordinance, statute, contract or otherwise. The existing citizen member(s) of the Utility Committee shall serve the remainder of their present terms of office.

(3) Sections 13.01, 13.04, 13.05, 13.06, 13.08, 13.09, and 13.10 of the Municipal Code of the City of Clintonville are repealed and recreated to read:

Section 13.01. UTILITY COMMISSION.

(a) **CREATION.** There is hereby created an independent and non-partisan Utility Commission to manage and operate the electric, wastewater, and water utilities of the City.

(b) **MEMBERSHIP; TERMS.** It is the intent of this Section to keep the number of voting members of the Utility Commission always at five (5), of which two (2) shall be elected officials of the City Government. One of the five Commissioners may be the Mayor, who shall serve on the Commission without additional compensation and whose term shall be for the duration of their term as Mayor, and who will have the authority to vote.

At least one, but no more than two of the five Commissioners shall be an alderperson or alderpersons, who shall serve on the Commission without additional compensation and whose term(s) shall be for the duration of their term(s) as alderperson alderpersons (two years), and who will have the authority to vote.

The remaining three Commissioners shall be residents of the area serviced by any of the City of Clintonville's utilities, each of whom shall serve a three-year term. These terms shall be staggered so that no more than one citizen Commissioner's term shall expire each year. The compensation of the citizen Commissioners will be set by the City of Clintonville Common Council and amended from time to time.

(c) **APPOINTMENTS.** The Common Council shall elect the citizen Commissioners by a two-thirds majority vote of the Common Council members present at the vote at its first regular meeting in September for terms to commence on the October 1 following appointment. In the case of a vacancy of a citizen Commissioner on the Commission, the Common Council at a regular meeting may appoint a citizen Commissioner to fill the vacancy for the remainder of the term by a simple majority vote of the Common Council members present at the vote .

The alderperson Commissioner or Commissioners shall be appointed by the Mayor subject to approval by a two-thirds majority vote of the Common Council members present at the vote. When an alderperson sitting on the Commission ceases to be a member of the Common Council, a vacancy shall be created. Such vacancy shall be filled by appointment by the Mayor subject to approval by a simple majority vote of the Common Council members present at the vote.

(d) **POWERS OF COMMISSION.** (1) Charge and Management. The Commission shall take entire charge and management of the City's water, wastewater, and electric utilities and any other public utility authorized by the Common Council. The Commission shall have full authority to supervise the operation of the utility subject only to the general control and supervision of the Common Council, with such general control and supervision being exercised through the enactment and amendment of this Ordinance.

(2) Manager. The Commission shall appoint a Utility Manager, fix their compensation and duties and provide for the authority of the Manager to act on behalf of the Commission. The Utility Manager, before taking office, shall give a bond to the City for the faithful performance of the duties of their office in such amount as the Utility Commission shall direct. The bond shall be approved by the Mayor and filed with the City Clerk-Treasurer.

(3) Other Employees; Consultants. The Commission may employ and fix the compensation of such other employees as the Commission deems necessary or convenient for the management and operation of the City's utilities. The Commission also may employ the services and fix the compensation of such other agents or consultants as the Commission deems necessary or convenient for the operation and management of the utilities.

(4) Rates, Rules and Regulations. The Commission shall have authority to fix rates and establish rules and regulations for the governance, management and operation of the utilities, subject to the jurisdiction of the Public Service Commission of Wisconsin, and establish rules for the governance of its own proceedings.

(5) Contract. The Commission shall have full authority to let bids and enter into contracts in the name of the City, provided that such contracts are necessary or convenient to the management and operation of the utilities.

(6) Other Powers. The Commission shall have such other powers as are necessary or convenient to the management and operation of the City's public utilities, and the City intends that the Commission shall have full authority respecting the utilities unless that authority is specifically withheld by statute.

(e) ORGANIZATION. The Commissioners shall choose from among their number a President and Secretary and shall appoint a Utility Clerk who shall perform the duties of a bonded cashier, shall keep accurate books and accounts of utility revenues and expenses, and shall perform such other duties as the Commission shall from time to time direct. The Utility Clerk, before taking office, shall give a bond to the City for the faithful performance of the duties of their office in such amount as the Utility Commission shall direct. The bond shall be approved by the Mayor and filed with the City Clerk-Treasurer.

(f) UTILITY EXPENSES. Utility expenses shall be audited by the Commission at its regular meeting, and if approved by its President and Secretary, shall be paid by the Utility Clerk. The Commission may authorize the payment of labor, salaries and such other regular expenses as the Commission may determine, including but not limited to power and fuel bills, to be paid as they become due, if approved by the President and Secretary. Utility expenses shall be separately accounted for by each of the water, wastewater, and electric utility funds.

(g) RECEIPTS. All utility receipts shall be paid to the Utility Clerk. Utility funds shall be separately accounted for by each of the water, wastewater and electric utility funds and shall be subject to disposition as the Commission shall direct.

(h) AUDIT. On an annual basis, the funds and accounts of the utility funds shall be audited by a certified public accounting firm and open to public inspection. Utility audited financials may be included with the City's audited financials.

(i) CONSTRUCTION; DEFINITION. This Ordinance shall be liberally construed to effect its purpose. As used herein, the terms "management and control" or "management and operation" shall be construed broadly and shall include, without limitation by enumeration, all authority related to the utility properties of the City, and all authority related to purchasing, acquiring, leasing, constructing, adding to, improving, conducting, controlling, operating, or managing the City's public utilities, except as specifically withheld by statute.

From: Chief Craig A. Freitag
Re: June 2026 Monthly Report

- On June 19th, we hosted our Cops and Bobbers event, with 37 children participating this year. We were able to spend a few hours with the children, fishing, socializing, and eating lunch. The children caught fish, but more importantly, there were many smiles on their faces as they left. All kids were able to go home with a brand-new fishing pole. As I have mentioned before, this would not be possible without the support of our community. Pigeon Lake Protection and Rehabilitation District members graciously donated their time and their boats to take children and officers out on the lake. I am very appreciative of the CPD staff who came in during their off time to help make this event a success.
- As a reminder, our golf outing is August 7th. The money we raise goes to our K-9 program and our Community Policing Fund. Our Community Policing Fund allows us to continue putting on events for our community. With the many events we put on for the community, funds are not drawn from the police department's operating budget. Without a supportive community and our staff fundraising, we would not be allowed to continue giving back to our community.
- The Clintonville A's July 3rd fireworks from a public safety perspective went on without issues. We had officers on foot patrol and in squads for the event and were impressed by how the large crowd conducted themselves. This event brings thousands of people scattered around our city to enjoy the best fireworks display in our area. The Clintonville A's do an excellent job every year making this event great.
- I spoke last week with Waupaca County Emergency Management staff to get any updates they had that would be important for our city to be aware of and ensure we are staying on track of what we needed to do as city officials. They reported to me that, as a city, we are still on hold, and no required work needs to be done at this moment. The President of the United States has signed a declaration allowing the State of Wisconsin \$ 22 million in FEMA funding. Again, as a city, we are not required to take any action at this time. The disaster assistance portal is now open for residents who may have experienced flood damage. This information was shared on our police department's Facebook page.
- Captain Matthew Wright is adjusting to his new role as Captain. We have conducted interviews for the Sergeant position. A recommendation for promotion will be discussed and approved at the next PFC meeting. We also conducted panel and Chief interviews for the vacant patrol officer position, which is expected once the Sergeant's promotion is completed. Caleb Leschke, who is a part-time Clerk Dispatcher, provided us with his resignation letter. When Caleb was hired, he was obtaining his degree in criminal justice. He has completed his degree and has been hired by the Waushara County

Sheriff's Office as a deputy. He is currently in the law enforcement academy. Caleb was able to learn and grow with ur agency, and we wish him nothing but the best. The PFC will also be deciding on the hiring of a part-time clerk-dispatcher.

- Budget time is here, and I have started working on the 2027 police department budget. Within the Capital budget for the police department, we are hoping to secure funding for the update of our radio system. Our current repeater was installed around 2014 and was given to us for free from another agency. I have had radio experts on-site to evaluate our system, and they are quite surprised that it is still functioning. One issue we have identified is that when Aster loses power, they do not have a generator for their building. Our radio system is located within that building, and over the last year we have had no radio communications when Aster has lost power. This is a critical issue, and with a newer, updated system, we hope to have some backup system in place for electrical outages.

CLINTONVILLE PUBLIC LIBRARY
MONTHLY REPORTS
JUNE 2026

JAMIE HEIN, LIBRARY DIRECTOR'S REPORT:

Staff In-Service Day

The Library was closed on Wednesday, May 20 for a staff in-service. The first part was a regular staff meeting that we have every month going over a variety of topics including Summer Reading Program procedures, Playaway battery covers, and our internal communication tool. After that, Ashley led a training on the new library system we will be migrating to in August, Polaris Leap. Ashley went over how to perform actions front desk staff normally interact with every day including checking in & out items and creating & editing patron records. We enjoyed a delicious lunch from Betty's Bar & Grill thanks to the Friends of the Library. Before we finished for the day, everyone worked together to put up the decorations for our dinosaur themed Summer Reading Program, Unearth a Story.

Page Interviews

We will be needing a new page by the end of summer since one of our pages, Jenna, will be leaving to go to college this fall. Since we will need extra help this summer, I decided to go ahead with hiring a new page to learn from Jenna and Jackie and be ready to take Jenna's place this fall. After doing interviews, I hired Cody Willis who will start sometime in early June.

Green Space

There have been some developments in the Library's green space in regards to the upcoming Farmers Market. Two picnic tables are now in the space thanks to Ken Meinhardt and the CHS Carpentry 3 class.

Porta potties have been delivered as well and are tucked behind the shed.

An electrical box will be installed on the side closest to S. Clinton Ave. to help provide electrical hookup for vendors who need it.

Lastly, a dead tree will be removed at some point (I don't know exactly when this will happen but Ken Meinhardt knows someone who will do it for the low, low price of \$0)

Amazon Business Prime Account

Due to issues with using an Amazon Business Prime account with the city, the Library is venturing off to have our own Business Prime Account. Thanks to the nonprofit membership organization WiLS who provides services to libraries and other non-profit and heritage organizations, our Business Prime account is free along with invoicing payments. It's taking a while to set up unfortunately, but I think this will be a better set up for the Library.

Blood Drive

The Community Blood Center of Appleton ran a blood drive in the Library's meeting room on Wednesday, June 3 from 12:00 to 4:00pm. There were 20 units of blood donated during the drive.

Trustee Tale

On pages 20-23 are issues of Trustee Tale about Advocacy and Director Evaluations.

YOUTH SERVICES MAY 2026 REPORT

Last Hoorah for the School Year

I hosted some extra fun programs this month since it's our last month of regular programming for the school year. To the left is a picture of the after-school adventures crew making creations out of air-dry clay.

It was a HUGE hit, all the kids were so creative and excited to take their creations home with them. The picture below was my teen night this month, we had a nerf war outside! Some of the teens brought their own nerf guns, and a few even made shields. They got really into it, and it's always a fun program to host. I entice everyone to help me clean up the darts afterwards by rewarding them with popsicles!

Gearing Up for Summer

May is a very busy time for me, prepping all the things needed for summer reading. I had a few classes visit this month to hear about summer reading, and I attended the PTO Bingo night at CES as well to share information about summer reading. I had about 50 people stop at my table, some of which have never participated in summer reading at CPL before! I hope to continue to collaborate with the school and attend events like this when possible. The last week of May I took a programming break to get everything prepped for summer.

Program Numbers

Storytimes: 95 kids, 41 adults

DIY Crafts: 7 kids, 3 adults

Lego club: 16 kids, 4 adults

ASA: 23 kids, 3 adult

Games: 42 kids, 2 adults

Fictional friend: 182 kids

St. Martin's visits: 92 kids, 8 adults

Teen night: 12 kids

ASHLEY BORMAN, TECHNICAL SERVICES LIBRARIAN'S REPORT:

Ashley went on vacation starting May 28 and Jamie forgot to ask her for a report before she left! She will have a report in next month's packet.

UPCOMING WORKSHOPS, MEETINGS, & CLASSES:

- None to report.

Section A - Law Enforcement

Your municipality is not required to complete section A of this report

Section B - Fire Protective and Emergency Medical Services

If your municipality has separate fire and EMS, do you want to complete separate certifications for fire and EMS? ☒ Yes ☐ No

Fire Protective Services

1. Did your municipality consolidate its fire protective services with another county or municipality in 2024 ?	☐ Yes ☒ No
2. Did your municipality enter into a contract with a private entity to provide fire protective services in 2024 ?	☐ Yes ☒ No
3. Did your municipality newly establish or join a newly established fire protection service agency in 2024 ?	☐ Yes ☒ No

I certify the following has been maintained at a level equivalent to that provided in the previous year, 2024. Check all boxes that apply:

- ☒ Political subdivision's expenditures, not including capital expenditures or expenditures of grant monies received from the state or federal government, for fire protection.
- ☐ Number of full-time equivalent fire fighters employed by or assigned to the political subdivision, not including fire fighters whose positions are funded by grants received from the state or federal government. For volunteer fire services, those volunteer fire fighters who responded to at least 40% of calls to which volunteer fire protective services responded may be counted as full-time equivalent volunteer fire fighters under sec. 66.0608(2m)(b)2.b., Wis. Stats.
- ☒ Level of training of and maintenance of licensure for fire fighters providing fire protective services within the political subdivision.
- ☐ Response times for fire protective services throughout the political subdivision, adjusted for the location of calls for service.

Emergency Medical Services

1. Did your municipality consolidate its emergency medical services with another county or municipality in 2024 ?	☐ Yes ☒ No
2. Did your municipality enter into a contract with a private entity to provide emergency medical services in 2024 ?	☐ Yes ☒ No
3. Did your municipality newly establish or join a newly established emergency medical services agency in 2024 ?	☐ Yes ☒ No

I certify the following has been maintained at a level equivalent to that provided in the previous year, 2024. Check all boxes that apply:

- ☒ Political subdivision's expenditures, not including capital expenditures or expenditures of grant monies received from the state or federal government, for emergency medical services.
- ☒ Number of full-time equivalent emergency medical services personnel employed by or assigned to the political subdivision, not including emergency medical services personnel whose positions are funded by grants received from the state or federal government. For volunteer emergency medical services, those volunteer emergency medical services personnel who responded to at least 40% of calls to which volunteer emergency medical services personnel responded may be counted as full-time equivalent emergency medical services personnel under sec. 66.0608(2m)(b)2.b., Wis. Stats.
- ☒ Level of training of and maintenance of licensure for emergency medical services personnel providing emergency medical services within the political subdivision.
- ☒ Response times for emergency medical services throughout the political subdivision, adjusted for the location of calls for service.

**Minutes of the Department of Public Works Committee Meeting
Thursday May 28th, 2026 | 3:45 PM Clintonville Community Center**

Committee Chair Stephanie Bonikowske called the regular meeting to order at 4:00 p.m. Members present were Stephanie Bonikowske, Aimee Ebert, Jim Supanich, Mark Doornink and Chuck Manske. Also present: Mayor Jeanie Schley, Alderperson Darrell Hansen, City Attorney Keith Steckbauer and Public Works Director Justin Mc Auly, members of the public and media, and Michele Herter served as Recording Secretary.

Supanich/Doornink m/s/c to approve the agenda **with changes**.

Ebert/Manske m/s/c to approve the minutes from April 30th, 2026.

Citizen's Forum: Tom Lederer spoke on behalf of the Clintonville Historical Society regarding the importance of preserving the steel bridge.

Parks & Recreation Division: Don Jirschele Stadium Press Box Project: Discussion only regarding options for the construction of a new press box following the flood damage.

Director of Public Works Memo/Bill List Update:

- **Streets Division:** Updates were provided on the 2026 Sidewalk Program, ongoing street projects, and issues resulting from spring storm damage.
- **Parks & Recreation Division:** Updates included native plug planting at the Aqua Park, installation of a new under-fence system at the Aqua Park, and the hiring of Lori Wegener to fill the vacant Building & Grounds Laborer position.

Street Division:

Supanich/Ebert m/s/c to recommend to **Common Council** the approval of Resolution 2026-03 Final Resolution Declaring Intent to Levy Special Assessments for the 2026 Sidewalk Improvement Program.

Supanich/Ebert m/s/c/ u/roll call to recommend to **Finance & Personnel Committee** approval of Kunkel Engineering Group to provide engineering services for the E. Morning Glory Improvements project, at a cost not to exceed \$31,750.

Doornink/Ebert m/s/c to change the regular Department of Public Works Committee meeting date and time to the **last Tuesday of each month at 5:00 p.m.**, effective going forward.

Next Meeting: June 30th, 2026, at 5:00 PM. *note new day and time.

Ebert/Doornink m/s/c to adjourn the meeting at 5:10 PM.

Submitted by: Michele Herter, Recording Secretary

TOURISM COMMISSION
Tuesday, June 23, 2026 | 8:00 am

Mayor Schley called the meeting of the Tourism Commission to order at 8:03 am. **Members present:** Jeannie Schley, Sue Aschliman, and Tina Schulke. **Absent:** Kimberly Linders, Gary Moore **Also present:** Clerk-Treasurer Peggy Johnson and Recording Secretary Kristi Stedjee.

Aschliman/Schulke m/s/c to approve the agenda

Schulke/Aschliman m/s/c to approve the minutes of the February 11, 2026 meeting

Room Tax Funds Request; Clintonville Area Chamber of Commerce, Fox Cities Magazine:

Schulke spoke and requested \$1,800.00 for an ad in the Fox Cities Magazine July “Worth the Drive” issue. Discussion followed regarding adding an annual cap amount of \$2,000 going forward. A request would still be required annually, however, a meeting would not be required for each application unless the amount would exceed the cap limit.

Aschliman/Linders m/s/u to approve \$1,800 for an ad in the Fox Cities Magazine July “Worth the Drive” issue along with adding an annual cap amount of \$2,000 going forward.

Adjourn: Schulke/Aschliman m/s/c to adjourn at 8:21 am

Submitted by,
Kristi Stedjee, Recording Secretary

SAFETY AND ORDINANCE COMMITTEE
Monday, July 6, 2026

The meeting of the Safety and Ordinance Committee was called to order at 4:30 p.m. by Chairman Branden Schirpke in accordance with Wisconsin Open Meeting Laws and ADA requirements. **Members present:** Branden Schirpke, Darrell Hansen, Jim Supanich and Greg Rose **Absent:** Stephanie Bonikowske **Also present:** Mayor Jeannie Schley, Director of Public Works Justin Mc Auly, Brandon Braden, Jeanine Supanich, Clerk-Treasurer Peggy Johnson and Recording Secretary Kristi Stedjee.

Supanich/Rose m/s/c to approve the agenda

Ord 1243 Traffic Code Parking Restrictions: Rose/Hansen m/s/c to approve Ordinance 1243-Traffic Code Parking Restrictions.

Next Meeting: Monday August 3, 2026 @ 4:30 pm, if necessary

Adjourn: Supanich/Rose m/s/c to adjourn at 4:40 p.m.

Respectfully submitted,
Kristi Stedjee, Recording Secretary
