2430- **DISTRICT-SPONSORED CLUBS AND ACTIVITIES**

The Board believes that the goals and objectives of this District are best achieved by a diversity of learning experiences, including those that are not conducted in a regular classroom but are related to the District's curriculum and/or mission.

The purpose of District-sponsored activities shall be to enable students to explore a wider range of individual interests than may be available in the District's courses of study but are still related to accomplishing the educational outcomes for students as adopted by the Board in Policy 2131 - Educational Outcome Goals and Expectations. The Board encourages all students, including those students in elementary and middle school grades, to participate in such opportunities. In implementing this policy, the District Administrator shall take steps to make such opportunities accessible to all students.

For purposes of this policy, District-sponsored activities are typically those activities in which:

A. the subject matter is actually taught or will be taught in a regularly offered course;

B. the subject matter concerns the District's composite courses of study;

C. participation is required for a particular course;

D. participation results in academic credit; or

E. the subject matter is of interest to students and aligns with the District's goals and mission.

No activity shall be considered to be under the sponsorship of this Board unless it meets one or more of the criteria stated above and has been approved by the District Administrator.

Such activities, along with competitive extra-curricular activities/athletics, may be conducted on or off school premises by clubs, associations, and organizations of students sponsored by the Board and directed by a staff advisor. District-sponsored clubs and activities are expected to be self-supporting without District financial assistance unless approved by the Board. Any request for financial assistance or stipend for supervision shall follow student handbook.

The Board shall allow nondistrict-sponsored, student clubs and activities during noninstructional time, in accordance with the provisions in Policy 5730 - Equal Access For Nondistrict-Sponsored ; Student Clubs and Activities.

All activities which meet the criteria of this policy are sponsored by the District and are authorized to use the District name, logo, mascot, or any other name which would associate an activity with the District, provided such use is consistent with other applicable District policies.

Nondistrict-sponsored student activities that are initiated by parents or other members of the community may be allowed under the provisions of Policy 7510 - Use of District Facilities. The Board, however will not:

A. assume any responsibility for the planning, conducting, or evaluating of such activities;
B. provide any funds or other resources;

C. allow any member of the District's staff to assist in the planning, conducting, or evaluating of such an activity during the hours when functioning as a member of the staff.

No nondistrict-sponsored organization may use the name, logo, mascot, or any other name which would associate an activity with the District. Additionally, no nondistrict-sponsored organization may use the assets of the District, including but not limited to facilities, technology, or communication networks without the specific permission(s) as outlined in the relevant District policies.

Students shall be fully informed of the District-sponsored activities available to them and of the eligibility standards established for participation in these activities. District-sponsored activities shall be available to all students who elect to participate and who meet eligibility standards.

All District-sponsored club communications, including flyers or posters to be displayed on school property, shall be limited to the club's name, meeting date, time, and location ~~,() and subject to administrative approval . . [END OF OPTION]~~

Vol. 35, No. 2 - July 2026 Replacement RECORDING OF IEP TEAM MEETINGS

ADOPTED Apr 22, 2019

2461 - **RECORDING OF IEP TEAM MEETINGS**

The District recognizes that parents may wish to record (this includes audio and/or video, including AI tools) IEP Team meetings in order to better understand the IEP process, their child's IEP, or to implement their rights as a parent for access accommodations under the IDEA, Section 504 of the Rehabilitation Act of 1973, and/or the Americans with Disabilities Act.

If a parent believes that recording an IEP Team meeting is necessary, the parent should notify Director of Student Services/Special Education ~~[principal or Director of Student Services or Director of Special Education]~~ in writing, preferably at least two (2) school days before the IEP Team meeting, of the parent's desire to record the meeting and the reason the recording is required.

~~[DRAFTING NOTE - Recent technological developments, including AI-enabled meeting recording tools, have increased the likelihood that parents may record virtual or in-person IEP meetings without advance notice. Wisconsin is a one-party consent state under 948.31 Wis. Stats, meaning a meeting participant may lawfully record the conversation. The District's current policy prohibits video recording except as a disability accommodation. The proposed revision clarifies notice expectations, affirms the District's right to record when a parent records, addresses AI tools explicitly, and preserves the integrity of the IEP process while reducing potential litigation exposure.]~~

The purpose of advance notice is to promote transparency, ensure appropriate logistical arrangements, and allow the District to determine whether it will also record the meeting.

Recording of an IEP Team meeting, whether audio, video, or AI-assisted, shall not disrupt the meeting or interfere with the IEP Team process. If recording becomes disruptive, the District may suspend the meeting and reschedule.

If a parent records an IEP Team meeting, the District reserves the right to record the meeting as well.

Any recording made by the District shall become part of the student's education record and will be maintained in accordance with State and Federal law. Any recording made by the parent becomes a record of the parent, and the District has no responsibility for maintenance of that particular record.

The District is not responsible for the storage, security, or distribution of recordings created by parents or other participants.

Further, at no time may any technology resources or other electronic equipment/device be utilized by a student in a way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed, or intimidated. See Policy 5517.01 – Bullying. In particular, students are prohibited from using technology resources, a camera, or other electronic equipment/device to: (1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, national origin, sex (including sexual orientation, and gender identity), age, disability, religion, or political beliefs; and (2) send, share, view or possess pictures, text messages, e-mails or other materials of a sexual nature (i.e., sexting) in electronic or any other form. ~~Students are prohibited from using technology resources and other electronic equipment/devices to capture, record, or transmit test information or any other information in a manner constituting fraud, theft, or academic dishonesty. Similarly, students are prohibited from using technology resources and other electronic equipment and devices to capture, record, or transmit the words (i.e. audio) and/or images (i.e. pictures/video) of any~~

~~student, staff member or other person in the school or while attending a school-related activity, without express prior notice and explicit consent for the capture and/or recording of such words or images. Using technology resources or other electronic equipment/devices to capture, record, or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted unless authorized by the building principal. Technology resources and other electronic equipment/devices are expressly banned from and may not be possessed, activated, or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, shower facilities, restrooms, () classrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The building principal has authority to make determinations as to other specific locations and situations where possession of a camera or other electronic equipment/device is absolutely prohibited.~~

Unauthorized technology resources and other electronic equipment and devices will be confiscated from the student by school personnel and disciplinary action taken.

If technology resources or other electronic equipment/device is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed.

Any technology resources or other electronic equipment/device confiscated by District staff will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent ~~/guardian~~ . Technology resources or other electronic equipment/devices in District custody will not be searched or otherwise tampered with unless school officials reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules (e.g. a student is observed using a camera in a prohibited area). Any search will be conducted in accordance with Policy 5771 – Search and Seizure.

Students are personally and solely responsible for the care and security of any technology resources and other electronic equipment or devices they bring to school. The Board assumes no responsibility for theft, loss, damage, or vandalism to electronic equipment and devices brought onto its property, or the unauthorized use of such devices.

The Board actively follows all Federal and State laws aimed at protecting student privacy and providing transparency. In the rare and unusual circumstance of the District requiring a physical examination or screening, such decisions shall prioritize student privacy and parental authorization. Only after written advance notification to parents ~~(~~ no less than five (5) school days in advance ~~[END OF OPTION]~~ , the ~~The~~ Board ~~of Education~~ per State law, may require students to submit to periodic health examinations to:

B. ~~(~~ ~~determine that each student's participation in health, safety, and physical education courses meets the student's his/her individual needs;~~
C. ~~(~~ ~~determine that the learning potential of each child is not lessened by a remediable, physical disability.~~

The District shall provide advance written notification to parents any time the District determines there is a ~~specify the~~ need for health services which may include, but not be limited to:

A. ~~student physical examinations;~~
B. ~~athlete physical examinations;~~
C. dental examinations;

Any health services program will ~~should~~ also include instruction to staff members on the observance of students for conditions that indicate signs of physical health conditions which may be pertinent to the student's ability to fully access the District's programming.

Federal Protection of Student Rights

The Board shall directly notify the parents of students, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when any non-emergency, invasive physical examination or screening is scheduled or expected to be scheduled for students if the examination or screening is: (1) required as a condition of attendance; (2) administered by the school and scheduled by the school in advance; and (3) not necessary to protect the immediate health and safety of a specific student, or other students.

Per Federal law, the ~~The~~ term "invasive physical examination" means any medical examination that involves the exposure of private body parts, or any act during such examination that includes incision, insertion, or injection into the body, but does not include a hearing, vision, or scoliosis screening. If for some unforeseen and unexpected reason such examinations would be conducted by the District without notification at the beginning of the school year, then the District shall provide parents with written notification of such examinations no less than five (5) school days prior to an examination.

Vol. 35, No. 2 - July 2026 Revised DRESS AND APPEARANCE

ADOPTED Apr 22, 2019 · REVISED Feb 10, 2025

5511 - **DRESS AND APPEARANCE**

The Board recognizes that each student's mode of dress and appearance is a manifestation of personal style and individual preference , and that students do possess certain individual rights, including the right to engage in expressive speech . The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools.

Accordingly, the District Administrator shall establish such dress and appearance (Dress Code) guidelines as are necessary to promote discipline, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. Such guidelines shall prohibit student dress or appearance practices that:

A. present a hazard to the health or safety of the individual student or to others in the school, including by way of communicating threats of harm or depictions of harmful conduct directed at others , including depictions that are reasonably likely to or are intended to incite violence against or hatred towards others ;
B. interfere with school work, create disorder, or cause or is likely to cause a material and substantial disruption to ~~disrupt~~ the educational program ; ;
C. ~~(~~) ~~including dress that promotes or depicts~~ promote or depict illegal activity, such as illegal drug use, underage alcohol consumption, or similar activities;
D. ~~(~~) violate the District's anti-harassment policies by depicting images or messages that represent or promote discrimination or harassment on the basis of one or more protected classifications;
E. ~~(~~) depict or promote obscenity, pornography, or otherwise depict or describe sexual activity;
F. ~~(~~) - cause excessive wear or damage to school property;
G. ~~(~~) - prevent the student from achieving educational objectives because of blocked vision or restricted movement.

Such guidelines shall also apply to the dress requirements for members of the athletic teams, bands, and other school groups when representing the District at a public event. Where appropriate, a uniform or specific dress requirement shall be used for students when representing the District as described.

In enforcing the dress code, the following procedures shall be used:

A. the principal shall serve as the initial arbiter of student dress and appearance within the building or at school-sponsored events or activities;
B. before taking action to enforce dress code requirements, including by requiring that a student remove, cover, or otherwise conceal the item or depiction at issue, the principal shall consider ~~determine whether~~ the expressive nature of the particular item while evaluating the application of the dress code. ~~constitutes protected speech insofar as the item independently makes a statement of a discernable nature to the observer by depiction, words, or combination of the two that does not require separate explanation.~~

~~Expressive dress may not be protected speech if it involves:~~

A. ~~obscenity;~~
B. ~~language or depictions intended to incite violence or foment hatred of others.~~

~~Dress that is protected speech may still be prohibited if it is likely to cause a substantial disruption to the educational environment. This may include dress that includes the use of vulgarity, discriminatory language~~

~~including racial or ethnic slurs, negative stereotypes, violence, or other communication when the clear intent is to invoke strong reactions in observers so as to impair the ability of teachers and/or students to engage in educational pursuit.~~

In determining whether a student's dress or appearance materially interferes with schoolwork, creates disorder, or disrupts the educational program, school officials may consider the age and emotional maturity of the student audience, recent local or national events, and the unique characteristics of the school community. Decisions to restrict student dress or expression should be based on a reasonable forecast of material and substantial disruption, supported by specific facts and context, and should be documented accordingly.

No protected speech may be prohibited on the basis of disagreement by District officials with the specific point of view expressed if the topic is otherwise permitted (e.g. permitting depictions of support for one political party, but prohibiting depictions of support for the other).

~~**Development of Dress Code/Uniform Requirements**~~

~~Each school shall engage in efforts to develop a dress code that prescribes certain types of dress and that identifies building-specific dress expectations. The development of the dress code shall be completed using the following guidelines:~~

A. ~~invite the participation of - staff, parents, - and students in the preparation of a dress code which may specify prescribed dress and grooming practices, but may not amplify the rationale for prohibition established by Board policy;~~
B. ~~instruct staff members to demonstrate, by example and precept, personal neatness, cleanliness, propriety, modesty, and good sense in attire and appearance;~~
C. ~~ensure that all administrative guidelines impose only minimum and necessary restrictions on the exercise of the student's taste and individuality.~~

Students who violate the foregoing rules will not be admitted to class and may be subject to additional consequences.

~~H~~ - If the clothing cannot be removed or concealed, the student may be sent home after contact is made with the student's parent.

Vol. 35, No. 2 - July 2026 Revised PROCUREMENT - FEDERAL GRANTS/FUNDS

ADOPTED Apr 22, 2019 · REVISED Feb 10, 2025

6325 - **PROCUREMENT – FEDERAL GRANTS/FUNDS**

Procurement of all supplies, materials, equipment, and services paid for from Federal funds including any District matching funds shall be made in accordance with all applicable Federal, State, and local statutes and/or regulations, the terms and conditions of the Federal grant, Board policies, and administrative procedures.

The District Administrator shall have and use a procurement and contract administration system in accordance with the USDOE requirements (2 C.F.R. 200.317-.326), including affirmative steps for small businesses, minority business, women's business enterprises, veteran-owned businesses, and labor surplus area firms, for the administration and management of Federal grants and Federally-funded programs. The District shall maintain oversight that requires contractors to perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. Except as otherwise noted, procurement transactions shall conform to the provisions of the District's documented general purchasing policy and administrative guidelines (Policy 6320 - Purchasing and AG 6320A - Purchasing).

When required by Federal program legislation, all Federally-funded contracts in excess of $2,000 related to construction, alteration, repairs, painting, decorating, etc. must comply with Davis-Bacon prevailing wage requirements.

All District employees, officers, and agents who have purchasing authority shall abide by the standards of conduct covering conflicts of interest and governing the actions of its employees, officers, and agents engaged in the selection, award, and administration of contracts as established in Policy 1130 – Ethics and Conflict of Interest, Policy 3230 – Ethics and Conflict of Interest, and Policy 4230 – Ethics and Conflict of Interest.

The District will avoid acquisition of unnecessary or duplicative items. Consideration shall be given to consolidating or breaking out procurements to obtain a more economical purchase. When appropriate, an analysis shall be made between leasing and purchasing property or equipment to determine the most economical approach. These considerations are given as part of the process to determine the allowability of each purchase made with Federal funds.

To foster greater economy and efficiency, the District may enter into State and local intergovernmental agreements, where appropriate, for procurement or use of common or shared goods and services.

Competition

All procurement transactions under the Federal award paid for from Federal funds or District matching funds shall be conducted in a manner that provides full and open competition and that is in accordance with 2 C.F.R. Part 200, good administrative practice, and sound business judgment. To ensure objective contractor performance and eliminate unfair competitive advantage, the District shall exclude any contractor that has developed or drafted specifications, requirements, statements of work, or invitations for bids, from competition for such procurements.

Examples of situations that may restrict competition include, but are not limited to:

A. unreasonable requirements on firms for them to qualify to do business

B. unnecessary experience and excessive bonding requirements

C. noncompetitive pricing practices between firms or between affiliated companies

D. noncompetitive contracts to consultants that are on retainer contracts

E. organizational conflicts of interest

F. specification of only a "brand name" product instead of allowing for an "*or equal*" product to be offered and describing the performance or other relevant requirements of the procurement

G. any arbitrary action in the procurement process

To the extent that the District uses a pre-qualified list of persons, firms, or products to acquire goods and services that are subject to this policy, the pre-qualified list includes enough qualified sources to ensure maximum open and free competition. The District allows vendors to apply for consideration to be placed on the list continuously.

The District shall require that all prequalified lists of persons, firms, or products which are used in procurement transactions are current and include enough qualified sources to provide maximum open competition. When establishing or amending prequalified lists, the District (or subrecipient) must consider objective factors that evaluate price and cost to maximize competition. The District shall not preclude potential bidders from qualifying during the solicitation period.

To the extent consistent with established practices and legal requirements applicable to the recipient or subrecipient, this subpart does not prohibit recipients or subrecipients from developing written procedures for procurement transactions that incorporate a scoring mechanism that rewards bidders that commit to specific numbers and types of U.S. jobs, minimum compensation, benefits, on-the-job-training for employees making work products or providing services on a contract, and other worker protections. This subpart also does not prohibit recipients and subrecipients from making inquiries of bidders about these subjects and 2 C.F.R. Revisions 2024: Unofficial Comparison Version assessing the responses. Any scoring mechanism must be consistent with the U.S. Constitution, applicable Federal statutes and regulations, and the terms and conditions of the Federal award.

Solicitation Language (Purchasing Procedures)

The District shall have written procurement procedures (in accordance with 2 C.F.R. 200.319(d)) that require that all solicitations incorporate a clear and accurate description of the technical requirements for the property, equipment, or service being procured. The description may include a statement of the property, equipment, or service to be procured. When necessary, the description must set forth those minimum essential characteristics and standards to which the property, equipment, or service shall conform. Detailed product specifications should be avoided if at all possible.

When it is impractical or uneconomical to clearly and accurately describe the technical requirements, a "brand name or equivalent" description of features to provide procurement requirements may be used. The specific features of the named brand must be clearly stated and the District must identify any additional requirements which the offerors must fulfill and all other factors that will be used in evaluating bids or proposals.

The Board will not approve any expenditure for an unauthorized purchase or contract.

Procurement Methods

The District shall have and use documented procedures, consistent with the standards described above, for the following methods of procurement:

A. **Informal Procurement Methods**

Informal procurement methods for small purchases expedite the completion of transactions, minimize administrative burdens, and reduce costs. Informal procurement methods may be used when the value of the procurement transaction under a Federal award does not exceed the simplified acquisition threshold, or a lower threshold established by the State. The informal procurement methods include:

1. **Micro-Purchases**

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed $ 15,000 ~~10,000~~. To the extent practicable, the District should distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be made without soliciting competitive quotations if the District Administrator considers the price to be reasonable based on research, experience, purchase history or other relevant information and maintains documents to support its conclusion. The District shall maintain evidence of this reasonableness in the records of all purchases made by this method.

An eligible District may self-certify a threshold of up to $50,000 on an annual basis and must maintain documentation to be made available to the Federal agency or pass-through entity and auditors in accordance with 2 C.F.R. 200.334. The self-certification, in accordance with 2 C.F.R. 200.334, must include a justification, clear identification of the threshold, and supporting documentation of any of the following:

a. a qualification as a low-risk auditee in accordance with the criteria in 2 C.F.R. 200.520;
b. an annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or
c. for public institutions, a higher threshold is consistent with State law.

2. **Small Purchases**

Small purchases include the acquisition of property or services, the aggregate dollar amount of which is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold of $ 350,000 ~~25,000~~. Small purchase procedures require that price or rate quotations shall be obtained from an adequate number of qualified sources.

Districts are responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures which must not exceed the threshold established in the Federal Acquisition Regulations ("FAR"). When applicable, a lower simplified acquisition threshold used by the District must be authorized or not prohibited under State, local, or tribal laws or regulations.

B. **Formal Procurement Methods**

When the value of the procurement for property or services under a Federal award exceeds the simplified acquisition threshold, or a lower threshold established by the State, formal procurement methods are required. Formal procurement methods require following documented procedures. Formal procurement methods also require public advertising unless a non-competitive procurement method can be used in accordance with the standards on competition in 200.319 or non-competitive procurement. The formal methods of procurement are:

1. **Sealed Bids**

Sealed, competitive bids shall be obtained when the purchase of, and contract for, single items of supplies, materials, or equipment which amounts to more than $ 350,000 ~~50,000~~ and when the Board determines to build, repair, enlarge, improve, or demolish a school building/facility, the cost of which will exceed $50,000.

In order for sealed bidding to be feasible, the following conditions shall be present:

a. a complete, adequate, and realistic specification or purchase description is available;
b. two (2) or more responsible bidders have been identified as willing and able to compete effectively for the business; and
c. the procurement lends itself to a firm fixed-price contract and the selection of the successful bidder can be made principally based on price.

When sealed bids are used, the following requirements apply:

a. Bids shall be solicited in accordance with the provisions of State law and Policy 6320. Bids shall be solicited from an adequate number of qualified suppliers, providing sufficient response time

prior to the date set for the opening of bids. The invitation to bid shall be publicly advertised.
b. The invitation for bids must define the items or services with specific information, including any required specifications, for the bidder to properly respond.
c. All bids will be opened at the time and place prescribed in the invitation for bids; bids will be opened publicly.
d. A firm fixed-price contract is awarded in writing to the lowest responsive bid and responsible bidder. When specified in the invitation for bids, factors such as discounts, transportation costs, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts must only be used to determine the low bid when the District determines they are a valid factor based on prior experience.
e. The Board reserves the right to reject any or all bids but must document and provide a justification for all bids it rejects.

2. **Proposals**

Procurement by proposals is a method in which either a fixed-price or cost-reimbursement contract is awarded. This method is used when conditions are not appropriate for the use of sealed bids or in the case of a recognized exception to the sealed bid method.

If this method is used, the following requirements apply:

a. Requests for proposals require public notice and must identify all evaluation factors and their relative importance. To the maximum extent practicable, any proposals submitted in response to the public notice must be considered.
b. Proposals shall be solicited from an adequate number of sources.
c. The District must have written procedures for conducting technical evaluations and for making selections.
d. Contracts must be awarded to the responsible offeror whose proposal is most advantageous to the District considering price and other factors.

The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby the competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where the price is not used as a selection factor, can only be used to procure A/E professional services. The method cannot be used to purchase other services provided by A/E firms that are a potential source to perform the proposed effort.

3. **Noncompetitive Procurement**

Procurement by noncompetitive proposals may be used only when one (1) or more of the following circumstances apply:

a. the aggregate amount of the procurement transaction does not exceed the micro-purchase threshold;
b. the procurement transaction can only be fulfilled by a single source;
c. the public exigency or emergency for the requirement will not permit a delay resulting from providing public notice of a competitive solicitation;
d. the District requests in writing to use a noncompetitive procurement method, and the Federal agency or pass-through entity provides written approval; or
e. after soliciting several sources, competition is determined to be inadequate.

Domestic Preference for Procurement

The District should, to the extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. Such requirements shall be included in all subawards, contracts, and purchase orders under the Federal award.

Procurement of Recovered Materials

The District must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended, 42 U.S.C. 6962. These requirements include:

A. procuring only items designated in the guidelines of the Environmental Protection Agency ("EPA") at 40 C.F.R. part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000;
B. procuring solid waste management services in a manner that maximizes energy and resource recovery; and
C. establishing an affirmative procurement program for the procurement of recovered materials identified in the EPA guidelines.

The District should, to the greatest extent practicable and consistent with law, purchase, acquire, or use products and services that can be reused, refurbished, or recycled; contain recycled content, are biobased, or are energy and water efficient; and are sustainable.

This may include purchasing compostable items and other products and services that reduce the use of single-use plastic products.

Contract/Price Analysis

The District shall perform a cost or price analysis for every procurement transaction, including contract modifications, in excess of the Simplified Acquisition Threshold (currently $ 350,000 ~~250,000~~). The method and degree of analysis conducted depend on the facts surrounding the particular procurement transaction. For example, the District should consider potential workforce impacts in their analysis if the procurement transaction will displace public sector employees. However, as a starting point, the District must make independent estimates before receiving bids or proposals.

A cost analysis generally means evaluating the separate cost elements that make up the total price, while a price analysis means evaluating the total price, without looking at the individual cost elements. The District must not use the "cost plus a percentage of cost" and "percentage of construction costs" methods of contracting.

Costs or prices based on estimated costs for contracts under the Federal award are allowable only to the extent that the costs incurred or cost estimates included in negotiated prices would be allowable for the District according to cost principle requirements.

Time and Materials Contracts

The District uses a time and materials type contract only 1) after a determination that no other contract is suitable; and 2) if the contract includes a ceiling price that the contractor exceeds at its own risk. A time-and-materials type contract means a contract whose cost to the District is the sum of the actual costs of materials and direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit.

Because this formula generates an open-ended contract price, a time-and-materials contract provides no positive profit incentive to the contractor for cost control or labor efficiency. Therefore, the District sets a ceiling price for each contract that the contractor exceeds at its own risk. Further, the District shall assert a high degree of oversight to obtain reasonable assurance that the contractor is using efficient methods and effective cost controls.

Suspension and Debarment

The District will award contracts only to responsible contractors that possess the ability to perform successfully under the terms and conditions of the proposed contract. All purchasing decisions shall be made in the best interests of the District and shall seek to obtain the maximum value for each dollar expended. When making a purchasing decision, the District shall consider such factors as 1) contractor integrity; 2) public policy; 3) compliance; 4) proper classification of employees; 5) record of past performance; and 6) financial and technical resources.

The District shall not subcontract with or award subgrants to any person or company who is debarred or suspended. For contracts over $25,000, the District shall confirm that the vendor is not debarred or suspended by either checking the Federal government's System for Award Management, which maintains a list of such debarred or suspended vendors, at www.sam.gov; collecting a certification from the vendor; or adding a clause or condition to the covered transaction with that vendor. (2 C.F.R. Part 180 Subpart C)

Bid Protest

The District maintains the following protest procedures to handle and resolve disputes relating to procurements and, in all instances, discloses information regarding the protest to the agency.

A bidder who wishes to file a bid protest shall file such notice and follow procedures prescribed by the Request For Proposals ("RFPs") or the individual bid specifications package, for resolution. Bid protests shall be filed in writing with the District Administrator within seventy-two (72) hours of the opening of the bids in protest.

Within five (5) days of receipt of a protest, the District Administrator shall review the protest as submitted and render a decision regarding the merits of the protest and any impact on the acceptance and rejection of bids submitted. Notice of the filing of a bid protest shall be communicated to the Board and shall be so noted in any subsequent recommendation for the acceptance of bids and awarding of contracts.

Failure to file a notice of intent to protest or failure to file a formal written protest within the time prescribed shall constitute a waiver of proceedings.

Maintenance of Procurement Records

The District shall maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to, the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price (including a cost or price analysis).

Records Retention

The District must retain all Federal award records for three (3) years from the date of submission of the final financial report, or as otherwise required pursuant to the Board-adopted records retention schedule, whichever is longer. For awards that are renewed quarterly or annually, the District must retain records for three (3) years from the date of submission of the quarterly or annual financial report, respectively, or as otherwise required pursuant to the Board-adopted records retention schedule, if longer. Records to be retained include, but are not limited to, financial records, supporting documentation, and statistical records. Other records retention requirements shall be in accordance with 2 C.F.R. 200.334 and the Board-adopted records retention schedule.

The District must collect, transmit, and store Federal award information in an open file, non-licensed, and machine-readable formats. The District may substitute electronic versions of original paper records through duplication or other forms of electronic conversion, provided that the procedures are subject to periodic quality control reviews. Quality control reviews must ensure that electronic conversion procedures provide safeguards against the alteration of records and assurance that records remain in a format that is readable by a computer system.

The Board prohibits the operation of small Unmanned Aircraft Systems (sUAS), commonly known as drones, at any time on a property that is owned or leased or contracted for by the Board at any time by any individual who is not authorized to do so by the District Administrator.

Any individual who violates this policy ~~(-)~~ - may be ~~(-) shall be [END OF OPTION]~~ - referred to local law enforcement and/or subject to discipline, if an employee or student.

If sUAS (drones) are used during high school athletic activities and/or events, the use will adhere to the Wisconsin Interscholastic Athletic Association's (WIAA) administrative policies and procedures.

To be authorized to operate a drone on property owned or leased or contracted for by the Board, the individual or organization granted permission by the Board ~~a staff member or administrator or vendor employed by the Board~~ must meet all criteria for the operation of and comply with all requirements and restrictions pertaining to the operation of any sUAS established by the Federal Aviation Administration (FAA).

Failure to adhere by applicable regulations may result in loss of authorization to operate a drone on property owned or leased or contracted for by the Board, referral to local law enforcement, and/or further disciplinary action, up to and including termination.

A drone(s) may be operated over property owned by the District at the direction of the sheriff or the chief of a public protective agency having jurisdiction over the territory on which the District property is located for any of the following purposes:

A. to assist in an active search and rescue operation;
B. to locate an escaped prisoner;
C. to surveil a place or location for the purpose of executing an arrest warrant; or,
D. when a law enforcement officer has reasonable suspicion to believe that the use of a drone is necessary to prevent imminent danger to an individual or to prevent imminent destruction of evidence.

ANIMALS ON DISTRICT PROPERTY

ADOPTED Apr 22, 2019 · REVISED Sep 23, 2024

8390 - **ANIMALS ON DISTRICT PROPERTY**

The Board recognizes that there are many occasions when animals are present on District property and many reasons for those animals' presence. Animals are commonly utilized by teachers during classroom presentations and are often housed in classrooms and other locations on campus. Additionally, employees, students, parents, vendors, and other members of the public may be accompanied at school by a service animal in accordance with Federal and State law and this policy.

This policy shall apply to all animals on District property.

Definitions

A. **"Animal"**: Includes any living creature that is not a human being.

B. **"Service animal"**: any guide dog, signal dog, or other animal that is individually trained or being trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability. Examples of work or tasks include, but are not limited to, assisting individuals who are blind or have low vision with navigation and other tasks, alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing non-violent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to the presence of allergens, retrieving items such as medicine or the telephone or fallen objects, providing physical support and assistance with balance and stability to individuals with mobility disabilities, and helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors. The crime deterrent effects of an animal's presence and the provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks for the purposes of this definition.

   The Americans with Disabilities Act (ADA) has also specifically defined a miniature horse as an animal that can serve as a service animal, so long as the miniature horse has been individually trained to do work or perform tasks for the benefit of the individual with a disability. To better determine whether the Board must allow for the use of a miniature horse or make modifications to buildings, the Board should refer to Section 35.136 (c) through (h) of the ADA.

C. **"Emotional Support Animal"**: Emotional support animals provide comfort to individuals but are not trained to perform a specific job or tasks. This definition does not include psychiatric service animals who are properly trained and certified as a "service animal". See 28 C.F.R 36.104

D. **"Therapy Dog"**: Therapy dogs are dogs who go with their owners to volunteer in settings such as schools, hospitals, and nursing homes for the purpose of providing affection and comfort to aid in a particular purpose, such as healing, or learning. A therapy dog in a school setting services the function of assisting students in the learning process while providing comfort and affection to specific students or to a group of students. Therapy dogs are not service dogs and do not have the same special access as service dogs. (source: American Kennel Club/AKC)

Vaccination, Licensing and/or Veterinary Requirements

Animals housed on District property or brought on District property for any school purpose, such as to conduct random searches for illegal substances or to support classroom activities, or brought on to District property on a

regular basis for any purpose, including service animals, must meet every veterinary requirement set forth in State law and County regulation/ordinance, including but not limited to rabies vaccination or other inoculations required for the animal to be properly licensed.

Non-Service Animals in Schools and Elsewhere on District Property

Animals permitted in schools and elsewhere on District property shall be limited to those necessary to support specific curriculum-related projects and activities, those that provide assistance to a student or staff member due to a disability (e.g., seizure disorder), or those that serve as service animals as required by Federal and State law.

Taking into consideration that some animals can cause or exacerbate allergic reactions, spread bacterial infections, or cause damage and create a hazard if they escape from confinement, the Principal may permit non-service animals to be present in classrooms to support curriculum-related projects and activities only under the following conditions:

A. the staff member seeking approval to have a non-service animal in a classroom shall:

1. provide a current satisfactory health certificate or report of examination from a veterinarian for the animal, if required by applicable law or ordinance;

2. take precautions deemed necessary to protect the health and safety of students and other staff;

3. ensure that the animal is treated humanely, keeping it in a healthy condition and in appropriate housing (e.g., a cage or tank) that is properly cleaned and maintained;

4. keep the surrounding areas in a clean and sanitary condition at all times; and

B. other staff members and parents of students in areas potentially affected by animals have been notified in writing and adjustments have been made to accommodate verified health-related or other concerns.

Except where required by law, the presence of a non-service animal shall be disallowed if documented health concerns of a student or staff member cannot be accommodated.

Emotional Support Animals for Students

An emotional support animal is not granted the same access to school buildings and classrooms, as service animals. The District is not required to grant students' requests that they be permitted to bring an emotional support animal to classes or on school grounds for any purpose. The District Administrator may grant a student use of emotional support animal on a case-by-case basis if necessary and not disruptive to the environment or other students.

Therapy Dogs

Therapy dogs are the personal property of the handler and are specially trained to help all students in the assigned classroom, program, or school. Authorization for a therapy dog to be on District grounds may be granted by the building principal provided the following conditions are met each year:

A. Documentation of certification as a therapy dog from the AKC, Intermountain Therapy Animals (R.E.A.D.), Alliance of Therapy Dogs, Bright and Beautiful Therapy Dogs, Love on a Leash, Pet Partners, Therapy Dogs International, or another certification program recognized by the AKC.

B. Documentation of an educational purpose for the therapy dog and a regular appraisal period for continuation.

C. Documentation that the therapy dog is not younger than one (1) year-old and is properly licensed according to local requirements.

D. Documentation from a licensed veterinarian that the therapy dog is current on its vaccinations and immunizations, is free of fleas and ticks, is in good health, is housebroken, and does not pose a danger to

the well-being of students or staff.

E. Documentation of an insurance policy that provides liability insurance for the therapy dog while on District grounds.

F. Documentation that the handler has completed a background check consistent with Board policy and is prepared to be solely responsible for the therapy dog, its care, cleaning, feeding, and cleanup while on District grounds.

G. Agreement that the therapy dog and handler will abide by school rules and any specific rules for the therapy dog's presence on District grounds.

Authorization for a therapy dog to be on District grounds will be suspended if the therapy dog is the source of an allergic reaction, causes discomfort or distress of a student or staff member, shows aggression or disruptive behavior, relieves itself inappropriately, or otherwise interferes with the learning environment. Reinstatement of authorization for the therapy dog to be on District grounds requires approval by the building principal. Authorization for a therapy dog to be on District grounds may be withdrawn at any time by the District Administrator.

Service Animals for Students

A service animal is permitted to accompany a student with a disability to whom the animal is assigned anywhere on the school campus where students are permitted to be. A service animal is the personal property of the student and/or parents. The Board does not assume responsibility for training, daily care, or healthcare of service animals. The Board does not assume responsibility for personal injury or property damage arising out of or relating to the presence or use of service animals on District property or at District-sponsored events. A service animal that meets the definitions set forth in the ADA and this policy shall be under the control of the student with a disability, or a separate handler if the student is unable to control the animal. A service animal shall have a harness, leash, or other tether, unless either the student with a disability is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the student's control (e.g., voice control, signals, or other effective means), or under the control of a handler other than the student.

If the student with a disability is unable to control the service animal and another person serves as the animal's handler, that individual shall be treated as a volunteer and, as such, will be subject to Policy 8120 - Volunteers.

Removing and/or Excluding a Student's Service Animal

If a service animal demonstrates that it is not under the control of the student or its handler, the Principal is responsible for documenting such behavior and for determining if and when the service animal is to be removed and/or excluded from school property.

Similarly, in instances when the service animal demonstrated that it is not housebroken, the Principal shall document such behavior and determine whether the service animal is to be removed and/or excluded from school property.

The Principal should notify the District Administrator prior to or as soon thereafter as is practicable when a service animal has been removed and/or excluded, and, immediately subsequent to such notification, document the reasons for the removal and/or exclusion.

The Principal's decision to remove and/or exclude a service animal from school property may be appealed in accordance with the complaint procedure set forth in Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity.

The procedures set forth in Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity do not interfere with the rights of a student and his/her parents or an eligible student to pursue a complaint of legally prohibited discrimination with the United States Department of Education's Office for Civil Rights or the Department of Justice.

Eligibility of a Student's Service Animal for Transportation

A student with a disability shall be permitted to access School District transportation with hthe student's service animal. There may also be a need for the service animal's handler, if the handler is someone other than the student, to also access School District transportation.

When a service animal is going to ride on a school bus owned, leased, or contracted for by the District, the student and the student's parents, or eligible student, and the handler, if the handler is someone other than the student, shall meet with the Principal and Contracted Transportation Supervisor to discuss critical commands needed for daily interaction and emergency/evacuation, and to determine whether the service animal should be secured on bus/vehicle with a tether or harness.

While the bus is in motion, the service animal shall remain positioned on the floor, at the student's feet.

Situations that would cause cessation of transportation privileges for the service animal include:

A. the student, or handler, is unable to control the service animal's behavior, which poses a threat to the health or safety of others; or

B. the service animal urinates or defecates on the bus.

The student and the student's parents shall be informed of behaviors that could result in cessation of transportation privileges for the service animal, in writing, prior to the first day of transportation.

If it is necessary to suspend transportation privileges for the service animal for any of the above reasons, the decision may be appealed to the District Administrator.

Although transportation may be suspended for the service animal, it remains the District's responsibility to transport the student. Furthermore, unless the behavior that resulted in the service animal's removal from the bus is also documented during the school day, the service animal may still accompany the student in school.

Service Animals for Employees

In accordance with Policy 8913 - Section 504/ADA Prohibition Against Disability Discrimination in Employment, the Board provides qualified individuals with disabilities with reasonable accommodation(s). An employee with a disability may request authorization to use a service animal while on duty as such an accommodation. The request will be handled in accordance with the ADA mandated interactive process.

Service Animals for Parents, Vendors, Visitors, and Others

Individuals with disabilities who are accompanied by their service animals are permitted access to all areas of the District's facilities where members of the public, as participants in services, programs or activities, as vendors, or as invitees, are permitted to go. Individuals who will access any area of the District's facilities with their service animals should follow the building's standard visitor registration procedures and are encouraged to notify the Principal that their service animal will accompany them during their visit.

An individual with a disability who attends a school event will be permitted to be accompanied by his/her service animal in accordance with Policy 9160 - Public Attendance at School Events.

Non District Owned Animals on District Property

The Board recognizes that the district provides the community with spaces for their use. This includes but is not limited to, athletic playing/practice fields, elementary and middle/high school track, playgrounds, walking trails, and various other areas and green space.

All animals are prohibited from athletic playing/practice fields and playgrounds, unless given prior permission by the District Administrator.

During school hours and when children are present for district related activities, animals must be kept in a locked vehicle, with the only exception being the designated community walking trail. This includes district owned

sidewalks, parking lots, green space, etc. Any animal on the community walking trail during school hours or when children are present, must be leashed.

Community members who walk animals on the elementary track, parking lot, community trail, or other school district property, not during school hours or when children are not present, must keep their animals leashed or under control per City Code 12.12 - Regulation of Dogs and Cats.

If your animal defecates on district property, it is solely your responsibility as the owner to properly dispose of the waste. Reference City Code 12.12 (9) - Animal Waste

Vol. 35, No. 2 - July 2026 Revised CRISIS INTERVENTION

ADOPTED Apr 22, 2019 · REVISED Feb 24, 2026

8410 - **CRISIS INTERVENTION**

The Board is committed to maintaining a safe school environment. The Board believes that school crime and violence are multifaceted problems that need to be addressed in a manner that utilizes the best resources and coordinated efforts of District personnel, law enforcement agencies, and families. The Board further believes that administrators and local law enforcement officials must work together to provide for the safety and welfare of students while they are at school or a school-sponsored activity or while enroute to or from school or a school-sponsored activity. The Board also believes that the first step in addressing school crime and violence is to assess the extent and nature of the problem(s) or threat, and then plan and implement strategies that promote school safety and minimize the likelihood of school crime and violence.

The District Administrator shall develop administrative guidelines as appropriate to assist in providing effective intervention for students who may show warning signs that relate to violence or other threatening behaviors.

The District shall develop and the Board shall approve a school safety plan consistent with Policy 8420 - School Safety and Reporting of Crime Statistics.

Threat Assessment

The primary purpose of a threat assessment is to minimize the risk of targeted violence at school. This policy is designed to be consistent with the process for identifying, assessing, and managing students who may pose a threat as set forth in the joint U.S. Secret Service and U.S. Department of Education publication, *Threat Assessment in Schools: A Guide to Managing Threatening Situations and to Creating Safe School Climates*. The goal of the threat assessment process is to take appropriate preventive or corrective measures to maintain a safe school environment, protect and support potential victims, and provide assistance, as appropriate, to the student being assessed. The District also performs facilities' threat assessments, which are discussed in Policy 8420 - School Safety and Reporting of Crime Statistics and part of the school safety and emergency preparedness plan and response to school violence event protocols. This policy deals with crisis intervention as it relates to individuals.

The threat assessment process is centered upon an analysis of the facts and evidence of behavior in a given situation. The appraisal of risk in a threat assessment focuses on actions, communications, and specific circumstances that might suggest that an individual intends to cause physical harm and is engaged in planning or preparing for that event.

The Board authorizes the District Administrator to create building-level, trained threat assessment teams. Each Team shall be headed by the Principal and include appropriate staff such as a school counselor, school psychologist, instructional personnel, and, where appropriate, the School Resource Officer. At the discretion of the District Administrator, a threat assessment team may serve more than one (1) school when logistics and staff assignments make it feasible.

The Team will meet when the Principal learns a student has made a threat of violence or engages in concerning communications or behaviors that suggest the likelihood of a threatening situation.

The Team is empowered to gather information, evaluate facts, and make a determination as to whether a given student poses a threat of violence to a target. If an inquiry indicates that there is a risk of violence in a specific situation, the Team may collaborate with others to develop and implement a written plan to manage or reduce the threat posed by the student in that situation.

The District Administrator shall be responsible for the following:

A. identifying team participants by position and role;

B. requiring team participants to undergo appropriate training;

C. defining the nature and extent of behavior or communication that would trigger a threat assessment and/or action pursuant to a threat assessment;

D. defining what types of information that may be gathered during the assessment;

E. stating when and how parents of a student making a threat shall be notified and involved;

F. designating the individuals (by position) who would be responsible for gathering and investigating information;

G. identifying the steps and procedures to be followed from initiation to conclusion of the threat assessment inquiry or investigation.

Board employees, volunteers, and other school community members, including students and parents, shall immediately report to the District Administrator or Principal any expression of intent to harm another person or other statements or behaviors that suggests a student may intend to commit an act of violence.

Nothing in this policy overrides or replaces an individual's responsibility to contact 911 in an emergency or to report threats of violence if required (see Policy 8462.01 - Threats of Violence).

Regardless of threat assessment activities or protocols, disciplinary action and referral to law enforcement shall occur as required by State law and Board policy.

Threat assessment team members shall maintain student confidentiality at all times as required by Board Policy 8330 – Student Records, and State and Federal law.

Persistently Dangerous Schools

The Board recognizes that State and Federal law requires that the District report annually incidents that meet the statutory definition of violent criminal offenses that occur in a school, on school grounds, on a school conveyance, or at a school-sponsored activity. It is further understood that the Wisconsin Department of Public Instruction will then use this data to determine whether or not a school is considered "persistently dangerous" as defined by State policy.

Pursuant to the Board's stated intent to provide a safe school environment, the school administrators are expected to respond appropriately to any and all violations of the Student Code of Conduct, especially those of a serious, violent nature. In any year where the number of reportable incidents of violent criminal offenses in any school exceeds the threshold number established in State policy, the District Administrator shall convene a meeting of the building administrator, representative(s) of the local law enforcement agencies, and any other individuals deemed appropriate for the purpose of developing a plan of corrective action that can be implemented in an effort to reduce the number of these incidents in the subsequent year.

The District Administrator shall make a report to the Board about this plan of corrective action and shall recommend approval and adoption of it.

In the unexpected event that the number of reportable incidents in three (3) consecutive school years exceeds the statutory threshold and the school is identified as persistently dangerous, students attending the school shall have the choice option as provided in Policy 5113.02.

In addition, the District Administrator shall convene a meeting of the building administrator, representative(s) of the local law enforcement agencies, and any other individuals deemed appropriate for the purpose of developing a plan of corrective action that can be implemented in an effort to reduce the number of these incidents in the subsequent year.

The transfer provision under PI 23 only applies if the District has another appropriate grade level public school, including a public charter. The U.S. Department of Education encourages but does not require Districts to explore

other appropriate options such as an agreement with a neighboring school district to accept transfer pupils if there is not another school in the district for the transferring student, or alternative open-enrollment under 118.51, Wis. Stat s .

Victims of Violent Crime

The Board further recognizes that, despite the diligent efforts of school administrators and staff to provide a safe school environment, an individual student may be a victim of a violent crime in a school, on school grounds, on a school conveyance, or at a school-sponsored activity. In accordance with Federal and State law, the parents of the eligible student shall have the choice options provided by Policy 5113.02.

Vol. 35, No. 2 - July 2026 Revised TRANSPORTATION

ADOPTED Apr 22, 2019 · REVISED Feb 24, 2025

8600 - **TRANSPORTATION**

It is the policy of the Board to provide transportation for those students, of any age, whose distance from their school makes this service necessary within the limitations established by State law and the regulations of the Department of Public Instruction or other appropriate agency.

School buses and student-transportation vehicles shall be purchased, housed, and maintained by the District or the District shall contract for transportation services in accordance with Policy 8680 - Transportation Services Contracts for the transportation of resident students between their home areas and the schools of the District to which they are assigned. In accordance with State law, the District shall not transport students by alternative transportation methods of vehicles carrying more than nine (9) passengers and the operator. This prohibition does not apply to school buses operated in compliance with the Wisconsin Department of Transportation's regulations.

All school buses and student-transportation vehicles, whether purchased, leased, or contracted for as provided in Policy 8680 - Transportation Services Contract shall comply with specifications defined in State and Federal law. Each operator of a school vehicle used to transport students of the District shall be licensed for the purpose for which the vehicle is being used and shall operate the vehicles in accordance with Federal and State laws.

Transportation for private school students, eligible for transportation under State law, shall be provided on the same basis as for District students.

For the purposes of this policy, the term "student with a disability" refers to a student who qualifies for special education under the Individuals with Disabilities Education Act (IDEA). In addition to transportation provided routinely to all students, some students with disabilities require transportation (often called "specialized transportation") as a related service as part of their individualized education program (IEP). Students with disabilities are entitled to transportation as a related service only if the IEP team has determined that transportation is necessary for the student to benefit from special education. Outside of IEP team determinations about specialized transportation, State and local officials set most transportation policies and procedures.

Transportation must be viewed as a way to include students with disabilities with their nondisabled peers. In general, transportation for students with disabilities should occur in the same manner as for their peers. This may be especially important for students with disabilities who have limited opportunities during the school day to interact with their nondisabled peers. Safety issues must also be taken into consideration when determining appropriate transportation arrangements.

Transportation of eligible students with exceptional educational needs or attending a technical education program shall be arranged through the use of District-owned vehicles, through cooperation with other districts, through commercial carriers, and/or by other means in the most efficient and economical manner.

Transportation privileges may be revoked if the student's conduct is in violation of the District Administrator's administrative guidelines, contracted vendor guidelines, or the Code of Conduct pertaining to student transportation. Such revocation shall be in accord with statutorily-required procedures.

Nonroutine Use of School Buses

The Board may permit the school buses owned or leased by this District to be used for purposes other than regularly scheduled routes to and from school in accordance with legal requirements, provided such trips do not interfere with routine school transportation services.

Vehicles must be operated when possible by an employee of this District, or otherwise by a qualified individual approved by the District Administrator. The cost of transportation shall be reimbursed to the Board in accordance with an established formula.

Surveillance on School Buses

The Board authorizes the District Administrator or the contracted vendor to install and operate video and audio surveillance on District buses to enhance student safety and well-being.

Any agreement with a transportation contractor for the provision of transportation services for the District shall have language regarding the use of video and audio surveillance on all school buses.

The ~~It is strongly recommended that the~~ District shall provide notification to students and parents regarding this policy permitting video ~~(~~) - and audio (on some buses) ~~[END OF OPTION]~~ surveillance on District buses, and shall clearly post notice of such surveillance on the interior of the bus. Recordings pursuant to this policy shall remain confidential except for use by school officials or law enforcement for investigations, school discipline, or criminal prosecutions.

The Board shall maintain video surveillance/electronic monitoring recordings for a limited period. Any request to view a recording under this policy should be made promptly after the event/incident in order to assure its availability. Delayed inquiries may not be available depending on current retention capabilities. If action is taken by the Board/Administration, as a result of a formal complaint or incident, recordings, if available, shall be kept consistent with the Board's record retention policy.

All nonpublic 4K-12 school pupils shall be transported in accordance with Wisconsin Statute.

The attendance area for the purpose of providing transportation of parochial students shall be the Clintonville Public School District.

The District has made available for all authorized staff the use of district-owned vehicles. The purpose of these vehicles is to provide transportation for small groups of students, staff members, coaches, or Board Members who are attending school-related functions. These vehicles are intended for school use only. Students may not drive these vehicles. All drivers must complete or have on file required District and WI Dept. of Transportation paperwork to be an authorized driver prior to any requested trip. Use of district vehicles must be requested in advance of any trip on approved District forms. The District Administrator reserves the right to limit or deny the use of District vehicles for any valid reason.

District-Owned Vehicles Used for Transporting Students

All drivers of motor vehicles owned by the District and used for transportation of students shall be under written contract with the Board as required by 121.52, Wis. Stats.

All operators of motor vehicles owned by the District and used for transportation of students shall be subject to the provisions of 121.555, Wis. Stats. and may be subject to the District's employee drug testing policy in accordance with Policy 8601 - Controlled Substance and Alcohol Policy for Employees that Transport Students.

~~[DRAFTING NOTE: Wisconsin and Federal law applicable to Wisconsin includes the concepts of gender identity and gender stereotypes/nonconformance within the definition of "sex". Whether the language is included expressly in policy or not, Districts are still required to investigate complaints alleging discriminatory treatment on the basis of gender identity and to remedy violations.]~~

The Board does not discriminate on the basis of race, color, national origin, age, sex ~~- (] (including gender status, change of sex, sexual orientation, or gender identity) [END OF OPTION]~~, pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other legally protected category in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions outlined in this policy.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an employee, supervisor, manager, or other member of the District staff, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when the conduct is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws and is severe or pervasive enough to alter the conditions of employment or create a hostile environment. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that

could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's

national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).

D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

    a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching ~~(~~; and obscene gestures ~~[END OF OPTION]~~.
    b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
    c. Rape, sexual assault, or other acts of sexual violence.
    d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
    e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
    f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
    g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the

nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).

h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's status in the uniformed services, which includes the performance of duty on a voluntary or involuntary basis in a uniformed service, including active duty, active duty for training, initial active duty for training, inactive duty for training, full-time National Guard duty, and performance of duty or training by a member of Wisconsin organized militia. It also includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any duty listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).

B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

District Compliance Officer(s)

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board's responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as "Civil Rights Coordinator(s)" or "Anti-Harassment Compliance Officer(s)") (hereinafter referred to as the "District Compliance Officer(s)" or "CO(s)"):

~~[DRAFTING NOTE: The District may want to create a static (i.e., fixed) District Compliance Officer-specific email address and phone number that will not change when the person(s) and/or position(s) designated to be the CO(s) change(s) – e.g., CO4CivilRights@(insert District's domain) – which the Technology Director/Department can program to be forwarded to the actual individual(s) serving as the District Compliance Officer(s) at any given time. Likewise, the District may want to establish a static Telephone Number for the position of District Compliance Officer that can be forwarded to, and accessed by, the actual person(s) serving in the CO position(s) at any given time. These two (2) steps will help reduce the information that needs to be updated in policy, AG, and/or the requisite notices/postings and publications when changes occur to the specific person(s)/position(s) designated to serve as the CO(s).]~~

~~[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]~~

~~[ ]~~ - The Board designates the Pupil Services Director ~~_____~~ - ~~[DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation]~~ as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. - ~~[END OF OPTION]~~

The contact information concerning the District Compliance Officer(s) will be published on the School District's website and annually:

B. in the School District Annual Report to the public.

~~[DRAFTING NOTE: The Board may want to select the following option when the District Administrator is not the CO. ~~[ ]~~ - The District Compliance Officer(s) shall report directly to the District Administrator except when the District Administrator is a party to a complaint (i.e., either the complainant or the respondent). Questions about this policy should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s)

shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. Copies of the laws and regulations listed above are available upon request from the CO(s).

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The District Administrator shall provide notice of the Board's policy on nondiscrimination and the identity of the School District's Compliance Officer(s). Such notice will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Reports and Complaints of Prohibited Conduct and Retaliation

Employees are required to report incidents of Prohibited Conduct and/or retaliation to an administrator, supervisor, or other supervisory employees so that the Board may address the conduct. Any administrator, supervisor, or other supervisory employees who receive such a report shall file it with the CO as soon as reasonably practicable.

Discrimination against an individual based on their sex (including gender status, sexual orientation, and gender identity) is discrimination in violation of Title VII. Specifically, discrimination on the basis of sex stereotyping/gender-nonconformity constitutes sex discrimination. This is true irrespective of the cause of the person's gender non-conforming behavior. Employment actions based upon an individual's sex could be suspect and potentially impermissible.

COs are required to investigate allegations of Prohibited Conduct involving the discrimination or harassment of an employee or applicant based upon their gender status, sexual orientation, and gender identity.

Any questions concerning whether alleged Prohibited Conduct might violate this prohibition should be brought to the CO's attention promptly.

Employees who believe they have been subject to Prohibited Conduct are entitled to utilize the complaint process set forth below. Initiating a complaint will not adversely affect the Complainant's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as practicable after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to Prohibited Conduct or Retaliation. COs shall accept reports of Prohibited Conduct or Retaliation directly from any member of the School District Community or a Third Party, or receive reports that are initially filed with another Board employee.

Upon receipt of a report of alleged Prohibited Conduct or Retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged Prohibited Conduct/Retaliation), or ~~( ) [OPTION 1] the CO will designate a specific individual to conduct such a process as identified in a pre-defined list of investigators. [END OF OPTION 1] ( ) [OPTION 2]~~ the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. ~~[END OF OPTION 2]~~ The CO will provide a copy of this policy to the Complainant and the Respondent upon request.

Any Board employee who directly observes Prohibited Conduct/Retaliation is obligated, in accordance with this policy, to report such observations to one of the COs as soon as reasonably practicable. Additionally, any Board employee who observes an act of discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should promptly notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO must contact the Complainant as soon as reasonably practicable to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Except for sex discrimination and/or sexual harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee who alleges to have been subjected to Prohibited Conduct or Retaliation may seek resolution of the complaint through the procedures described below. The complaint procedures involve an investigation of the individual's claims of Prohibited Conduct/Retaliation and a process for rendering a decision regarding whether the charges are substantiated.

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Wisconsin Equal Rights Division, or the Equal Employment Opportunity Commission ("EEOC").

Complaint Procedure

A Complainant who alleges Prohibited Conduct/Retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) the CO; or 3) to the District Administrator or other supervisory employees. Any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall coordinate with the other appointed/designated CO or, if appropriate, appoint/designate another individual to serve as CO for the complaint regarding a CO.

Due to the sensitivity surrounding complaints of Prohibited Conduct and Retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint as soon as reasonably practicable after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO at the employee's first opportunity, as soon as reasonably practicable.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further Prohibited Conduct or Retaliation, including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the District Administrator.

As soon as reasonably practicable, the CO or designee will initiate an investigation by, at a minimum, confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and, upon request, provided with a copy of any relevant policies and/or administrative guidelines, including this Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint and the obligation to do so within a reasonable timeframe established by the CO or designee based on the circumstances.

~~[ ] [OPTION 1] Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of Prohibited Conduct based on a protected class or Retaliation as promptly as reasonably practicable after receiving the formal complaint.~~ ~~[ ] [OPTION 2]~~ - Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or

factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and other evidence. The CO shall keep the Complainant reasonably informed of the investigation's progress. ~~[END OF OPTIONS]~~

The investigation will include:

A. interviews with the Complainant;
B. interviews with the Respondent;
C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of the Prohibited Conduct/Retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if Prohibited Conduct or Retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may ~~(~~ - in consultation with the District Administrator or Board President, if the matter involves the District Administrator, ~~[END OF OPTION]~~ - engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within a reasonable timeframe after receiving the report of the CO, the District Administrator either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A summary of the District Administrator's final decision will be provided to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed as soon as reasonably practicable, taking into account the availability of necessary witness(es) or documents. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in Prohibited Conduct/Retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the District Administrator may appeal through a signed written statement to the Board within five (5) days of the party's receipt of the District Administrator's decision. The written statement of appeal must be submitted to the District Administrator, who will forward the request to the Board President.

In an attempt to resolve the complaint, the Board shall review the findings and may meet with the concerned parties and their representatives within a reasonable timeframe after the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of its decision. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of Prohibited Conduct/Retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Board will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Respondents must be provided an opportunity to meaningfully respond to allegations, which may include disclosure of the Complainant's identity.

During the course of an investigation, the CO will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the Prohibited Conduct/Retaliation, or other appropriate action.

The Board may appoint an individual, who may be a District employee, to follow up with the Complainant to ensure no further Prohibited Conduct or Retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and any relevant codes of conduct.

When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct/Retaliation, or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of Prohibited Conduct, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment.

Education and Training

All District Compliance Officer(s), and other persons who are responsible for implementing the Board's complaint procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. ~~[]~~ - The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. ~~[END OF OPTION]~~ - The training shall not rely on stereotypes involving Protected Classes.

~~[]~~ - Training materials will be made available for inspection upon request by members of the public. ~~[END OF OPTION]~~

Special Update - Nondiscrimination - July 2026 Rescind NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

ADOPTED Apr 22, 2019 · REVISED Dec 13, 2021

~~1422.02 - NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE~~

~~The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify applicants or employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of the person as an employee, based on genetic information. Harassment of a person because of genetic information also is prohibited. Likewise, retaliation against a person for identifying, objecting to, or filing a complaint concerning a violation of this policy is prohibited.~~

~~The identity of the Compliance Officer (see Policy 1422 - Nondiscrimination and Equal Employment Opportunity) shall be posted throughout the District and published in any District statement regarding the prohibition of discrimination on the basis of genetic information in all aspects of employment, in any staff handbooks, and in general information publications of the District as required by Federal and State law and on the District website.~~

~~In accordance with Title II of the Genetic Information Nondiscrimination Act of 2008, 42 U.S.C. 2000ff, et seq., and 29 C.F.R. Part 1635 ("GINA"), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with GINA, applicants and employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be provided as part of the certification process for FMLA leave, or when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application for employment process. Employees and applicants for employment shall not be penalized for providing genetic information in good faith in response to a request from a District employee or agent, unless that applicant or employee refuses to delete the information at the request of the employee or agent of the District.~~

~~The Board recognizes that genetic information may be acquired through commercially and publicly available media including newspapers, books, magazines, periodicals, television shows or the Internet. The Board prohibits District employees and agents including commercial background investigation agents from searching these sources with the intent of finding or obtaining genetic information, or accessing sources from which they are likely to acquire genetic information. If genetic information about an employee or applicant is obtained in error, it shall be redacted immediately and not shared beyond the point of first receipt.~~

~~As used in this policy, "genetic information" means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for or receipt of genetic services or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.~~

~~The term "genetic information" does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family member that is not~~

derived from a genetic test.

As used in this policy, "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detect genotypes, mutations, or chromosomal changes. The term includes any test of a person's DNA/RNA.

If the District's employees or agents legally and/or inadvertently receive genetic information about an employee or applicant, it shall be treated as a confidential medical record in accordance with law.

The District's Compliance Officer (see Policy 1422 - Nondiscrimination and Equal Employment Opportunity) is responsible for overseeing the Board's compliance with this policy and GINA and proposing revisions and additions to this policy as necessary to ensure the Board's compliance with GINA. This person shall be responsible for working with the Board's legal counsel to fully implement the requirements of GINA in all activities of the School District. The Compliance Officer also shall verify that proper notice of nondiscrimination for Title II of GINA is provided to staff members, and that all requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) are accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

Genetic Information Nondiscrimination Act of 2008 (GINA) Disclosure Requirement

The Genetic Information Nondiscrimination Act of 2008 or "GINA" prohibits employers and other entities covered by the law, including the Board, from requesting or requiring genetic information of an employee or applicant or family member of an employee or applicant, except as specifically allowed by law. To comply with GINA, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Questions concerning compliance with the requirements of GINA may be directed to the Compliance Officer at 715-823-7215 .

The Board offers health services, - including a wellness program. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the District and no applicant or employee shall be identified or identifiable from the reported information.

The grievance procedure for complaints of discrimination in Policy 1422 applies to complaints of discrimination, including harassment, or retaliation prohibited by GINA and may be utilized if an employee alleges discrimination or harassment on the basis of genetic information or retaliation for identifying, objecting to, or filing a complaint concerning a violation of GINA or this policy.

Special Update - Nondiscrimination - July 2026 Rescind EMPLOYEE ANTI-HARASSMENT

ADOPTED Apr 22, 2019 · REVISED Aug 11, 2025

1662 - **EMPLOYEE ANTI-HARASSMENT**

Prohibited Harassment

The Board is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including gender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters (collectively, Protected Classes),or any other characteristic protected by law in its employment practices (hereinafter referred to as harassment), and encourages those within the School District community as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee-to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.

The Board will investigate all allegations of harassment and, in those cases where harassment is substantiated, take immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects.

Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

Notice

Notice of the Board's policy on anti-harassment related to employment practices and the identity of the District's Compliance Officers will be posted throughout the District and published in any District statement regarding the availability of employment, staff handbooks, and general information publications of the District as required by Federal and State law and this policy.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant : - is the individual who alleges, or is alleged, to have been subjected to harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Day(s): - Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the District office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Respondent : - is the individual who has been alleged to have engaged in harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community : means students and Board employees (i.e., administrators, and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties : include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Bullying

Bullying rises to the level of harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

A. teasing;
B. threats;
C. intimidation;
D. stalking;
E. cyberstalking;
F. cyberbullying;
G. physical violence;
H. theft;
I. sexual, religious, or racial harassment;
J. public humiliation; or
K. destruction of property.

"Harassment" also includes "hate speech"—the use of language, behavior, or images/symbols that express prejudice against a particular group or groups on the basis of any protected characteristic(s).

Examples are:

A. making statements that promote violence toward a racial or ethnic group;
B. drawing, displaying, or posting images or symbols of prejudice (e.g., swastikas).

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;

B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;

C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;

D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;

E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;

F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

A. unwelcome sexual propositions, invitations, solicitations, and flirtations;

B. unwanted physical and/or sexual contact;

C. threats or insinuations that a person's employment, wages, promotion, assignments, or other conditions of employment may be adversely affected by not submitting to sexual advances;

D. unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, text messages, or social media postings;

E. sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work environment that reasonably may embarrass or offend individuals;

F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;

G. asking or telling about sexual fantasies, sexual preferences, or sexual activities;

H. speculation about a person's sexual activities or sexual history or remarks about one's own sexual activities or sexual history;

I. giving unwelcome personal gifts, such as lingerie, that suggest the desire for a romantic relationship;

J. leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin;

K. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment;

L. inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life; and

M. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

Boundary Invasions

Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. However, other behaviors might be going too far, are inappropriate and may be signs of sexual grooming. Inappropriate boundary invasions may include, but are not limited to the following:

A. kissing, or other physical contact with a student;

B. telling sexual jokes to students;

C. engaging in talk containing sexual innuendo or banter with students;

D. talking about sexual topics that are not related to curriculum;

E. showing pornography to a student;

F. taking an undue interest in a student (i.e. having a special friend or a special relationship);

G. initiating or extending contact with students beyond the school day for personal purposes;

H. using e-mail, text messaging, or websites to discuss personal topics or interests with students;

I. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrative approval;

J. invading a student's privacy (e.g. walking in on the student in the bathroom, locker-room, asking about bra sizes or previous sexual experiences);

K. going to a student's home for non-educational purposes;

L. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of student);

M. giving gifts or money to a student for no legitimate educational purpose;

N. accepting gifts or money from a student for no legitimate educational purpose;

O. being overly touchy with students;

P. favoring certain students by inviting them to come to the classroom at non-class times;

Q. getting a student out of class to visit with the staff member;

R. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;

S. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);

T. being alone with a student behind closed doors without a legitimate educational purpose;

U. telling a student secrets and having secrets with a student;

V. other similar activities or behavior.

Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Age Harassment

Prohibited age-based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Race/Color Harassment

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references regarding racial customs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability, perceived disability, or record of disability, and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's current or past disability or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

The names, titles, and contact information of these individuals will be published annually in the parent and staff handbooks and on the School District's website.

The Compliance Officer(s) are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

Reports and Complaints of Harassing Conduct

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Compliance Officers shall accept reports of harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment), or the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. The Compliance Officer(s) will

provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the District Administrator or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes harassment is obligated, in accordance with this policy, to report such observations to the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observes an act of harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant, if age eighteen (18) or older, or Complainant's parents/guardians if the Complainant is under the age eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with the Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment unless the complaining individual makes the complaint maliciously or with the knowledge that it is false.

Reporting procedures are as follows:

A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.

C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.

D. Appropriate District officials are as follows:

1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. 2. Any complaint under this policy regarding the District Administrator or Board Member that is received by the District Compliance Officer shall be referred to the Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.

E. The reporting party or Complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. ***Use of formal reporting forms shall not be mandated.*** However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator or other supervisory employee.

F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

If during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 - Bullying, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be investigated in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 1662 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (see Form 1662 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to harassment or has witnessed harassment of another may seek resolution of the complaint through the procedures described below. The complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of harassment or retaliation with the United States Department of Education Office for Civil Rights (OCR), the Wisconsin Equal Rights Division, and/or Equal Employment Opportunity Commission (EEOC). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: http://www.ed.gov/ocr.

Complaint Procedure

A Complainant who alleges harassment based on a protected class or retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) directly to one of the COs; or 3) to the District Administrator or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who will consult with the other appointed/designated CO, if any, and if necessary appoint/designate another individual to serve in the role of CO for a complaint regarding a CO.

Due to the sensitivity surrounding complaints of harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) days.

Throughout the course of the process as described herein, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All written complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO

should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the Complainant or Respondent.

Within two (2) days of receiving a complaint, the CO will inform the Respondent that a complaint has been received.

The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, the Respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with a copy of this policy or information about where to find it. Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint.

Within two (2) days of receiving the complaint, the CO will initiate an investigation by at a minimum confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and other evidence. The CO shall keep the Complainant reasonably informed of the investigation's progress.

The investigation will include:

A. interview(s) with the Complainant;

B. interview(s) with the Respondent;

C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations, as determined by the CO;

D. consideration of any documentation or other evidence presented by the Complainant, Respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the Respondent engaged in harassment of or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may in consultation with the District Administrator or Board President, if the matter involves the District Administrator engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within five (5) days of receiving the report of the CO, the District Administrator must either issue a written decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5)

days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in harassment of or retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or Third Party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

Privacy/Confidentiality

The District will employ reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the Complainant, the Respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation and if so, shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Directives During Investigation

The CO may recommend to the District Administrator placing any employee involved in an investigation under this Policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a *Garrity* warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving the right against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to because of the discrimination, or other appropriate action.

The Board may appoint an individual, who may be an employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law.

When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct

If the CO has reason to believe that the Complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the Complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made, the - Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the COs obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the Complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Miscellaneous

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in educational employment, and the mailing address and telephone number of the United States Equal Opportunity Employment Commission.

A summary of this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

Education and Training

The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the Complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the District office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Military status refers to a person's status in the uniformed services, which includes the performance of duty on a voluntary or involuntary basis in a uniformed service, including active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It also includes the period of time for which a person is absent from school for the purpose of an examination to determine the fitness of the person to perform any duty listed above.

Respondent is the individual who has been alleged to have engaged in discrimination/retaliation, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

School District community means students and Board employees (i.e., administrators, and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

The District Administrator shall publicize the name of the compliance officer(s) who is/are responsible for coordinating the District's efforts to comply with the applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination or equal access. The Compliance Officer(s) also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), is provided to students, their parents, staff members, and the general public.

The Board is committed to educating (or providing for the education of) each qualified person with a disability with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the Board operates a separate class or facility under Section 504 that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

The District Administrator shall attempt annually to identify children with disabilities, ages 3 - 22, who reside in the District but do not receive a public education.

In addition, the District Administrator shall establish procedures to identify students who are Limited English Proficient, including immigrant children and youth, to assess their ability to participate in District programs and

develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation, and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading and writing, on an annual basis. ( ) The District Administrator is responsible for verifying that a concentration of students who are Limited English Proficient English Learner (EL) in one (1) or more programs is not the result of discrimination.

Reporting Procedures

Students and District employees are required, and all other members of the District community and Third Parties are encouraged to promptly report suspected violations of this policy to an administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with the District's Compliance Officer within two (2) days.

Members of the District community, which includes students or Third Parties, who believe they have been discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs, while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 - Bullying, the Principal believes that the reported misconduct may constitute discrimination based on a Protected Class, the Principal shall report the act to one of the COs, who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend the Policy 5517.01 investigation to await the CO's written report. The CO shall keep the principal informed of the status of the Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity investigation and provide the Principal with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to discrimination/retaliation. The COs shall accept reports of discrimination/retaliation directly from any member of the District community or a Third Party and reports that initially are made to another District employee. Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation) or designate a specific individual to conduct such a process.

The CO will provide a copy of this policy to the Complainant and the Respondent. In the case of a formal complaint, the CO will prepare recommendations for the District Administrator or oversee the preparation of such recommendations by a designee. All members of the District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) days of learning of the incident/conduct.

Any District employee who directly observes discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one (1) of the COs within two (2) days. Additionally, any District employee who observes an act of discrimination/retaliation is expected to intervene to stop the misconduct unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other District employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO/designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the student is under the age of eighteen (18) within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

A CO will be available during regular school/work hours to discuss concerns related to student discrimination in educational opportunities under this policy.

Investigation and Complaint Procedure

The CO shall investigate any complaints brought under this policy. Throughout the course of the process as described herein, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent known: a description of the alleged violation, the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken during the investigatory phase to protect the Complainant from further loss of educational opportunity including, but not limited to, a change of work assignment or class schedule for the Complainant, tentative enrollment in a program, or other appropriate action. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed

change, the CO still may take whatever actions are deemed appropriate in consultation with the District Administrator.

As soon as appropriate in the investigation process, the CO will inform the Respondent that a complaint has been received. The person(s) must also be provided an opportunity to respond to the complaint.

All investigations shall be commenced as soon as practicable upon receipt of a complaint and concluded as expeditiously as feasible, in consideration of the circumstances, while taking measures to complete a thorough investigation. The complaining party shall be notified in writing of receipt of the complaint within forty-five (45) days of the complaint and shall reach a determination concerning the complaint within ninety (90) days of receipt unless additional time is agreed to by the complaining party.

The investigation will include:

A. interviews with the Complainant;

B. interviews with the Respondent;

C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations, as determined by the CO;

D. consideration of any documentation or other evidence presented by the Complainant, Respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the District Administrator which summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definitions in this Policy, as well as in State and Federal law as to whether the Complainant has been denied access to educational opportunities on the basis of one of the protected classifications, based on a preponderance of evidence standard. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved.

The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator. **[END OF OPTION]**

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may **( )** in consultation with the District Administrator or Board President, if the matter involves the District Administrator, **[END OF OPTION]** engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within five (5) days of receiving the report of the CO or designee, the District Administrator either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the Complainant and Respondent. The District Administrator may redact information from the decision in the event the release of information raises concerns regarding the integrity of the complaint or investigation process. The Board authorizes the District Administrator to consult with legal counsel to determine the extent to which information in an investigation report must be provided to either the Complainant or Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above. The decision of the District Administrator will be reviewed by the Board upon request .

If the Complainant feels that the decision does not adequately address the complaint the Complainant ~~s/he~~ may appeal the decision to the State Superintendent of Public Instruction by submitting a written request , within thirty (30) calendar days of the decision, to the Wisconsin Department of Public Instruction (DPI) , Pupil Nondiscrimination Program, or by contacting the DPI Pupil Nondiscrimination Program at (608) 267-9157. Any person, including the Respondent in a complaint, who is subject to disciplinary action up to and including

termination as a result of a complaint may choose to file a grievance utilizing the District's grievance procedure as outlined in Policy 3340 - Grievance Procedure or Policy 4340 - Grievance Procedure .

The Board reserves the right to investigate and resolve a complaint or report regardless of whether the member of the School District community or third party chooses to pursue the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, Denver Office, U.S. Department of Education, Cesar E. Chavez Memorial Building, 1244 Speer Boulevard, Suite 310, Denver, CO 80204-3582, Telephone: (303) 844-5695, FAX: (303) 844-4303, E-mail: OCR.Denver@ed.gov, Web: https://www.ed.gov/about/ed-offices/ocr . ~~Office for Civil Rights~~, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Additional School District Action

If the evidence suggests that any conduct at issue violates any other policies of the Board, is a crime, or requires mandatory reporting under the Children's Code (48.981, Wis. Stats.) ~~(Sec. 48.981, Wis. Stat.)~~ (Policy 8462 - Child Abuse and Neglect), or threats of violence (Policy 8462.01 - Threats of Violence), the CO or District Administrator shall take such additional actions as necessary and appropriate under the circumstances, which may include a report to the appropriate social service and/or law enforcement agency charged with responsibility for handling such investigations.

Privacy/Confidentiality

The District will make reasonable efforts to protect the privacy of any individuals involved in the investigation process. Confidentiality cannot be guaranteed, however. Additionally, the Respondent must be provided the Complainant's identity.

During the course of an investigation, the CO or designee will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant including , but not limited to , counseling services, reinstatement of leave taken because of the discrimination, the opportunity to complete assignments missed due to absences related to the discrimination, or other appropriate action.

The Board may appoint an individual, who may be a District employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action , up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant codes of conduct.

When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter, including the ages and maturity level of any student involved. In those cases where

discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging harassment/retaliation, or participates as a witness in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided, or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of discriminatory practices. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information, provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315 - Information Management) created and received as part of an investigation including, but not limited to:

Special Update - Nondiscrimination - July 2026 Revised NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES

ADOPTED Oct 25, 2021 · REVISED Dec 8, 2025

2266 – NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES

Introduction

~~[DRAFTING NOTE: Wisconsin and Federal law applicable to Wisconsin includes the concepts of gender identity and gender stereotypes/nonconformance within the definition of "sex". Whether the language is included expressly in policy or not, Districts are still required to investigate complaints alleging discriminatory treatment on the basis of gender identity and to remedy violations.]~~

The Board does not discriminate on the basis of sex ~~(including gender identity or gender stereotypes/nonconformance) [END OF OPTION] ; (-) (including sexual orientation or gender identity)~~ , in its education programs or activities, and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits sexual harassment that occurs within its education programs and activities. When the District has actual knowledge of sexual harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating sexual harassment and will take appropriate action when an individual is determined responsible for violating this policy. Members of the School District community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. Third parties who engage in sexual harassment are also subject to the disciplinary sanctions listed in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing supportive measures as reasonably necessary to restore or preserve access to the District's education programs and activities.

Coverage

This policy applies to sexual harassment that occurs within the District's education programs and activities and that is committed by a Board employee, student, third-party vendor or contractor, guest, or other members of the school community.

This policy does not apply to sexual harassment that occurs off school grounds, in a private setting, and outside the scope of the Board's education programs and activities; such sexual misconduct/sexual activity may be prohibited by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws and/or Employee/Administrator Handbook(s) if committed by a Board employee.

Consistent with the U.S. Department of Education's implementing regulations for Title IX, this policy does not apply to sexual harassment that occurs outside the geographic boundaries of the United States, even if the sexual harassment occurs in the District's education programs or activities. Sexual harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by other applicable Board policies and administrative guidelines, applicable State and/or Federal laws and/or Employee/Administrator Handbook(s) if committed by a Board employee.

Complaints alleging sexual harassment and/or discrimination on the basis of sex are also covered by and subject to the investigation procedures in Board Policy 5517 - Student Anti-Harassment. Complaints not covered by this policy may still be governed by and subject to the procedures in Policy 5517 - Student Anti-Harassment.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Sexual Harassment: "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:

A. A Board employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (often called "quid pro quo" harassment);
B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)A(v), or "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

1. "Sexual assault" means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent. Sexual assault includes rape, sodomy, sexual assault with an object, criminal sexual contact ~~fondling~~, incest, and statutory rape.

    a. *Rape* is penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. Attempted rape is included.
    b. *Sodomy* is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
    c. *Sexual Assault with an Object* is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything used by the offender other than the offender's genitalia.
    d. *Criminal Sexual Contact (f.k.a. Fondling)* is the intentional touching of the clothed or unclothed body parts, without consent, of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation; or the forced touching by the victim of the other individual's clothed or unclothed body parts, without consent of the victim, for the purpose of sexual degradation, sexual gratification, or sexual humiliation. This includes instances where the victim is incapable of giving consent because of age or incapacity due to temporary or permanent mental or physical impairment or intoxication for the purpose of sexual degradation, sexual gratification, or sexual humiliation. ~~*Fondling* is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.~~
    e. *Incest* is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by State law.
    f. *Statutory Rape* is nonforcible sexual intercourse with a person who is under the statutory age of consent as defined by 948.02 or 948.09, Wis. Stats. or whose status as a student prohibits such sexual contact per 948.095, Wis. Stats.
    g. *Other Sexual Contact* includes the intentional emission of bodily fluids on the complainant, or at the direction of the Respondent, for the purposes of sexual gratification as defined in Wis. Stat. § 940.225(5)(b).

h. *Consent* refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A person may be incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. A person who is incapacitated is not capable of giving consent.
i. *Incapacitated* refers to the state where a person does not understand and/or appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition, disability, or due to a state of unconsciousness or sleep.

2. "Domestic violence" includes felony or misdemeanor crimes of violence committed by:

   a. A current or former spouse or intimate partner of the victim;
   b. A person with whom the victim shares a child in common;
   c. A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
   d. A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurred; or
   e. Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.

3. "Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
4. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to – (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.

Complainant: "Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Respondent: "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Formal Complaint: "Formal complaint" means a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation(s) of sexual harassment. At the time of filing a formal complaint with the District, a Complainant must be participating in or attempting to participate in the District's education program or activity. A "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a Complainant or a party to the formal complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Actual Knowledge: "Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to the District's Title IX Coordinator, or any District official who has authority to institute corrective measures on behalf of the Board, or any Board employee. The mere ability or obligation to report Sexual Harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the District. "Notice" includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator. This standard is not met when the only District official with actual knowledge is the Respondent. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge.

Supportive Measures: "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school/campus escort

services, mutual restrictions of contact between the parties, changes in work locations), leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), and other similar measures.

Education Program or Activity: "Education program or activity" refers to all operations of the District over which the Board exercises substantial control, including in-person and online educational instruction, employment, extra-curricular activities, athletics, performances, and community engagement, and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off-school property/grounds if the Board exercises substantial control over both the Respondent and the context in which the sexual harassment occurs.

School District community: "School District community" refers to students and Board employees (i.e., administrators, and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties: "Third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Inculpatory Evidence: "Inculpatory evidence" is evidence that tends to establish a Respondent's responsibility for alleged sexual harassment.

Exculpatory Evidence: "Exculpatory evidence" is evidence that tends to clear or excuse a Respondent from allegations of sexual harassment.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays),

Eligible Student: "Eligible student" means a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education.

Any inquiries about the application of Title IX and its implementing regulations to the District may be referred to the Title IX Coordinator(s), the Assistant Secretary for the U.S. Department of Education's Office for Civil Rights, or both.

The Board has adopted a grievance process that provides for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process is included in Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available at: https://go.boarddocs.com/wi/clivil/Board.nsf. The grievance process specifically addresses how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

The District Administrator shall also prominently display the Title IX Coordinator's(s') contact information – including Name(s) and/or Title(s), Phone Number(s), Office Address(es), and Email Address(es) – and this policy on the District's website and in each handbook or catalog that the Board makes available to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, Board employees, and all unions or professional organizations holding collective bargaining or professional agreements.

Grievance Process

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The District's response to allegations of sexual harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this grievance process before the imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

If a determination of responsibility for sexual harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the District's education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive in nature and may burden the Respondent.

The Process described herein relates exclusively to complaints brought under this Policy. The District will continue to handle complaints subject to the District's other nondiscrimination and anti-harassment policies, including: Policy 5517 - Student Anti-Harassment; Policy 5517.01 - Bullying; 2260 - Nondiscrimination and Access to Equal Educational Opportunity; Policy 2260.01 - Section 504/ADA Prohibition Against Discrimination Based on Disability.

Report of Sexual Discrimination/Harassment

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator's(s') contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s).

Board employees are required, and other members of the School District community and Third Parties are encouraged, to report allegations of sex discrimination or sexual harassment promptly to the/a Title IX Coordinator or to any Board employee, who will, in turn, notify the/a Title IX Coordinator. Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of sexual harassment by or involving the Title IX Coordinator, the person making the report should submit it to the other Title IX Coordinator of the report. The other Title IX Coordinator shall determine who will serve in place of the Title IX Coordinator for purposes of addressing that report of sexual harassment.

The Board does business with various vendors, contractors, and other third parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or third-party Respondent may have under this policy, the Board retains the right to limit any vendor's, contractor's, or third party's access to school grounds for any reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or third-party irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a formal complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education's Office for Civil Rights at any time.

Any allegations of sexual misconduct/sexual activity not involving sexual harassment will be addressed through the procedures outlined in Board policies the applicable Student Code of Conduct, or Employee/Administrator Handbook(s).

Because the Board is considered to have actual knowledge of sexual harassment or allegations of sexual harassment if any Board employee has such knowledge, and because the Board must take specific actions when it has notice of sexual harassment or allegations of sexual harassment, a Board employee who has independent knowledge of or receives a report involving allegations of sex discrimination and/or sexual harassment must notify the/a Title IX Coordinator within two (2) days of learning the information or receiving the report. The Board employee must also comply with mandatory reporting responsibilities pursuant to 48.981, Wis. Stats., and Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge is based on another individual bringing the information to the Board employee's attention and the reporting individual submitted a written complaint to the Board employee, the Board employee must provide the written complaint to the Title IX Coordinator.

If a Board employee fails to report an incident of sexual harassment of which the Board employee is aware, the Board employee may be subject to disciplinary action, up to and including termination.

When a report of sexual harassment is made, the Title IX Coordinator shall promptly (i.e., within two (2) days) of the Title IX Coordinator's receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under eighteen (18) years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the Complainant the process for filing a formal complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

Emergency Removal: Subject to limitations and/or procedures imposed by State and/or Federal law, the District may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purposes of the individualized safety and risk analysis are to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the District determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. In determining whether to impose emergency removal measures, the Title IX Coordinator shall consult related District policies, including Policy 5120 - Assignment within District; Policy 5605 - Suspension/Expulsion of Students with Disabilities, Policy 5610 – Suspension and Expulsion.

If the Respondent is a non-student employee, the District may place the Respondent on administrative leave during the pendency of the grievance process. Such leave will typically be paid leave unless circumstances justify unpaid leave in compliance with legal requirements.

For all other Respondents, including other members of the School District community and Third Parties, the Board retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of sexual harassment or otherwise.

Formal Complaint of Sexual Harassment

A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information set forth above. If a formal complaint involves allegations of sexual harassment by or involving the Title IX Coordinator, the Complainant should submit the formal complaint to the other Title IX Coordinator who will then proceed with the grievance process with respect to that formal complaint.

The Complainant's wishes with respect to whether a formal complaint is filed will be respected unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the complainant is not clearly unreasonable in light of the known circumstances.

When the Title IX Coordinator receives a formal complaint or signs a formal complaint, the District will follow its grievance process, as set forth herein. Specifically, the District will undertake an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly making false statements or knowingly submitting false information during the grievance process, including intentionally making a false report of sexual harassment or submitting a false formal complaint. The Board will not tolerate such conduct, which is a violation of the Student Code of Conduct and the Employee/Administrator Handbook.

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Timeline

The District will seek to conclude the grievance process within ninety (90) calendar days of receipt of the formal complaint, followed by the appeal process which shall be processed in a timely manner.

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action, except that any complaint covered by Policy 5517 - Student Anti-Harassment as well must comply with the timelines in that Policy, however, an investigation may still proceed as required under this Policy. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or an accommodation of disabilities. The Title IX Coordinator may provide the parties with reasonable updates on the status of the grievance process.

Upon receipt of a formal complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

A. Notice of the Board's grievance process, including any informal resolution processes;
B. Notice of the allegations of misconduct that potentially constitutes sexual harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice must:

    1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
    2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence.
    3. inform the parties of any provision in the Student Code of Conduct, this policy, and/or Employee/Administrator Handbook that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional

allegations; if the Title IX Coordinator decides to include the new allegations as part of the investigation, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

Dismissal of a Formal Complaint

The District shall investigate the allegations in a formal complaint unless the conduct alleged in the formal complaint:

A. would not constitute sexual harassment (as defined in this policy) even if proved;
B. did not occur in the District's education program or activity; or
C. did not occur against a person in the United States.

If one of the preceding circumstances exist, the Title IX Coordinator shall dismiss the formal complaint. If the Title IX Coordinator dismisses the formal complaint due to one of the preceding reasons, the District may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook.

The Title IX Coordinator may dismiss a formal complaint, or any allegations therein, if at any time during the investigation:

A. a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations therein;
B. the Respondent is no longer enrolled in the District or employed by the Board; or
C. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

If the Title IX Coordinator dismisses a formal complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefore simultaneously to the parties.

Consolidation of Formal Complaints

The Title IX Coordinator may consolidate formal complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one Complainant or more than one Respondent, references in this policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

Informal Resolution Process

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, to waive any right to an investigation and adjudication of a formal complaint of sexual harassment. Similarly, no party shall be required to participate in an informal resolution process.

If a formal complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

A. the allegations;
B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; and
C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur are stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a Board employee or another adult member of the School District community or Third Party sexually harassed a student.

The informal resolution process is not available to resolve allegations involving a sexual assault involving a student Complainant and a student Respondent.

Investigation of a Formal Complaint of Sexual Harassment

In conducting the investigation of a formal complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the District, not the parties.

In making the determination of responsibility, the decision-maker(s) is (are) directed to use the preponderance of the evidence standard. The decision-maker(s) is charged with considering the totality of all available evidence, from all relevant sources.

The District is not permitted to access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the party provides the District with voluntary, written consent to do so; if a student party is not an eligible student, the District must obtain the voluntary, written consent of a parent.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and
B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The District may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.
C. Whether a person is allowed to audio record or video record any meeting or grievance proceeding will be consistent with the procedures established in Board Policy 2461 – Recording of IEP Team Meetings.

Neither party shall be restricted in their ability to discuss the allegations under investigation or to gather and present relevant evidence.

The District will provide to a party whose participation is invited or expected written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate. The investigator(s) and decision-maker(s) must provide a minimum of one (1) day's notice with respect to investigative interviews and other meetings.

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to completion of the investigative report, the Title IX Coordinator will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report.

At the conclusion of the investigation, the investigator shall create an investigative report that fairly summarizes relevant evidence and send the report to each party and the party's advisor, if any, for their review and written response. The investigator will send the investigative report in an electronic format or a hard copy, at least ten (10) calendar days prior to the decision-maker(s) issuing a determination regarding responsibility.

Determination of Responsibility

The Title IX Coordinator shall appoint a decision-maker(s) to issue a determination of responsibility. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator(s) or the investigator(s).

After the investigator sends the investigative report to the parties and the decision-maker(s), and before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the question of any decision to exclude a question as not relevant.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

Determination regarding responsibility: The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the preponderance of the evidence standard.

A. Identification of the allegations potentially constituting sexual harassment pursuant to this policy;
B. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, [and] methods used to gather other evidence;
C. Findings of fact supporting the determination;
D. Conclusions regarding the application of the applicable code of conduct to the facts;
E. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the decision-maker(s) is recommending that the District impose on the Respondent(s) and whether remedies designed to restore or preserve equal access to the District's education program or activity should be provided by the District to the Complainant(s); and
F. The procedures and permissible bases for the Complainant(s) and Respondent(s) to appeal.

Informal or formal disciplinary sanctions/consequences may be imposed on a student Respondent who is determined responsible for violating this policy (i.e., engaging in sexual harassment).

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the District Administrator of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Suspension and Expulsion. The discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

Disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy including but not limited to (i.e., engaging in Sexual Harassment):

A. oral or written warning;
B. written reprimands;

C. performance improvement plan;
D. required counseling;
E. required training or education;
F. suspension with pay;
G. suspension without pay;
H. termination, and any other sanction authorized by any applicable Employee/Administrator Handbook.

If the decision-maker(s) determines the employee Respondent is responsible for violating this policy (i.e., engaging in sexual harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the District Administrator of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with applicable due process procedures, whether statutory or contractual. If the District Administrator is the Respondent, the Title IX Coordinator will notify the Board President of the recommended remedies for consideration and, if necessary and appropriate, implementation in compliance with applicable due process procedures, whether statutory or contractual.

The discipline of an employee will be implemented in accordance with Federal and State law, and Board policy.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School District community or Third Party determined responsible for violating this policy (i.e., engaging in sexual harassment):

A. oral or written warning;
B. suspension or termination/ cancellation of the Board's contract with the third-party vendor or contractor;
C. mandatory monitoring of the third-party while on school property and/or while working/interacting with students;
D. restriction/prohibition on the third-party's ability to be on school property; and
E. any combination of the same.

If the decision-maker(s) determines the third-party Respondent is responsible for violating this policy (i.e., engaging in sexual harassment), the decision-maker(s) will recommend appropriate remedies, including the imposition of sanctions. The Title IX Coordinator will notify the District Administrator of the recommended remedies, so appropriate action can be taken.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In ultimately, imposing a disciplinary sanction/consequence, the District Administrator (or the Board when the District Administrator is the Respondent) will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances. If the Respondent is a Member of the Board, s/he shall be excluded from any determination regarding the imposition of a disciplinary sanction/consequence by the remaining Board members.

The District's resolution of a formal complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

At any point in the grievance process, the District Administrator may involve local law enforcement and/or file criminal charges related to allegations of sexual harassment that involve a sexual assault.

The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appeal

Both parties have the right to file an appeal from a determination regarding responsibility or from the Title IX Coordinator's dismissal of a formal complaint or any allegations therein, on the following bases:

A. Procedural irregularity that affected the outcome of the matter (e.g., material deviation from established procedures);
B. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

C. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant(s) or Respondent(s) that affected the outcome of the matter.

The Complainant(s) may not challenge the ultimate disciplinary sanction/consequence that is imposed.

Any party wishing to appeal the decision-maker(s)'s determination of responsibility, or the Title IX Coordinator's dismissal of a formal complaint or any allegations therein, must submit a written appeal to the Title IX Coordinator within five (5) days after receipt of the decision-maker(s)'s determination of responsibility or the Title IX Coordinator's dismissal of a formal complaint or any allegations therein.

Nothing herein shall prevent the District Administrator (or the Board when the District Administrator is the Respondent) from imposing any remedy, including disciplinary sanction, while the appeal is pending.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.

The parties' written statements in support of, or challenging, the determination of responsibility must be submitted within five (5) days after the Title IX Coordinator provides notice to the non-appealing party of the appeal.

The decision-maker(s) for the appeal shall issue a written decision describing the result of the appeal and the rationale for the result. The original decision-maker's(s') determination of responsibility will stand if the appeal request is not filed in a timely manner or the appealing party fails to show clear error and/or a compelling rationale for overturning or modifying the original determination. The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within five (5) days of when the parties' written statements were submitted.

The determination of responsibility associated with a formal complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal's decision is delivered to the Complainant and the Respondent. No further review beyond the appeal is permitted.

Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of sexual harassment, filing a formal complaint, or participating in an investigation, is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g, or FERPA's regulations, and State law under Wis. Stat. § 118.12, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the Complainant's and Respondent's receipt of the information to which they are entitled with respect to the investigative record and determination of responsibility).

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment.

Training

The District's Title IX Coordinator, along with any investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

A. the definition of sexual harassment (as that term is used in this policy);
B. the scope of the District's education program or activity;
C. how to conduct an investigation and implement the grievance process, appeals and informal resolution processes, as applicable; and
D. how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

All Board employees will be trained concerning their legal obligation to report sexual harassment to the Title IX Coordinator. This training will include practical information about how to identify and report sexual harassment.

Recordkeeping

As part of its response to alleged violations of this policy, the District shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a Complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District shall maintain for a period of seven (7) calendar years the following records pursuant to Wis. Stat. § 19.21(6):

A. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the District's education program or activity;
B. Any appeal and the result therefrom;
C. Any informal resolution and the result therefrom; and
D. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

The District will make its training materials publicly available on its website.

Outside Appointments, Dual Appointments, and Delegations

The Board retains the discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy, including, but not limited to, Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Board also retains the discretion to appoint two (2) or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The District Administrator may delegate functions assigned to a specific Board employee under this policy, including but not limited to the functions assigned to the Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor, to any suitably qualified individual and such delegation, may be rescinded by the District Administrator at any time.

Discretion in Application

The Board retains the discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific Complainant and/or Respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains the discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains the discretion to revise this policy at any time, and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Vol. 35, No. 2 - Special Update - Nondiscrimination - July 2026 WI Replacement NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

ADOPTED Apr 22, 2019 · REVISED Aug 11, 2025

3122 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

[DRAFTING NOTE: Wisconsin and Federal law applicable to Wisconsin includes the concepts of gender identity and gender stereotypes/nonconformance within the definition of "sex". Whether the language is included expressly in policy or not, Districts are still required to investigate complaints alleging discriminatory treatment on the basis of gender identity and to remedy violations.]

The Board does not discriminate on the basis of race, color, national origin, age, sex ~~(~~ ~~(including gender status, change of sex, sexual orientation, or gender identity)~~ **~~[END OF OPTION]~~**, pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other legally protected category in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions outlined in this policy.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an employee, supervisor, manager, or other member of the District staff, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when the conduct is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws and is severe or pervasive enough to alter the conditions of employment or create a hostile environment. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that

could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's

national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).

D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

    a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching ~~- (-)~~; and obscene gestures ~~[END OF OPTION]~~.
    b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
    c. Rape, sexual assault, or other acts of sexual violence.
    d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
    e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
    f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
    g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the

nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).

h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's status in the uniformed services, which includes the performance of duty on a voluntary or involuntary basis in a uniformed service, including active duty, active duty for training, initial active duty for training, inactive duty for training, full-time National Guard duty, and performance of duty or training by a member of Wisconsin organized militia. It also includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any duty listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).

B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

District Compliance Officer(s)

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board's responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as "Civil Rights Coordinator(s)" or "Anti-Harassment Compliance Officer(s)") (hereinafter referred to as the "District Compliance Officer(s)" or "CO(s)"):

~~[DRAFTING NOTE: The District may want to create a static (i.e., fixed) District Compliance Officer-specific email address and phone number that will not change when the person(s) and/or position(s) designated to be the CO(s) change(s) – e.g., CO4CivilRights@(insert District's domain) – which the Technology Director/Department can program to be forwarded to the actual individual(s) serving as the District Compliance Officer(s) at any given time. Likewise, the District may want to establish a static Telephone Number for the position of District Compliance Officer that can be forwarded to, and accessed by, the actual person(s) serving in the CO position(s) at any given time. These two (2) steps will help reduce the information that needs to be updated in policy, AG, and/or the requisite notices/postings and publications when changes occur to the specific person(s)/position(s) designated to serve as the CO(s).]~~

~~[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]~~

~~[ ]~~ - The Board designates the Pupil Services Director ~~_____ [DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation]~~ as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. ~~[END OF OPTION]~~

~~[ ] The District Compliance Officer may delegate specific duties to one (1) or more designees. [END OF OPTION]~~

The contact information concerning the District Compliance Officer(s) will be published on the School District's website and annually:

A. in staff handbooks.
B. in the School District Annual Report to the public.

~~[ ]~~ - The District Compliance Officer(s) shall report directly to the District Administrator except when the District Administrator is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to ~~[SELECT ONE OF THE FOLLOWING] ( )~~ the Board President ~~( )~~ **who shall consult with** the Board's Legal Counsel ~~( ) _____ [OTHER] [END OF INTERNAL OPTIONS]~~ until the matter in which the District Administrator is a party is concluded. ~~[END OF OPTION]~~

Questions about this policy should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of

1975 is provided to staff members and the general public. Copies of the laws and regulations listed above are available upon request from the CO(s).

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The District Administrator shall provide notice of the Board's policy on nondiscrimination and the identity of the School District's Compliance Officer(s). Such notice will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Reports and Complaints of Prohibited Conduct and Retaliation

Employees are required to report incidents of Prohibited Conduct and/or retaliation to an administrator, supervisor, or other supervisory employees so that the Board may address the conduct. Any administrator, supervisor, or other supervisory employees who receive such a report shall file it with the CO as soon as reasonably practicable.

Discrimination against an individual based on their sex (including gender status, sexual orientation, and gender identity) is discrimination in violation of Title VII. Specifically, discrimination on the basis of sex stereotyping/gender-nonconformity constitutes sex discrimination. This is true irrespective of the cause of the person's gender non-conforming behavior. Employment actions based upon an individual's sex could be suspect and potentially impermissible.

COs are required to investigate allegations of Prohibited Conduct involving the discrimination or harassment of an employee or applicant based upon their gender status, sexual orientation, and gender identity.

Any questions concerning whether alleged Prohibited Conduct might violate this prohibition should be brought to the CO's attention promptly.

Employees who believe they have been subject to Prohibited Conduct are entitled to utilize the complaint process set forth below. Initiating a complaint will not adversely affect the Complainant's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as practicable after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to Prohibited Conduct or Retaliation. COs shall accept reports of Prohibited Conduct or Retaliation directly from any member of the School District Community or a Third Party, or receive reports that are initially filed with another Board employee.

Upon receipt of a report of alleged Prohibited Conduct or Retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged Prohibited Conduct/Retaliation), or ~~( ) [OPTION 1] the CO will designate a specific individual to conduct such a process as identified in a pre-defined list of investigators. [END OF OPTION 1] ( ) [OPTION 2]~~ the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. ~~[END OF OPTION 2]~~ The CO will provide a copy of this policy to the Complainant and the Respondent upon request.

Any Board employee who directly observes Prohibited Conduct/Retaliation is obligated, in accordance with this policy, to report such observations to one of the COs as soon as reasonably practicable. Additionally, any Board employee who observes an act of discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should promptly notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO must contact the Complainant as soon as reasonably practicable to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Except for sex discrimination and/or sexual harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee who alleges to have been subjected to Prohibited Conduct or Retaliation may seek resolution of the complaint through the procedures described below. The complaint procedures involve an investigation of the individual's claims of Prohibited Conduct/Retaliation and a process for rendering a decision regarding whether the charges are substantiated.

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Wisconsin Equal Rights Division, or the Equal Employment Opportunity Commission ("EEOC").

Complaint Procedure

A Complainant who alleges Prohibited Conduct/Retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) the CO; or 3) to the District Administrator or other supervisory employees. Any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall coordinate with the other appointed/designated CO or, if appropriate, appoint/designate another individual to serve as CO for the complaint regarding a CO.

Due to the sensitivity surrounding complaints of Prohibited Conduct and Retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint as soon as reasonably practicable after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO at the employee's first opportunity, as soon as reasonably practicable.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further Prohibited Conduct or Retaliation, including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the District Administrator.

As soon as reasonably practicable, the CO or designee will initiate an investigation by, at a minimum, confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and, upon request, provided with a copy of any relevant policies and/or administrative guidelines, including this Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint and the obligation to do so within a reasonable timeframe established by the CO or designee based on the circumstances.

~~[ ] [OPTION 1] Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of Prohibited Conduct based on a protected class or Retaliation as promptly as reasonably practicable after receiving the formal complaint.~~ ~~[ ] [OPTION 2]~~ Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and

other evidence. The CO shall keep the Complainant reasonably informed of the investigation's progress. ~~[END OF OPTIONS]~~

The investigation will include:

A. interviews with the Complainant;
B. interviews with the Respondent;
C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of the Prohibited Conduct/Retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if Prohibited Conduct or Retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may ~~(~~ in consultation with the District Administrator or Board President, if the matter involves the District Administrator, ~~[END OF OPTION]~~ engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within a reasonable timeframe after receiving the report of the CO, the District Administrator either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A summary of the District Administrator's final decision will be provided to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed as soon as reasonably practicable, taking into account the availability of necessary witness(es) or documents. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in Prohibited Conduct/Retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the District Administrator may appeal through a signed written statement to the Board within five (5) days of the party's receipt of the District Administrator's decision. The written statement of appeal must be submitted to the District Administrator, who will forward the request to the Board President.

In an attempt to resolve the complaint, the Board shall review the findings and may meet with the concerned parties and their representatives within a reasonable timeframe after the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of its decision. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of Prohibited Conduct/Retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Board will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Respondents must be provided an opportunity to meaningfully respond to allegations, which may include disclosure of the Complainant's identity.

During the course of an investigation, the CO will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the Prohibited Conduct/Retaliation, or other appropriate action.

The Board may appoint an individual, who may be a District employee, to follow up with the Complainant to ensure no further Prohibited Conduct or Retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and any relevant codes of conduct.

When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct/Retaliation, or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of Prohibited Conduct, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary

sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment.

Education and Training

All District Compliance Officer(s), and other persons who are responsible for implementing the Board's complaint procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. ~~[]~~ - The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. ~~[END OF OPTION]~~ The training shall not rely on stereotypes involving Protected Classes.

~~[]~~ - Training materials will be made available for inspection upon request by members of the public. - ~~[END OF OPTION]~~

FOR BOARD REVIEW - VOL. 35, NO. 2 - SPECIAL UPDATE - NONDISCRIMINATION

po3122.02

Special Update - Nondiscrimination - July 2026 Rescind NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

ADOPTED Apr 22, 2019 · REVISED Dec 13, 2021

~~3122.02 - NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE~~

~~The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify applicants or employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of the person as an employee, based on genetic information. Harassment of a person because of genetic information also is prohibited. Likewise, retaliation against a person for identifying, objecting to, or filing a complaint concerning a violation of this policy is prohibited.~~

~~The identity of the Compliance Officer (see Policy 3122 - Nondiscrimination and Equal Employment Opportunity) shall be posted throughout the District and published in any District statement regarding the prohibition of discrimination on the basis of genetic information in all aspects of employment, in any staff handbooks, and in general information publications of the District as required by Federal and State law and on the District website.~~

~~In accordance with Title II of the Genetic Information Nondiscrimination Act of 2008, 42 U.S.C. 2000ff, et seq., and 29 C.F.R. Part 1635 ("GINA"), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with GINA, applicants and employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be provided as part of the certification process for FMLA leave, or when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application for employment process. Employees and applicants for employment shall not be penalized for providing genetic information in good faith in response to a request from a Board employee or agent, unless that applicant or employee refuses to delete the information at the request of the employee or agent of the Board.~~

~~The Board recognizes that genetic information may be acquired through commercially and publicly available media including newspapers, books, magazines, periodicals, television shows or the Internet. The Board prohibits its employees and agents including commercial background investigation agents from searching these sources with the intent of finding or obtaining genetic information, or accessing sources from which they are likely to acquire genetic information. If genetic information about an employee or applicant is obtained in error, it shall be redacted immediately and not shared beyond the point of first receipt.~~

~~As used in this policy, "genetic information" means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.~~

~~The term "genetic information" does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family member that is not~~

derived from a genetic test.

As used in this policy, "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detect genotypes, mutations, or chromosomal changes. The term includes any test of a person's DNA/RNA.

If the Board's employees or agents legally and/or inadvertently receive genetic information about an employee or applicant, it shall be treated as a confidential medical record in accordance with law.

The Compliance Officer (See Policy 3122 - Nondiscrimination and Equal Employment Opportunity) is responsible for overseeing the Board's compliance with this policy and GINA and proposing revisions and additions to this policy as necessary to ensure the Board's compliance with GINA. This person shall be responsible for working with the Board's legal counsel to fully implement the requirements of GINA in all activities of the School District. The Compliance Officer shall also verify that proper notice of nondiscrimination for Title II of GINA is provided to staff members, and that all requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) are accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

> **Genetic Information Nondiscrimination Act of 2008 (GINA) Disclosure Requirement**
>
> The Genetic Information Nondiscrimination Act of 2008 or "GINA" prohibits employers and other entities covered by the law, including the Board, from requesting or requiring genetic information of an employee or applicant or family member of an employee or applicant, except as specifically allowed by law. To comply with GINA, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Questions concerning compliance with the requirements of GINA may be directed to the Compliance Officer at 715-823-7215.

The Board offers health services, - including a wellness program. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board and no applicant or employee shall be identified or identifiable from the reported information.

The grievance procedure for complaints of discrimination in Policy 3122 applies to complaints of discrimination, including harassment, or retaliation prohibited by GINA and may be utilized if a District employee alleges discrimination or harassment on the basis of genetic information or retaliation for identifying, objecting to, or filing a complaint concerning a violation of GINA or this policy.

~~**Complainant** : - is the individual who alleges, or is alleged, to have been subjected to harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.~~

~~**Day(s):** Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the District office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).~~

Respondent : - is the individual who has been alleged to have engaged in harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

Bullying

Bullying rises to the level of harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

A. teasing;
B. threats;
C. intimidation;
D. stalking;
E. cyberstalking;
F. cyberbullying;
G. physical violence;
H. theft;
I. sexual, religious, or racial harassment;
J. public humiliation; or
K. destruction of property.

"Harassment" also includes "hate speech"—the use of language, behavior, or images/symbols that express prejudice against a particular group or groups on the basis of any protected characteristic(s).

Examples are:

A. making statements that promote violence toward a racial or ethnic group;
B. drawing, displaying, or posting images or symbols of prejudice (e.g., swastikas).

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;

B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;

C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;

D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;

E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;

F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

A. unwelcome sexual propositions, invitations, solicitations, and flirtations;

B. unwanted physical and/or sexual contact;

E. sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work environment that reasonably may embarrass or offend individuals;

F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;

G. asking or telling about sexual fantasies, sexual preferences, or sexual activities;

H. speculation about a person's sexual activities or sexual history or remarks about one's own sexual activities or sexual history;

I. giving unwelcome personal gifts, such as lingerie, that suggest the desire for a romantic relationship;

J. leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin;

K. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment;

L. inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life; and

M. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

Boundary Invasions

Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. Inappropriate boundary invasions may include, but are not limited to the following:

A. kissing, or other physical contact with a student;

B. telling sexual jokes to students;

C. engaging in talk containing sexual innuendo or banter with students;

K. going to a student's home for non-educational purposes;

L. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of student);

M. giving gifts or money to a student for no legitimate educational purpose;

N. accepting gifts or money from a student for no legitimate educational purpose;

O. being overly touchy with students;

P. favoring certain students by inviting them to come to the classroom at non-class times;

Q. getting a student out of class to visit with the staff member;

R. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;

S. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);

T. being alone with a student behind closed doors without a legitimate educational purpose;

U. telling a student secrets and having secrets with a student;

V. other similar activities or behavior.

Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.

Race/Color Harassment

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references regarding racial customs.

The Compliance Officer(s) are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

Reports and Complaints of Harassing Conduct

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Compliance Officers shall accept reports of harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment), or the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. The Compliance Officer(s) will

provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the District Administrator or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes harassment is obligated, in accordance with this policy, to report such observations to the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observes an act of harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant, if age eighteen (18) or older, or Complainant's parents/guardians if the Complainant is under the age eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with the Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment unless the complaining individual makes the complaint maliciously or with the knowledge that it is false.

Reporting procedures are as follows:

A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.

B. Teachers, administrators, and other District officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.

C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.

D. Appropriate District officials are as follows:

   1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who shall coordinate with the other appointed/designated CO, or, if appropriate appoint/designate another individual to serve as CO for the complaint regarding a CO.

   2. Any complaint under this policy regarding the District Administrator or Board member that is received by the District Compliance Officer shall be referred to the Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.

E. The reporting party or complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator or other supervisory employee.

F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 - Bullying, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will have handled in accordance with grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 3362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about unwelcome conduct.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations or will oversee the preparation of such recommendations. All members of the School District community should report incidents of harassment that are reported to them to the CO within two (2) days of learning of the incident.

Investigation and Complaint Procedure (see From 3362 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to harassment or has witnessed harassment of another may seek resolution of the complaint through the procedures described below. The complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of harassment or retaliation with the United States Department of Education Office for Civil Rights, the Wisconsin Equal Rights Division and/or Equal Employment Opportunity Commission (EEOC). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: http://www.ed.gov/ocr.

Complaint Procedure

A Complainant who alleges harassment based on a protected class or retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) directly to one of the COs; or 3) to the District Administrator or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who will consult with the other CO, if any, or if necessary appoint/designate another individual to serve as CO for the complaint regarding a CO.

Due to the sensitivity surrounding complaints of harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All written complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the Complainant or Respondent.

Within two (2) days of receiving a complaint, the CO will inform the Respondent that a complaint has been received.

The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, the Respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with a copy of this policy or information about where to find it. The Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint.

Within two (2) days of receiving the complaint, the CO will initiate an investigation by at a minimum confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and other evidence. The CO shall keep the complainant reasonably informed of the investigation's progress.

The investigation will include:

A. interview(s) with the Complainant;

B. interview(s) with the Respondent;

C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations, as determined by the CO;

D. consideration of any documentation or other evidence presented by the Complainant, Respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the Respondent engaged in harassment of or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may in consultation with the District Administrator or Board President, if the matter involves the District Administrator, engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within five (5) days of receiving the report of the CO, the District Administrator must either issue a written decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in harassment of or retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or Third Party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

Privacy/Confidentiality

The District will employ reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the Complainant, the Respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation, and if so, shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Directives During Investigation

The CO may recommend to the District Administrator placing any employee involved in an investigation under this policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a *Garrity* warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving rights against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to because of the discrimination, or other appropriate action.

The Board may appoint an individual, who may be a District employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law.

When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against a Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct

If the CO has reason to believe that the complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made, the Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the CO's obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Miscellaneous

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in employment, and the mailing address and telephone number of the United States Equal Opportunity Employment Commission.

A summary of this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of harassment. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but are not limited to:

The Board does not discriminate on the basis of race, color, national origin, age, sex ~~(.) (including gender status, change of sex, sexual orientation, or gender identity) [END OF OPTION]~~, pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions outlined in this policy.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an employee, supervisor, manager, or other member of the District staff, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when the conduct is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws and is severe or pervasive enough to alter the conditions of employment or create a hostile environment. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that

could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's

national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).

D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

    a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching ~~- (),~~ ; and obscene gestures ~~[END OF OPTION]~~ .
    b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
    c. Rape, sexual assault, or other acts of sexual violence.
    d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
    e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
    f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
    g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the

nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).

h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's status in the uniformed services, which includes the performance of duty on a voluntary or involuntary basis in a uniformed service, including active duty, active duty for training, initial active duty for training, inactive duty for training, full-time National Guard duty, and performance of duty or training by a member of Wisconsin organized militia. It also includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any duty listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).

B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

District Compliance Officer(s)

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board's responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as "Civil Rights Coordinator(s)" or "Anti-Harassment Compliance Officer(s)") (hereinafter referred to as the "District Compliance Officer(s)" or "CO(s)"):

~~[DRAFTING NOTE: The District may want to create a static (i.e., fixed) District Compliance Officer-specific email address and phone number that will not change when the person(s) and/or position(s) designated to be the CO(s) change(s) – e.g., CO4CivilRights@(insert District's domain) – which the Technology Director/Department can program to be forwarded to the actual individual(s) serving as the District Compliance Officer(s) at any given time. Likewise, the District may want to establish a static Telephone Number for the position of District Compliance Officer that can be forwarded to, and accessed by, the actual person(s) serving in the CO position(s) at any given time. These two (2) steps will help reduce the information that needs to be updated in policy, AG, and/or the requisite notices/postings and publications when changes occur to the specific person(s)/position(s) designated to serve as the CO(s).]~~

~~[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]~~

~~[ ]~~ The Board designates the Pupil Services Director ~~_____ [DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation]~~ as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. ~~[END OF OPTION]~~

~~[ ] The District Compliance Officer may delegate specific duties to one (1) or more designees. [END OF OPTION]~~

The contact information concerning the District Compliance Officer(s) will be published on the School District's website and annually:

A. in staff handbooks.
B. in the School District Annual Report to the public.

~~[ ]~~ The District Compliance Officer(s) shall report directly to the District Administrator except when the District Administrator is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to ~~[SELECT ONE OF THE FOLLOWING] ( )~~ the Board President who shall consult with ~~( )~~ the Board's Legal Counsel ~~( )~~ ~~_____ [OTHER] [END OF INTERNAL OPTIONS]~~ until the matter in which the District Administrator is a party is concluded. ~~[END OF OPTION]~~

Questions about this policy should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. Copies of the laws and regulations listed above are available upon request from the CO(s).

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The District Administrator shall provide notice of the Board's policy on nondiscrimination and the identity of the School District's Compliance Officer(s). Such notice will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Reports and Complaints of Prohibited Conduct and Retaliation

Employees are required to report incidents of Prohibited Conduct and/or retaliation to an administrator, supervisor, or other supervisory employees so that the Board may address the conduct. Any administrator, supervisor, or other supervisory employees who receive such a report shall file it with the CO as soon as reasonably practicable.

Discrimination against an individual based on their sex (including gender status, sexual orientation, and gender identity) is discrimination in violation of Title VII. Specifically, discrimination on the basis of sex stereotyping/gender-nonconformity constitutes sex discrimination. This is true irrespective of the cause of the person's gender non-conforming behavior. Employment actions based upon an individual's sex could be suspect and potentially impermissible.

COs are required to investigate allegations of Prohibited Conduct involving the discrimination or harassment of an employee or applicant based upon their gender status, sexual orientation, and gender identity.

Any questions concerning whether alleged Prohibited Conduct might violate this prohibition should be brought to the CO's attention promptly.

Employees who believe they have been subject to Prohibited Conduct are entitled to utilize the complaint process set forth below. Initiating a complaint will not adversely affect the Complainant's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as practicable after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to Prohibited Conduct or Retaliation. COs shall accept reports of Prohibited Conduct or Retaliation directly from any member of the School District Community or a Third Party, or receive reports that are initially filed with another Board employee.

Upon receipt of a report of alleged Prohibited Conduct or Retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged Prohibited Conduct/Retaliation), or ~~( ) [OPTION 1] the CO will designate a specific individual to conduct such a process as identified in a pre-defined list of investigators. [END OF OPTION 1] ( ) [OPTION 2]~~ - the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. ~~[END OF OPTION 2]~~ The CO will provide a copy of this policy to the Complainant and the Respondent upon request.

Any Board employee who directly observes Prohibited Conduct/Retaliation is obligated, in accordance with this policy, to report such observations to one of the COs as soon as reasonably practicable. Additionally, any Board employee who observes an act of discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should promptly notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO must contact the Complainant as soon as reasonably practicable to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Except for sex discrimination and/or sexual harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee who alleges to have been subjected to Prohibited Conduct or Retaliation may seek resolution of the complaint through the procedures described below. The

complaint procedures involve an investigation of the individual's claims of Prohibited Conduct/Retaliation and a process for rendering a decision regarding whether the charges are substantiated.

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Wisconsin Equal Rights Division, or the Equal Employment Opportunity Commission ("EEOC").

Complaint Procedure

A Complainant who alleges Prohibited Conduct/Retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) the CO; or 3) to the District Administrator or other supervisory employees. Any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall coordinate with the other appointed/designated CO or, if appropriate, appoint/designate another individual to serve as CO for the complaint regarding a CO.

Due to the sensitivity surrounding complaints of Prohibited Conduct and Retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint as soon as reasonably practicable after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO at the employee's first opportunity, as soon as reasonably practicable.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further Prohibited Conduct or Retaliation, including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the District Administrator.

As soon as reasonably practicable, the CO or designee will initiate an investigation by, at a minimum, confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and, upon request, provided with a copy of any relevant policies and/or administrative guidelines, including this Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint and the obligation to do so within a reasonable timeframe established by the CO or designee based on the circumstances.

~~[ ] [OPTION 1] Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of Prohibited Conduct based on a protected class or Retaliation as promptly as reasonably practicable after receiving the formal complaint. [ ] [OPTION 2]~~ Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and other evidence. The CO shall keep the Complainant reasonably informed of the investigation's progress. ~~- [END OF OPTIONS]~~

The investigation will include:

A. interviews with the Complainant;
B. interviews with the Respondent;
C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of the Prohibited Conduct/Retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if Prohibited Conduct or Retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may ~~(~~ in consultation with the District Administrator or Board President, if the matter involves the District Administrator, ~~[END OF OPTION]~~ engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within a reasonable timeframe after receiving the report of the CO, the District Administrator either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A summary of the District Administrator's final decision will be provided to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed as soon as reasonably practicable, taking into account the availability of necessary witness(es) or documents. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in Prohibited Conduct/Retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the District Administrator may appeal through a signed written statement to the Board within five (5) days of the party's receipt of the District Administrator's decision. The written statement of appeal must be submitted to the District Administrator, who will forward the request to the Board President.

In an attempt to resolve the complaint, the Board shall review the findings and may meet with the concerned parties and their representatives within a reasonable timeframe after the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of its decision. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of Prohibited Conduct/Retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Board will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Respondents must be provided an opportunity to meaningfully respond to allegations, which may include disclosure of the Complainant's identity.

During the course of an investigation, the CO will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the Prohibited Conduct/Retaliation, or other appropriate action.

The Board may appoint an individual, who may be a District employee, to follow up with the Complainant to ensure no further Prohibited Conduct or Retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and any relevant codes of conduct.

When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct/Retaliation, or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of Prohibited Conduct, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment.

Education and Training

All District Compliance Officer(s), and other persons who are responsible for implementing the Board's complaint procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. ~~[]~~ - The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. ~~[END OF OPTION]~~ The training shall not rely on stereotypes involving Protected Classes.

~~[]~~ - Training materials will be made available for inspection upon request by members of the public. ~~[END OF OPTION]~~

The CO is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315 - Information Management) created and received as part of an investigation. Special Update - Nondiscrimination - July 2026 Rescind NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

ADOPTED Apr 22, 2019 · REVISED Dec 13, 2021

~~4122.02 – NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE~~

~~The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify applicants or employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of the person as an employee, based on genetic information. Harassment of a person because of genetic information also is prohibited. Likewise, retaliation against a person for identifying, objecting to, or filing a complaint concerning a violation of this policy is prohibited.~~

~~The identity of the Compliance Officer (see Policy 4122 - Nondiscrimination and Equal Employment Opportunity) shall be posted throughout the District and published in any District statement regarding the prohibition of discrimination on the basis of genetic information in all aspects of employment, in any staff handbooks, and in general information publications of the District as required by Federal and State law and on the District website.~~

~~In accordance with Title II of the Genetic Information Nondiscrimination Act of 2008, 42 U.S.C. 2000ff, et seq., and 29 C.F.R. Part 1635 ("GINA"), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with GINA, applicants and employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be provided as part of the certification process for FMLA leave, or when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application for employment process. Employees and applicants for employment shall not be penalized for providing genetic information in good faith in response to a request from a Board employee or agent, unless that applicant or employee refuses to delete the information at the request of the employee or agent of the Board.~~

~~The Board recognizes that genetic information may be acquired through commercially and publicly available media including newspapers, books, magazines, periodicals, television shows or the Internet. The Board prohibits its employees and agents including commercial background investigation agents from searching these sources with the intent of finding or obtaining genetic information, or accessing sources from which they are likely to acquire genetic information. If genetic information about an employee or applicant is obtained in error, it shall immediately be redacted and not shared beyond the point of first receipt.~~

~~As used in this policy, "genetic information" means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for or receipt of genetic services or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.~~

~~The term "genetic information" does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family member that is not~~

derived from a genetic test.

As used in this policy, "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detect genotypes, mutations, or chromosomal changes. The term includes any test of a person's DNA/RNA.

If the Board's employees or agents legally and/or inadvertently receive genetic information about an employee or applicant, it shall be treated as a confidential medical record in accordance with law.

The District's Compliance Officer (see Policy 4122 - Nondiscrimination and Equal Employment Opportunity) is responsible for overseeing the Board's compliance with this policy and GINA and proposing revisions and additions to this policy as necessary to ensure the Board's compliance with GINA. This person shall be responsible for working with the Board's legal counsel to fully implement the requirements of GINA in all activities of the School District. The Compliance Officer also shall verify that proper notice of nondiscrimination for Title II of GINA is provided to staff members, and that all requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) are accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

> **Genetic Information Nondiscrimination Act of 2008 (GINA) Disclosure Requirement**
>
> The Genetic Information Nondiscrimination Act of 2008 or "GINA" prohibits employers and other entities covered by the law, including the Board, from requesting or requiring genetic information of an employee or applicant or family member of an employee or applicant, except as specifically allowed by law. To comply with GINA, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Questions concerning compliance with the requirements of GINA may be directed to the GINA Compliance Officer at 715-823-7215.

The Board offers health services, including a wellness program. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the District and no applicant or employee shall be identified or identifiable from the reported information.

The grievance procedure for complaints of discrimination in Policy 4122 applies to complaints of discrimination, including harassment, or retaliation prohibited by GINA and may be utilized if a District employee alleges discrimination or harassment on the basis of genetic information or retaliation for identifying, objecting to, or filing a complaint concerning a violation of GINA or this policy.

Special Update - Nondiscrimination - July 2026 Rescind EMPLOYEE ANTI-HARASSMENT

ADOPTED Apr 22, 2019 · REVISED Aug 11, 2024

~~4362 – EMPLOYEE ANTI-HARASSMENT~~

~~**Prohibited Harassment**~~

~~The Board is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.~~

~~The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including gender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters (collectively, Protected Classes),or any other characteristic protected by law in its employment practices (hereinafter referred to as harassment), and encourages those within the School District community as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee-to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.~~

~~The Board will investigate all allegations of harassment and, in those cases where harassment is substantiated, take immediate steps calculated to end the harassment, prevent its reoccurrence, and remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.~~

~~**Notice**~~

~~Notice of the Board's policy on anti-harassment related to employment practices and the identity of the District's Compliance Officers will be posted throughout the District and published in any District statement regarding the availability of employment, staff handbooks, and general information publications of the District as required by Federal and State law and this policy.~~

~~**Definitions**~~

~~Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.~~

~~**Complainant:** is the individual who alleges, or is alleged, to have been subjected to harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment~~

~~**Day(s):** Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the District office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).~~

Respondent: is the individual who has been alleged to have engaged in harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Bullying

Bullying rises to the level of harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

A. teasing;
B. threats;
C. intimidation;
D. stalking;
E. cyberstalking;
F. cyberbullying;
G. physical violence;
H. theft;
I. sexual, religious, or racial harassment;
J. public humiliation; or
K. destruction of property.

"Harassment" also includes "hate speech"—the use of language, behavior, or images/symbols that express prejudice against a particular group or groups on the basis of any protected characteristic(s).

Examples are:

A. making statements that promote violence toward a racial or ethnic group;
B. drawing, displaying, or posting images or symbols of prejudice (e.g., swastikas).

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;

B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;

C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;

D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;

E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;

F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

A. unwelcome sexual propositions, invitations, solicitations, and flirtations;

B. unwanted physical and/or sexual contact;

C. threats or insinuations that a person's employment, wages, promotion, assignments, or other conditions of employment may be adversely affected by not submitting to sexual advances;

D. unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, text messages, or social media postings;

E. sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature, placed in the work environment that reasonably may embarrass or offend individuals;

F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;

G. asking or telling about sexual fantasies, sexual preferences, or sexual activities;

H. speculation about a person's sexual activities or sexual history or remarks about one's own sexual activities or sexual history;

I. giving unwelcome personal gifts, such as lingerie, that suggest the desire for a romantic relationship;

J. leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin;

K. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment;

L. inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life; and

M. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

Boundary Invasions

Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. However other behaviors might be going too far, are inappropriate and may be signs of sexual grooming.

Inappropriate boundary invasions may include, but are not limited to the following:

A. kissing, or other physical contact with a student;

B. telling sexual jokes to students;

C. engaging in talk containing sexual innuendo or banter with students;

D. talking about sexual topics that are not related to curriculum;

E. showing pornography to a student;

F. taking an undue interest in a student (i.e. having a special friend or a special relationship);

G. initiating or extending contact with students beyond the school day for personal purposes;

H. using e-mail, text messaging, or websites to discuss personal topics or interests with students;

I. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrative approval;

J. invading a student's privacy (e.g. walking in on the student in the bathroom, locker room, asking about bra sizes or previous sexual experiences);

K. going to a student's home for non-educational purposes;

L. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of student);

M. giving gifts or money to a student for no legitimate educational purpose;

N. accepting gifts or money from a student for no legitimate educational purpose;

O. being overly touchy with students;

P. favoring certain students by inviting them to come to the classroom at non-class times;

Q. getting a student out of class to visit with the staff member;

R. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;

S. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);

T. being alone with a student behind closed doors without a legitimate educational purpose;

U. telling a student secrets and having secrets with a student.

Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Age Harassment

Prohibited age based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Race/Color Harassment

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references regarding racial customs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability, perceived disability, or record of disability, and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's current or past disability or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

The names, titles, and contact information of these individuals will be published annually in the staff handbooks and on the School District's website.

The Compliance Officer(s) are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

Reports and Complaints of Harassing Conduct

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Compliance Officers shall accept reports of harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment), or the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the District Administrator or will oversee the preparation

of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes harassment is obligated, in accordance with this policy, to report such observations to the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observes an act of harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant, if age eighteen (18) or older, or Complainant's parents/guardians if the Complainant is under the age eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with the Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

Reporting procedures are as follows:

A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.

B. Teachers, administrators, and other District officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.

C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.

D. Appropriate District officials are as follows:

1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who shall coordinate with the other appointed/designated CO, or, if appropriate appoint/designate another individual to serve as CO for the complaint regarding a CO.

2. Any complaint under this policy regarding the District Administrator or Board Member that is received by the District Compliance Officer shall be referred to the Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.

E. The reporting party or complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator or other supervisory employee.

F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 - Bullying, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will have handled in accordance with grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 4362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about unwelcome conduct.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations or will oversee the preparation of such recommendations. All members of the School District community should report incidents of harassment that are reported to them to the CO within two (2) days of learning of the incident.

Investigation and Complaint Procedure (see From 4362 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to harassment or has witnessed harassment of another may seek resolution of the complaint through the procedures described below. The complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of harassment or retaliation with the United States Department of Education Office for Civil Rights (OCR), the Wisconsin Equal Rights Division and/or Equal Employment Opportunity Commission (EEOC). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: http://www.ed.gov/ocr.

Complaint Procedure

A Complainant who alleges harassment based on a protected class or retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) directly to one of the COs; or 3) to the District Administrator or other supervisory employees. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, will consult with the other CO, if any, and if appropriate appoint/designate another individual to serve as CO for the complaint regarding a CO.

Due to the sensitivity surrounding complaints of harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) days.

Throughout the course of the process as described herein, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All written complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the complainant or respondent.

Within two (2) days of receiving a complaint, the CO will inform the Respondent that a complaint has been received.

The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, the Respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with a copy of this policy or information about where to find it. The Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint.

Within two (2) days of receiving the complaint, the CO will initiate an investigation by at a minimum confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and other evidence. The CO shall keep the complainant reasonably informed of the investigation's progress.

The investigation will include:

A. interview(s) with the Complainant;

B. interview(s) with the Respondent;

C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations, as determined by the CO;

D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the Respondent engaged in harassment of or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may in consultation with the District Administrator or Board President, if the matter involves the District Administrator, engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within five (5) days of receiving the report of the CO, the District Administrator must either issue a written decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in harassment of or retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 4340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or Third Party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

Privacy/Confidentiality

The District will employ reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation, and if so, shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Directives During Investigation

The CO may recommend to the District Administrator placing any employee involved in an investigation under this policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a *Garrity* warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving the right against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to because of the discrimination, or other appropriate action.

The Board may appoint an individual, who may be a District employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law.

When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct

If the CO has reason to believe that the complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made, the Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the CO's obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Miscellaneous

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in employment, and the mailing address and telephone number of the United States Equal Opportunity Employment Commission.

A summary of this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of harassment. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.
