City of Clintonville

Police and Fire Commission Meeting
At Clintonville City Hall
50 10th Street
3:45 PM – Monday, November 9, 2026

Jason Klein
Terry Lorge
Jeanine Supanich

Doug Carpenter
Mike Morse

Please turn off/silence cell phones and any other electronics that could be distracting during our meeting.

Agenda

1. Call to Order; Roll Call
2. Approval of Agenda
3. Citizens Forum – This is a chance for citizens to make comments. No action or lengthy discussions can take place as a result of comments made at this time.
4. Approval of Minutes
    a. Minutes
5. Fire Department
    a. Adjourn into closed session according to § 19.85(1)(c) Considering employment, promotion, compensation or performance evaluation data of any public employee over which the government body has jurisdiction or exercises responsibility/Hire Fire Medics
    b. Reconvene into Open Session
    c. Discussion/Possible Action Regarding § 19.85(1)(c) Considering employment, promotion, compensation or performance evaluation data of any public employee over which the government body has jurisdiction or exercises responsibility/Hire Fire Medics
6. Adjournment
7. Supplemental Items
    a. Reports
        1. Police October 2026
        2. Fire October 2026

This is to notify the public that a majority of the Council members may be present, however, no actual City Council action will be taken.

Posted: Clintonville City Hall - Clintonville Public Library - Community Center

Please note, upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information or to request this service, contact City Hall at 715-823-7600

Clintonville Police & Fire Commission Meeting
September 8, 2026

Called to Order: The meeting of the Police and Fire Commission to order at 3:45 p.m. **Members Present:** Jason Klein, Terry Lorge, Doug Carpenter, Jeanine Supanich, and Mike Morse **Absent:** None **Others Present:** Police Chief Craig Freitag, Fire Chief Shane Krueger, City Administrator Craig Moser, and Recording Secretary Nicholas Pues

Supanich/Carpenter m/s/c to approve the agenda.

Lorge/Supanich m/s/c to approve minutes from August 10, 2026.

FIRE & POLICE DEPARTMENT

Klein/Carpenter m/s/c u/roll to adjourn into closed session according to Wis. Stats. 19.85(1)(c) to consider employment, promotion, compensation, or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercise responsibility/promotion of patrol sergeant; and discussing the patrol officer hiring process, to include Freitag, Krueger, Moser, and Pues.

Reconvened into open session.

Supanich/Lorge m/s/c to hire Beau DeCamp as a Volunteer Part-Time Firefighter contingent on physical and based on the recommendation Chief Krueger. In this motion and second was also to hire Collin Morian and Carter Maule as Volunteer Part-Time Firefighters contingent on when they can go to school/availability, fire class within one year, and passing their physicals.

Supanich/Lorge m/s/c to hire Michelle Kamba as a Full-Time Patrol Officer based on the recommendation by Chief Frietag and contingent on passing a physical, a psych evaluation, and drug test.

Adjourn: Klein/Lorge m/s/c to adjourn at 4:18 p.m.

Respectfully submitted,

Nicholas Pues, Recording Secretary

RE: October 2026 Report

- Many activities were occurring over Halloween weekend here in our city. Officers spent time at the many Halloween activities. Officers handed out candy and stickers to many kids around the city. Overall, it was a safe Halloween for the many trick-or-treaters around town.
- The Clintonville Police Department was able to donate candy to the FWD Museum for their Night at the Museum haunted house. We purchased the candy through our community policing fund.
- On 11/02/2026, Officer Kamba secured a brand-new car seat that Walmart Shawano donated. We are fortunate for this donation. This will allow officers to transport children safely during calls. Officer Kamba is a certified car seat technician. We are excited to have her on board with this certification. Often, parents reach out to ask whether we have an officer on staff who can help install a car seat correctly. Over the last few years, Compassionate Connections has teamed up with Waupaca County Human Services to offer this service. In the future, we hope to utilize Officer Kamba's expertise and offer inspections and demonstrations.
- We are hosting our annual Stuff the Squad event on November 7th from 9 am to noon at Marketplace Foods. All food items donated that day will be given to Dave's Food Pantry. In the past, Stuff the Squad has been very successful. We can fill the food pantry with many needed items during the holidays. Please stop out and see us!
- Staff members have attended various trainings over the last month. Officer Price, Clerk-Dispatcher Schoen, and Texeira all completed the FTO course. This training will allow all three of them to train new staff members.
- Captain Wright attended a two-week leadership course that the Department of Justice held. This course will enhance Captain Wright's leadership skills and bring new ideas to the department.
- Sgt. Bartel attended Evidence room management. He and Officer Kamke manage the evidence we hold. This is a very detail-oriented task, and Officer Kamke and Sgt. Bartel ensure we follow industry best practices for property and evidence.
- We will begin the interview process for the vacant patrol officer position soon.

- The officer who was injured on September 1st while on duty is still on light duty. He has an expected return date around thanksgiving. We are looking forward to his full return.

RE: Misinformation

This memo is intended to clear up rumors or misinformation regarding an incident that occurred on 9/16/2026 involving ICE agents looking to take an individual into custody on an immigration matter. To ensure the information that was released was accurate, I reviewed dispatch recordings, phone calls, the CAD system, and body cameras.

On 09/16/2026, I released a press release because of the number of questions and concerns individuals in our community had. The intent was to provide facts about the incident. Unfortunately, one individual believes the police department was lying. The individual has made the following statements that are not accurate:

- States she believes the Clintonville Police Department was aware that ICE was coming to the address.
- Clintonville Utilities cut the power off just prior to ICE coming, 30 seconds before.
- The female said she called the Clintonville Police Department and said she needed officers at her address; there were 5 "dudes" with guns, and that's all she said, and she hung up the phone.
- States it took officers almost 10 minutes to respond to the address.
- Only one Clintonville Officer showed up.
- Power was turned on in a few hours.
- Clintonville Police Department prevented the Waupaca County Sheriff's Office from coming to assist because we don't allow the Sheriff's Office to come into the city and handle situations unless we request it.

Below is a timeline of events that shows the above statements are false.

On 9/16/2026, the Clintonville Police Department received a phone call from an ICE agent. The agent stated they were at an address, looking to take someone into custody, and the individual was at the residence and wouldn't come out.

Dispatch puts the ICE Agent on hold while she gets a call from the residence that they may be at.

Dispatch then picks up the phone call that is ringing in, and a female states, "Hi, can you send an officer over to 100 Brix St. I got like 4 or 5 gentlemen here with guns out, like guns. I don't want them in my yard; you need to get the %$&* out of here."

Dispatch asks who the caller is, and the caller provides her name. She then tells dispatch they claim to be ICE agents.

Dispatch then returns to the on-hold call with the ICE agent. Dispatch informs him that she was just on the phone with a resident at the address they were out at. Dispatch tells the ICE agent that the caller is requesting officers to go to the residence. Dispatch told the ICE agents that the caller was reporting they had their guns out, and the agent said that wasn't true and confirmed that there were 5 to 6 agents there.

Captain Wright and Officer Price were dispatched and enroute to the call at 8:37:10 AM. According to CAD logs, Captain Wright arrived at 8:38:21 AM. This is one minute and eleven seconds from enroute time to on-scene time. According to CAD documentation, Officer Price notifies dispatch at 8:39:03 that he was on scene. Officer Price parks his squad car near the residence at 8:39:03 AM. Captain Wright's video starts at 8:41:41. At the start of the video, he is standing on the sidewalk and appears to be speaking with ICE agents and a female subject seated on the porch of the house. ICE agents state they observed the individual they intended to take into custody inside the residence, visible through the window.

Captain Wright explained he would take the individual into custody for the Shawano County Warrant and take him to Shawano County. The female acknowledged the individual with warrants was inside the residence. The female acknowledged the male individual has a warrant through Shawano County.

Captain Wright and the female subject had back-and-forth conversations. Captain Wright told her he would address the Shawano County warrant and that if ICE didn't have an actual warrant, they wouldn't release him into ICE custody.

Waupaca County Communication Center received a phone call from either ICE agents not on scene or U.S. Marshals asking why a deputy wasn't on scene with ICE agents. Our dispatch confirmed we were out with agents. Captain Wright advised dispatch that we didn't need assistance from the Sheriff's Office, but if they wanted to send someone, that would be fine. We are not clear why this call was made, but we believe whoever made the call wasn't aware this incident was occurring in a city with a law enforcement agency, and that the city is the primary agency to respond. When the Waupaca County Communication Center received the call, they did not have a Deputy anywhere in the county assisting ICE agents at the time, and that may have been relayed to the caller, causing confusion. That's when the county dispatcher made contact with our agency. We confirmed we had officers on scene.

From inside the house, speaking through an open window, the male individual stated he

would come out if ICE left. Shortly after that, ICE agents left the scene. Captain Wright told them he would transfer the male subject, with a warrant, to Shawano County. The female subject called Shawano County and confirmed they wouldn't turn the male over to ICE without a valid ICE warrant.

The male came out of the house, and Officer Price took him into custody on the Shawano County warrant. The warrant had a bond attached, and we asked the female party on scene if she had the money to post bond. She told us she did not have the money.

It was made clear to everyone on scene that he was in custody on the Shawano County warrant, not an ICE warrant.

Officer Price left the scene to transport the male to Embarrass to meet with a Shawano County Deputy and turn him over.

Captain Wright and I cleared from the residence on Brix St. and went to the police department. As I pulled up, I observed several subjects standing outside the PD and later confirmed they were the ICE agents who were on scene. We debriefed with them outside of the police department, and shortly after, they left.

Because information was spreading on social media, I released a press release to provide facts about the situation.

The claim that the Clintonville Police Department and/or ICE worked with Clintonville Utilities to shut off power to the residence before our arrival is false. What is true is that Clintonville Utilities shut off the power before we arrived, but only because the residence had failed to pay a utility bill. Below is a timeline from Clintonville Utilities showing they informed the residence they had an unpaid balance and that their power would be disconnected on 09/16.

8/27 mailed out a past-due notice.
9/8 An individual who resides at the residence came and paid some money but still had a balance on the account.
9/10 phone robo calls were made to this residence regarding the unpaid balance.
9/15 Clintonville Utilities left a VM reminder of the past-due balance.
On 9/16 at 7:46 AM, utility employees began shutting off power to residents with unpaid balances, including the residence on Brix St. The Brix St. address was not the only residence with power shut off; 22 other customers were disconnected that day, one by one.
On 9/16, power was restored at 11:14 a.m. after the female customer came and paid the balance.

Based on the timeline above, the narrative that ICE and/or CPD shut off the power before law enforcement arrived is false. The homeowner was made aware several times that their power would be shut off on 9/16 for the unpaid balance.

We want to share the facts, as several statements on social media are false.

By law, local officers cannot enforce immigration laws unless they have entered into an agreement, which is commonly referred to as 287(G). Federal agents cannot pick individuals up on state warrants; ICE agents stated this. If federal law enforcement agents do come to our city, we will assist them if asked. To be clear, we took the male subject into custody for the Shawano County Warrant and did not take him into custody on an ICE warrant.

On Halloween weekend, social media reported that the Clintonville Police Department, along with ICE, was in a specific area of the city. We have no knowledge of ICE being in the city during Halloween weekend. I can confirm that Clintonville Police staff were not with any ICE agents during the time reported. It's unfortunate that this false information spreads, as it instills fear in some.

There have been allegations that the Clintonville Police Department receives funding from ICE to take undocumented immigrants into custody. This is false; we have no contracts or MOU signed with ICE. U.S. Immigration and Customs Enforcement offers three models under which a law enforcement agency can enter into a MOU with ICE; these are commonly referred to as 287 (g) models. The three models include the jail enforcement model, which allows local officers to identify and process removable aliens with pending or active criminal charges. Clintonville Police Department does not run a jail. The next model is the Task Force model, which allows officers to enforce limited immigration authority while performing routine police duties. To my knowledge, no local law enforcement agency, municipality, or sheriff has implemented the task force model in the State of Wisconsin. The last model is the Warrant Service Officer model, which allows officers to serve and execute administrative warrants on aliens in our custody. Clintonville Police Department does not have any signed agreement with ICE for this model.

We hope this timeline helps clarify what actually occurred that day. To summarize, Clintonville PD was not aware ICE agents were at a residence in the city before their arrival. We responded after ICE Agents, and a female who resides at the residence called us. The owners of the residence were aware the power would be disconnected if the unpaid balance wasn't paid. After the arrest, ICE agents debriefed outside the CPD building with CPD officers.

Chief Craig A. Freitag

MEMORANDUM

TO: PFC and Town Reps
FROM: Shane Krueger, Fire Chief
RE: Supplement to PFC –Activity Report
November 2026

E(1) - Monthly Report
Please see attached report that summarizes the months calls for October 2026

E(2) Department Activity:
The FD conducted multiple training sessions focused on stabilization and extrication from a motor vehicle accident. Vehicles obtained and placed at CFA building on 7th street to afford hand on practical application and use of extrication tools and equipment to stabilize during an event.

The FD performed cross walk safety during City Trick or Treat Hours on 10-31. In addition, CFD purchased and gave out to all trick or treaters a safety light which was pinned to costumes in the on position to provide additional awareness for children out during nighttime hours.
